056-26-27 **Michigan Department of Education (MDE) Section 35p High Impact Tutoring Grant Application:** Please see the memo from Supervisor of Instruction Dr. Dawn Stewart. WISD has an opportunity to apply for funding through the Michigan Department of Education's Section 35p High-Impact Tutoring Grant. This funding will support high-impact tutoring services in reading and mathematics for students in participating Washtenaw County school districts. The grant is designed to accelerate student learning and improve academic outcomes through targeted, evidence-based tutoring. Services will focus on providing consistent, small-group instruction that addresses learning gaps, strengthens foundational skills, and supports student achievement. WISD will serve as the fiscal agent, working collaboratively with participating school districts and tutoring partners to coordinate and submit grant applications. The total funding request will be determined as participating districts finalize their tutoring needs and partners develop their proposed budgets and will likely be between $1 and 2 million dollars. With applications due November 30, 2026, we are requesting approval to proceed with the grant application process to secure funding that will expand academic support opportunities for students across Washtenaw County.

The Superintendent recommends that the Board of Education authorize administration to apply for the Michigan Department of Education Section 35p High Impact Tutoring Grant, as presented.

The existing contract with DAPCEP, in an amount not to exceed $16,390.00, provides weekly STEM workshops from October 12, 2026, through January 14, 2027. The proposed amendment would extend services through May 31, 2027, adding 18 weekly sessions at an additional cost of $22,021.00 and bringing the total contract amount to $38,411.00. WISD previously contracted with DAPCEP in July 2026 to provide services for Freedom School summer programming at a cost of $12,710.52. With the proposed

RE: Innovations Institute, University of Connecticut, School of Social Work, Workforce Development

Purpose
Administration requests Board approval of a $28,300 contract amendment with the University of Connecticut (UConn), Innovations Institute, National Wraparound Implementation Center (NWIC), for annual certification maintenance, licensing, and fidelity measurement to support WISD's High Fidelity Wraparound Program. WISD entered into a two-year partnership with UConn/NWIC to establish a High-Fidelity Wraparound model supporting students and families with complex behavioral health and educational needs. The initial agreement focused on workforce development, training, coaching, certification, and building local capacity to implement the model with fidelity. As the initial implementation agreement concludes on December 31, 2026, WISD will transition to an annual maintenance model that supports program sustainability, preserves the investment in workforce development, and strengthens internal capacity to maintain fidelity to the Wraparound model.

The amendment includes two components for the period of January 1, 2027, through December 31, 2027:

Task 1: Certification Maintenance and Licensing | $23,500
Provides annual recertification support for one WISD staff member, ongoing consultation and coaching, and continued licensing and access to NWIC's Wraparound Practice Improvement Tools, curriculum, and associated technology. These resources support internal supervision, coaching, staff development, certification maintenance, and access to Wraparound 101 and 102 curriculums.

Task 2: Wraparound Fidelity Measurement (WFI-EZ) | $4,800
Provides annual licensing and access to the Wraparound Fidelity Index, Short Form (WFI-EZ), including data collection and reporting systems, technical assistance, and consultation to assess program fidelity, inform workforce development, and support continuous quality improvement.

The total cost of the amendment is **$28,300 for the 2027 calendar year**. This maintenance-focused agreement represents a transition from intensive external implementation support to a more targeted and sustainable investment in certification, licensing, and program quality assurance.

Recommendation
Administration recommends that the Board of Education approve the University of Connecticut contract amendment for the period of January 1, 2027, through December 31, 2027, in an amount not to exceed $588,300.

Requested Board Action: Approve the $28,300 contract amendment with the University of Connecticut and authorize the Superintendent or designee to execute the agreement.

Please contact me with any additional questions.

Colleen has familiarity with current priorities and initiatives and demonstrated ability to effectively collaborate with internal and external stakeholders.

During the interim period, Colleen would assume the following responsibilities:

- Overseeing grants and responding to grant reports
- Overseeing the Family Liaison position
- Supporting Family Engagement Manager for the fall literacy event and roll-out of mini grants
- Continuing the Great Start Collaborative meetings
- Supporting the ongoing equity assessment efforts and subsequent action steps

RE: Updated Policies – First Read

The Policy Committee1 recommends adoption of the proposed policy changes to the following as attached:

WISD Board Policies -

Policies #2264/#2266 – Non-Discrimination on the Basis of Sex in Education Programs or Activities

Policy #2264 pertains to sex discrimination, including sex-based harassment, which occurs on or after August 1, 2024. Allegations of sex-based harassment, that occur on or before July 31, 2024, are addressed pursuant to Policy #2266.

Policy #2264, addresses the 2024 Title IX regulations which went into effect August 1, 2024. As such, they apply only to sex discrimination that allegedly occurred on or after August 1, 2024. With respect to sex discrimination that allegedly occurred prior to August 1, 2024, regardless of when the alleged sex discrimination was reported, ED has stated that it will "evaluate a recipient's compliance against the Title IX statute and the Title IX regulations in place at the time that the alleged sex discrimination occurred."

Policy #2266, addresses the 2020 Title IX regulations (effective 8/14/2020) focus on effectuating Title IX's prohibition against sex discrimination by requiring recipients to address sexual harassment as a form of sex discrimination in education programs or activities. The 2020 Title IX regulations obligate recipients to respond promptly and supportively to persons alleged to be victimized by sexual harassment, resolve allegations of sexual harassment promptly and accurately under a predictable, fair grievance process that provides due process protections to alleged victims and alleged perpetrators of sexual harassment, and effectively implement remedies for victims. The 2020 Title IX regulations do not provide procedures for addressing claims of sex discrimination in a recipient's education program or activity that are unrelated to sexual harassment.

Policy #2260 - Non-Discrimination & Access to Equal Educational Opportunity

This policy had a technical correction, updating the contact information for the U.S. Department of Education, Office for Civil Rights

Policy #2418 - Sex Education

The revised policy broadens the scope of instruction to include topics such as gender identity, sexual orientation, and consent education, while also structuring the curriculum into detailed content areas appropriate for specific grade spans (3-5, 6-8, 9-12). Additionally, the policy strengthens its position on abstinence, stating it is the only 100% effective protection, and includes new requirements for secondary-level teacher endorsements, aligning with the Michigan Health Education Standard Guidelines and the Elliott-Larsen Civil Rights Act.

2260 - **NONDISCRIMINATION AND ACCESS TO EQUAL EDUCATIONAL OPPORTUNITY**

Any form of discrimination or harassment can be devastating to an individual's academic progress, social relationships, and/or personal sense of self-worth.

As such, the Board of Education does not discriminate on the basis of race, color, national origin, sex (including sexual orientation or gender identity), disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities.

The Board also does not discriminate on the basis of Protected Classes in its employment policies and practices as they relate to students, and does not tolerate harassment of any kind.

Equal educational opportunities shall be available to all students, without regard to the Protected Classes, age (unless age is a factor necessary to the normal operation or the achievement of any legitimate objective of the program/activity), place of residence within the boundaries of the District, or social or economic background, to learn through the curriculum offered in this District. Educational programs shall be designed to meet the varying needs of all students.

In order to achieve the aforesaid goal, the Superintendent shall:

A. **Curriculum Content**

review current and proposed courses of study and textbooks to detect any bias based upon Protected Classes, ascertaining whether or not supplemental materials, singly or taken as a whole, fairly depict the contribution of both genders, various races, ethnic groups, etc., toward the development of human society;

B. Staff Training

develop an ongoing program of in-service training for school personnel designed to identify and solve problems of bias based upon Protected Classes in all aspects of the program;

C. Student Access

1. review current and proposed programs, activities, facilities, and practices to ensure that all students have equal access thereto and are not segregated on the basis of the Protected Classes in any duty, work, play, classroom, or school practice, except as may be permitted under State regulations;
2. verify that facilities are made available, in accordance with Board Policy 7510 - Use of School Facilities, for non-curricular student activities that are initiated by parents or other members of the community including, but not limited to, any group affiliated with the Boy Scouts of America or any other youth group listed in Title 36 of the United States Code as a patriotic society;

This language does not prohibit the District from establishing and maintaining a single-gender school, class, or program within a school if a comparable school, class, or program is made available to students of each gender.

Draft

D. District Support

verify that like aspects of the District program receive like support as to staff size and compensation, purchase and maintenance of facilities and equipment, access to such facilities and equipment, and related matters;

E. Student Evaluation

verify that tests, procedures, or guidance and counseling materials, which are designed to evaluate student progress, rate aptitudes, analyze personality, or in any manner establish or tend to establish a category by which a student may be judged, are not differentiated or stereotyped on the basis of Protected Classes.

Generally, the District will place a person with a disability in the regular educational environment unless it is demonstrated that the education of the person in the regular environment, even with the use of supplementary aids and services, cannot be achieved satisfactorily. If the Board operates a separate class or facility that is identifiable as being for persons with disabilities, the facility, program, and activities and services must be comparable to the facilities, programs, and activities and services offered to students without a disability.

In addition, the Superintendent shall establish procedures to identify students who are Limited English Proficient ("LEP"), including immigrant children and youth, to assess their ability to participate in District programs, and develop and administer a program that meets the English language and academic needs of these students. This

program shall include procedures for student placement, services, evaluation, and exit guidelines and shall be designed to provide students with effective instruction that leads to academic achievement and timely acquisition of proficiency in English. As a part of this program, the District will evaluate the progress of students in achieving English language proficiency in the areas of listening, speaking, reading, and writing on an annual basis (also see Policy 2225). The Superintendent is responsible for verifying that a concentration of students who are Limited English Proficient ("LEP") in one (1) or more programs is not the result of discrimination.

Reports and Complaints of Unlawful Discrimination and Retaliation

Students and ~~Board~~ District employees are required, and all other members of the School District community and Third Parties are encouraged, to promptly report incidents of unlawful discrimination and/or retaliation to a teacher, administrator, supervisor, or other District official so that the Board may address the conduct. Any teacher, administrator, supervisor, or other District employee or official who receives such a complaint shall file it with a CO within two (2) days.

Members of the School District community, which includes students and Third Parties, who believe they have been unlawfully discriminated/retaliated against, are entitled to utilize the complaint process set forth below. Initiating a complaint, whether formally or informally, will not adversely affect the Complainant's employment or participation in educational or extra-curricular programs. While there are no time limits for initiating complaints under this policy, individuals should make every effort to file a complaint as soon as possible after the conduct occurs while the facts are known and potential witnesses are available.

If, during an investigation of alleged bullying, aggressive behavior, and/or harassment in accordance with Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior, the Principal believes that the reported misconduct may constitute unlawful discrimination based on a Protected Class, the Principal shall report the act to one (1) of the COs who shall investigate the allegation in accordance with this policy. While the CO investigates the allegation, the Principal shall suspend the Policy 5517.01 investigation to await the CO's written report. The CO shall keep the Principal informed of the status of the Policy 2260 investigation and provide the Principal with a copy of the resulting written report.

The COs will be available during regular school/work hours to discuss concerns related to unlawful discrimination/retaliation. The COs shall accept reports of unlawful discrimination/retaliation directly from any member of the School District community or a Third Party or receive reports that are initially filed with another ~~Board~~ District employee. Upon receipt of a report of alleged discrimination/retaliation, one (1) of the COs will contact the Complainant and begin either an informal or formal complaint process (depending on the Complainant's request and the nature of the alleged discrimination/retaliation) or will designate a specific individual to conduct such a process. The CO will provide a copy of this policy to the Complainant and the Respondent. In the case of a formal complaint, the CO will prepare recommendations for the Superintendent or oversee the preparation of such recommendations by a designee. All members of the School District community must report incidents of discrimination/retaliation that are reported to them to one (1) of the COs within two (2) days of learning of the incident/conduct.

Any ~~Board~~ District employee who directly observes unlawful discrimination/retaliation of a student is obligated, in accordance with this policy, to report such observations to one (1) of the COs within two (2) business days. Additionally, any ~~Board~~ District employee who observes an act of unlawful discrimination/retaliation is expected to intervene to stop the misconduct, unless circumstances make such an intervention dangerous, in which case the staff member should immediately notify other ~~Board~~ District employees and/or local law enforcement officials, as necessary, to stop the misconduct. Thereafter, a CO/designee must contact the Complainant if age

Draft

eighteen (18) or older, or the Complainant's parents/guardian if the Complainant is under the age of eighteen (18), within two (2) days to advise of the Board's intent to investigate the alleged wrongdoing.

Investigation and Complaint Procedure

Except for sex discrimination and/or Sexual Harassment that is covered by Policy 2266 - Nondiscrimination on the Basis of Sex in Education Programs or Activities, any student who alleges to have been subjected to unlawful discrimination or retaliation may seek resolution of the complaint through the procedures described below. The formal complaint procedures involve an investigation of the individual's claims of discrimination/retaliation and a process for rendering a decision regarding whether the charges are substantiated.

Due to the sensitivity surrounding complaints of unlawful discrimination or retaliation, timelines are flexible for initiating the complaint process; however, individuals are encouraged to file a complaint within thirty (30) days after the conduct occurs. Once the formal complaint process is begun, the investigation will be completed in a timely manner (ordinarily, within fifteen (15) days of the complaint being received).

The procedures set forth below are not intended to interfere with the rights of a student to pursue a complaint of unlawful discrimination or retaliation with the U.S. Department of Education, Office for Civil Rights, Lyndon Baines Johnson Department of Education Building, 400 Maryland Ave., SW, Washington, DC 20202-1100, Telephone: (800) 421-3481, FAX: (202) 453-6012, TDD: 800-877-8339, E-mail: OCR@ed.gov, Web: http://www.ed.gov/ocr. ~~United States Department of Education Office for Civil Rights (OCR). The Cleveland Office of the OCR can be reached at 1350 Euclid Avenue, Suite 325, Cleveland, Ohio 44115; Telephone: (216) 522-4970; Fax: (216) 522- 2573; TDD: (216) 522-4944; E-mail: ocr.cleveland@ed.gov; Web: http://www.ed.gov/ocr.~~

Informal Complaint Procedure

The goal of the informal complaint procedure is to promptly stop inappropriate behavior and facilitate resolution through an informal means, if possible. The informal complaint procedure is provided as a less formal option for a student who alleges unlawful discrimination or retaliation. This informal procedure is not required as a precursor to the filing of a formal complaint.

The informal process is only available in those circumstances where the Complainant and the Respondent mutually agree to participate in it.

The Complainant may proceed immediately to the formal complaint process, and individuals who participate in the informal procedure may request that the informal process be terminated at any time to move to the formal complaint process.

All complaints involving a District employee or any other adult member of the School District community and a student will be formally investigated.

As an initial course of action, if a Complainant feels comfortable and safe doing so, the individual should tell or otherwise inform the Respondent that the allegedly discriminatory/retaliatory conduct is inappropriate and must stop. The Complainant should address the alleged misconduct as soon after it occurs as possible. The COs are available to support and counsel the Complainant when taking this initial step or to intervene on behalf of the individual if requested to do so. A Complainant who is uncomfortable or unwilling to directly approach the Respondent about the inappropriate conduct may file an informal or a formal complaint. In addition, with regard to certain types of unlawful discrimination (e.g., sex discrimination), the CO may advise against the use of the informal complaint process.

A Complainant who alleges unlawful discrimination/retaliation may make an informal complaint, either orally or in writing: (1) to a teacher, other employee, or building administrator in the school the student

Draft

attends; (2) to the Superintendent or other District-level employee; and/or (3) directly to one (1) of the COs.

All informal complaints must be reported to one (1) of the COs, who will either facilitate an informal resolution as described below or appoint another individual to facilitate an informal resolution.

The School District's informal complaint procedure is designed to provide the Complainant with a range of options aimed at bringing about a prompt resolution of their concerns. Depending upon the nature of the complaint and the Complainant's wishes, informal resolution may involve, but not be limited to, one (1) or more of the following:

A. Advising the Complainant about how to communicate concerns to the Respondent.

B. Distributing a copy of Policy 2260 – Nondiscrimination and Access to Equal Educational Opportunity to the individuals in the school building or office where the Respondent works or attends.

C. If both parties agree, the CO may arrange and facilitate a meeting or mediation between the Complainant and the Respondent to work out a mutual resolution.

While there are no set time limits within which an informal complaint must be resolved, the CO or designee is directed to attempt to resolve all informal complaints within fifteen (15) days of receiving the informal complaint. If the Complainant is dissatisfied with the informal complaint process, the Complainant may proceed to file a formal complaint and, as stated above, either party may request that the informal process be terminated at any time to move to the formal complaint process.

Formal Complaint Procedure

If a complaint is not resolved through the informal complaint process, if one (1) of the parties requested that the informal complaint process be terminated to move to the formal complaint process, or if the Complainant, from the outset, elects to file a formal complaint, or the Compliance Officer(s) determines the allegations are not appropriate for resolution through the informal process, the formal complaint process shall be implemented.

The Complainant may file a formal complaint, either orally or in writing, with a teacher, Principal, or other District official at the student's school, a CO, the Superintendent, or another District official who works at another school or at the District level. Due to the sensitivity surrounding complaints of unlawful discrimination, timelines are flexible for initiating the complaint process; however, individuals should make every effort to file a formal complaint within thirty (30) days after the conduct occurs. If a Complainant informs a teacher, Principal, or other District official at the student's school, Superintendent, or other District employee, either orally or in writing, about any complaint of discrimination/retaliation, that employee must report such information to one (1) of the COs/designee within two (2) days.

Throughout the course of the process, the CO should keep the parties reasonably informed of the status of the investigation and the decision-making process.

All formal complaints must include the following information to the extent known: the identity of the Respondent; a detailed description of the facts upon which the complaint is based (i.e., when, where, and what occurred); a list of potential witnesses; and the resolution sought by the Complainant.

If the Complainant is unwilling or unable to provide a written statement including the information set forth above, the CO shall ask for such details in an oral interview. Thereafter, the CO will prepare a written summary of the oral interview, and the Complainant will be asked to verify the accuracy of the reported charge by signing the document.

Draft

Upon receiving a formal complaint, the CO will consider whether any action should be taken in the investigatory phase to protect the Complainant from further discrimination or retaliation including, but not limited to, a change of work assignment or schedule for the Complainant and/or the Respondent. In making such a determination, the CO should consult the Complainant to assess whether the individual agrees with the proposed action. If the Complainant is unwilling to consent to the proposed change, the CO may still take whatever actions deemed appropriate in consultation with the Superintendent.

Within two (2) days of receiving the complaint, the CO or designee will initiate a formal investigation to determine whether the Complainant has been subjected to unlawful discrimination/retaliation. The Principal will not conduct an investigation unless directed to do so by the CO.

Simultaneously, the CO will inform the Respondent that a formal complaint has been received. The Respondent will be informed about the nature of the allegations and provided with a copy of any relevant policies and/or administrative guidelines, including Policy 2260 - Nondiscrimination and Access to Equal Educational Opportunity. The Respondent must also be informed of the opportunity to submit a written response to the formal complaint within five (5) days.

Although certain cases may require additional time, the CO or designee will attempt to complete an investigation into the allegations of discrimination/retaliation within fifteen (15) days of receiving the formal complaint. The investigation will include:

A. interviews with the Complainant;

B. interviews with the Respondent;

C. interviews with any other witnesses who may reasonably be expected to have any information relevant to the allegations;

D. consideration of any documentation or other information presented by the Complainant, Respondent, or any other witness that is reasonably believed to be relevant to the allegations.

At the conclusion of the investigation, the CO/designee shall prepare and deliver a written report to the Deputy Superintendent that summarizes the evidence gathered during the investigation and provides recommendations based on the evidence and the definition of unlawful discrimination/retaliation as provided in Board policy and State and Federal law as to whether the Respondent has engaged in unlawful discrimination/retaliation of the Complainant. The CO's recommendations must be based upon the totality of the circumstances. In determining if unlawful discrimination or retaliation occurred, a preponderance of evidence standard will be used. The CO may consult with the Board’s legal counsel before finalizing the report to the Deputy Superintendent.

Absent extenuating circumstances, within five (5) business days of receiving the report of the CO or designee, the Deputy Superintendent must either issue a written decision regarding whether the charges have been substantiated or request further investigation. A copy of the Deputy Superintendent's final decision will be delivered to both the Complainant and the Respondent.

If the Deputy Superintendent requests additional investigation, the Deputy Superintendent must specify the additional information that is to be gathered, and such additional investigation must be completed within five (5) days. At the conclusion of the additional investigation, the Deputy Superintendent shall issue a final written decision as described above.

If the Deputy Superintendent determines the Respondent engaged in unlawful discrimination/retaliation toward the Complainant, the Deputy Superintendent must identify what corrective action will be taken to stop, remedy, and prevent the recurrence of the discrimination/retaliation. The corrective action should be

Draft

reasonable, timely, age-appropriate and effective, and tailored to the specific situation.

~~**[DRAFTING NOTE: Choose one of the following**~~

~~**options]** **[ ]** The decision of the Superintendent shall~~

~~be final.~~

~~**[OR]**~~

[X] A Complainant or Respondent who is dissatisfied with the final decision of the Deputy Superintendent may appeal through a signed written statement to the ~~Board~~ Superintendent within five (5) days of the party's receipt of the Deputy Superintendent's decision.

In an attempt to resolve the complaint, the ~~Board~~ Superintendent shall meet with the concerned parties and their representatives within twenty (20) days of the receipt of such an appeal. A copy of the ~~Board's~~Superintendent's disposition of the appeal shall be sent to each concerned party within ten (10) days of this meeting. The decision of the ~~Board~~ Superintendent will be final.

~~**[END OF OPTIONS]**~~

The ~~Board~~ District reserves the right to investigate and resolve a complaint or report of unlawful discrimination/retaliation regardless of whether the student alleging the unlawful discrimination/retaliation pursues the complaint. The ~~Board~~ District also reserves the right to have the formal complaint investigation conducted by an external person in accordance with this policy or in such other manner as deemed appropriate by the ~~Board~~ District ~~or its designee~~.

[X] The parties may be represented, at their own cost, at any of the above-described meetings/hearings.

The right of a person to a prompt and equitable resolution of the complaint shall not be impaired by the person's pursuit of other remedies, such as the filing of a complaint with the Office for Civil Rights, the filing of charges with local law enforcement, or the filing of a civil action in court. Use of this internal complaint process is not a prerequisite to the pursuit of other remedies.

Privacy/Confidentiality

The District will employ all reasonable efforts to protect the rights of the Complainant, the Respondent(s), and the witnesses as much as possible, consistent with the Board's legal obligations to investigate, take appropriate action, and conform with any discovery or disclosure obligations. All records generated under the terms of this policy shall be maintained as confidential to the extent permitted by law. Confidentiality, however, cannot be guaranteed.
Additionally, the Respondent must be provided with the Complainant's identity.

During the course of a formal investigation, the CO or designee will instruct each person who is interviewed about the importance of maintaining confidentiality. Any individual who is interviewed as part of an investigation is expected not to disclose to Third Parties any information that is learned or provided during the course of the investigation.

Draft

Sanctions and Monitoring

The ~~Board~~ District shall vigorously enforce its prohibitions against unlawful discrimination/retaliation by taking appropriate action reasonably calculated to stop and prevent further misconduct. While observing the principles of due process, a violation of this policy may result in disciplinary action, up to and including the discharge of an employee or the suspension/expulsion of a student. All disciplinary action will be taken in accordance with applicable State law and the terms of the relevant collective bargaining agreement(s). When imposing discipline, the Superintendent shall consider the totality of the circumstances involved in the matter, including the ages and maturity levels of those involved. In those cases where unlawful discrimination/retaliation is not substantiated, the ~~Board~~Superintendent may consider whether the alleged conduct nevertheless warrants discipline in accordance with other Board policies, consistent with the terms of the relevant collective bargaining agreement(s).

Where the ~~Board~~ Superintendent becomes aware that a prior remedial action has been taken against a member of the School District community, all subsequent sanctions imposed by the ~~Board and/or~~ Superintendent shall be reasonably calculated to end such conduct, prevent its reoccurrence, and remedy its effects.

Retaliation

Retaliation against a person who makes a report or files a complaint alleging unlawful harassment/retaliation or participates as a witness in an investigation is prohibited. Neither the Board nor any other person may intimidate, threaten, coerce or interfere with any individual because the person opposed any act or practice made unlawful by any Federal or State civil rights law, or because that individual made a report, formal complaint, testified, assisted or participate or refused to participate in any manner in an investigation, proceeding, or hearing under those laws and/or this policy, or because that individual exercised, enjoyed, aided or encouraged any other person in the exercise or enjoyment of any right granted or protected by those laws and/or this policy.

Retaliation against a person for making a report of discrimination, filing a formal complaint, or participating in an investigation or meeting is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Formal complaints alleging retaliation may be filed according to the internal complaint process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Education and Training

In support of this policy, the Board promotes preventative educational measures to create greater awareness of unlawful discriminatory practices. The Superintendent shall provide appropriate information to all members of the School District community related to the implementation of this policy and shall provide training for District students and staff where appropriate. All training, as well as all information provided regarding the Board's policy and discrimination in general, will be age and content appropriate.

The District will endeavor to assist the student and/or the student's~~his/her~~ parents/guardians in their access to District programs by providing notices to the parents/guardians and students in a language and format that they are likely to understand.

Materials approved by the State Department of Education describing the benefits of instruction in Braille reading and writing shall be provided to each blind student’s individualized planning committee. The District shall not deny a student the opportunity for instruction in Braille, reading, and writing solely because the student has some remaining vision.

Policy 2266 - **NONDISCRIMINATION ON THE BASIS OF SEX IN DISTRICT PROGRAMS OR ACTIVITIES ~~(The Board's Policy and Grievance Procedures for Responding to Sexual Harassment Alleged to Have Occurred Prior to 8/1/2024)~~**

Effective August 1, 2024, this policy shall only pertain to Reports or Formal Complaints of Sexual Harassment that are based on conduct alleged to have occurred on or before July 31, 2024.

Introduction

The Board of Education of the Washtenaw Intermediate School District (hereinafter referred to as "the Board" or "the District") does not discriminate on the basis of sex (including sexual orientation or gender identity) in its education programs or activities and is required by Title IX of the Education Amendments Act of 1972, and its implementing regulations, not to discriminate in such a manner. The requirement not to discriminate in its education program or activity extends to admission and employment. ~~[DRAFTING NOTE: In the new Title IX regulations, the term "admission" refers to admission to postsecondary institutions (i.e., institutions of graduate higher education, institutions of undergraduate higher education, institutions of professional education, and institutions of vocational education); thus, if a K-12 school does not operate a vocational program (e.g., a school or institution that has as its primary purpose preparation of students to pursue a technical, skilled, or semiskilled occupation or trade, or to pursue study in a technical field, whether or not the school or institution offers certificates, diplomas, or degrees and whether or not it offers fulltime study), the K-12 school does not officially need to include "admission and" in the preceding sentence (and where that phrase is used throughout this policy); Neola, however, has elected to include it because all K-12 schools "enroll" students and often the term "enroll" is viewed as synonymous with the term "admit." Since K-12 schools cannot discriminate when enrolling students into the education programs or activities that they operate, it seems appropriate to include the term "admission."]~~ The Board is committed to maintaining an education and work environment that is free from discrimination based on sex, including sexual harassment.

The Board prohibits Sexual Harassment that occurs within its education programs and activities. When the District has actual knowledge of Sexual Harassment in its education program or activity against a person in the United States, it shall promptly respond in a manner that is not deliberately indifferent.

Pursuant to its Title IX obligations, the Board is committed to eliminating Sexual Harassment and will take appropriate action when an individual is determined responsible for violating this policy. ~~Board employee~~District Employees, students, Third Party vendors and contractors, guests, and other members of the School District community who commit Sexual Harassment are subject to the full range of disciplinary sanctions set forth in this policy. The Board will provide persons who have experienced Sexual Harassment ongoing remedies as reasonably necessary to restore or preserve access to the District's education programs and activities.

Coverage

This policy applies to Sexual Harassment that occurs within the District's education programs and activities and that is committed by a member of the School District community or a Third Party.

This policy does not apply to Sexual Harassment that occurs off school grounds, in a private setting, and outside the scope of the District's education programs and activities; such Sexual Misconduct/Sexual Activity may be prohibited by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws **(X)**, and/or Employee/Administrator Handbook(s), if one exists, ~~[END OF OPTION]~~ if committed by a ~~Board~~ District employee.

Consistent with the U.S. Department of Education's implementing regulations for Title IX, this policy does not apply to Sexual Harassment that occurs outside the geographic boundaries of the United States, even if the Sexual Harassment occurs in the District's education programs or activities. Sexual Harassment that occurs outside the geographic boundaries of the United States is governed by the Student Code of Conduct if committed by a student, or by Board policies and administrative guidelines, applicable State and/or Federal laws ~~(~~ **(X)**, and/or Employee/Administrator Handbook(s), if one exists, ~~[END OF OPTION]~~ if committed by a ~~Board~~ District employee.

Definitions

Words used in this policy shall have those meanings defined herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Sexual Harassment: "Sexual Harassment" means conduct on the basis of sex that satisfies one (1) or more of the following:

A. A ~~Board employee~~District Employee conditioning the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct (often called "*quid pro quo*" harassment);

B. Unwelcome conduct determined by a reasonable person to be so severe, pervasive, ***and*** objectively offensive that it effectively denies a person equal access to the District's education program or activity; or

C. "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)A(v), or "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30).

"Sexual assault" means any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent, and the "nonforcible" sex offenses of Incest and Statutory Rape. Sexual assault includes rape, sodomy, sexual assault with an object, fondling, incest, and statutory rape.

1. *Rape* is the carnal knowledge of a person (i.e., penetration, no matter how slight, of the genital or anal opening of a person), without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

2. *Sodomy* is oral or anal sexual intercourse with another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.

3. *Sexual Assault with an Object* is using an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. An "object" or "instrument" is anything used by the offender other than the offender's genitalia.

4. *Fondling* is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. *Incest* is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by State law.

5. *Statutory Rape* is sexual intercourse with a person who is under the statutory age of consent as defined by State law.

6. *Consent* refers to words or actions that a reasonable person would understand as agreement to engage in the sexual conduct at issue. A person may be incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity. A person who is incapacitated is not capable of giving consent. ~~**[DRAFTING NOTE: The Title IX regulations do not require the Board to adopt a particular definition of "consent," but it is advisable to adopt a definition because "consent" is an element of each of the first four terms listed above. Since there are a number of different definitions of consent from which to choose, the Board should consult its local legal counsel concerning selecting a specific definition of consent that represents its position on the topic; the investigator(s) and decision-maker(s) will then uniformly apply the adopted definition.]**~~

Draft

7. *Incapacitated* refers to the state where a person does not understand and/or appreciate the nature or fact of sexual activity due to the effect of drugs or alcohol consumption, medical condition, disability, or due to a state of unconsciousness or sleep. **[~~DRAFTING NOTE: Depending on the definition of "consent" that the Board adopts, it may be necessary to define "incapacitated" in the policy. If it is not defined in the policy, it should certainly be defined in the Administrative Guideline; even if defined in the policy, the Administrative Guideline provides an opportunity to expand on the concept of "consent" and what the Board means by the term "incapacitated."~~]**

D. "Domestic violence" includes felony or misdemeanor crimes of violence committed by:

1. a current or former spouse or intimate partner of the victim;
2. a person with whom the victim shares a child in common;
3. a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner;
4. a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime occurred; or
5. any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime occurred.

E. "Dating violence" means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship shall be determined based on consideration of the length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship.

F. "Stalking" means engaging in a course of conduct directed at a specific person that would cause a reasonable person to – (1) fear for the person's safety or the safety of others; or (2) suffer substantial emotional distress.

Complainant: "Complainant" means an individual who is alleged to be the victim of conduct that could constitute Sexual Harassment.

Respondent: "Respondent" means an individual who has been reported to be the perpetrator of conduct that could constitute Sexual Harassment.

Formal Complaint: "Formal Complaint" means a document filed by a Complainant or signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting that the District investigate the allegation(s) of Sexual Harassment. At the time of filing a Formal Complaint with the District, a Complainant must be participating in or attempting to participate in the District's education program or activity. A "document filed by a complainant'' means a document or electronic submission (such as by electronic mail or through an online portal that the Board provides for this purpose) that contains the Complainant's physical or digital signature, or otherwise indicates that the Complainant is the person filing the Formal Complaint. Where the Title IX Coordinator signs a Formal Complaint, the Title IX Coordinator is not a Complainant or a party to the Formal Complaint and must not have a conflict of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

Actual Knowledge: "Actual knowledge" means notice of Sexual Harassment or allegations of Sexual Harassment to the District's Title IX Coordinator, or any District official who has the authority to institute corrective measures on behalf of the Board, or any ~~Board employee~~District Employee. The mere ability or obligation to report Sexual Harassment or to inform a student about how to report Sexual Harassment, or having been trained to do so, does not qualify an individual as one who has the authority to institute corrective measures on behalf of the District. "Notice" includes, but is not limited to, a report of Sexual Harassment to the Title IX Coordinator. This standard is not met when the only District official with actual knowledge is the Respondent.

Draft

Supportive Measures: "Supportive measures" means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or the Respondent before or after the filing of a Formal Complaint or where no Formal Complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment or deter Sexual Harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, school/campus escort services, mutual restrictions of contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus (including school buildings and facilities), ~~( )~~ **(X)** referral to Employee Assistance Program, ~~**[END OF OPTION]**~~ and other similar measures.

Education Program or Activity: "Education program or activity" refers to all operations of the District including, but not limited to, in-person and online educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all activity that occurs on school grounds or on other property owned or occupied by the Board. It also includes locations, events, and circumstances that take place off-school property/grounds over which the Board exercises substantial control over both the Respondent and the context in which the Sexual Harassment occurs.

School District community: "School District community" refers to students and ~~Board employee~~District Employees (i.e., administrators and professional and classified staff), as well as Board members, agents, volunteers, contractors, or other persons subject to the control and supervision of the Board.

Third Parties: "Third Parties" include, but are not limited to, guests and/or visitors on School District property (e.g., visiting speakers, participants on opposing athletic teams, parents), vendors doing business with or seeking to do business with the Board, and other individuals who come in contact with members of the School District community at school-related events/activities (whether on or off District property).

Inculpatory Evidence: "Inculpatory evidence" is evidence that tends to establish a Respondent's responsibility for alleged Sexual Harassment.

Exculpatory Evidence: "Exculpatory evidence" is evidence that tends to clear or excuse a Respondent from allegations of Sexual Harassment.

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the ~~Board~~ District office is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Eligible Student: "Eligible Student" means a student who has reached eighteen (18) years of age or is attending an institution of postsecondary education.

Title IX Coordinator(s)

The Board of Education designates and authorizes the following individual(s) to oversee and coordinate its efforts to comply with Title IX and its implementing regulations:

~~**[DRAFTING NOTE: Neola suggests the Board consider appointing both a male and a female Title IX Coordinator. The Board must list either the Name *or* Title of the Title IX Coordinator; while the Board may list both the Name *and* Title, Neola suggests that the Board consider only listing the Title in this policy (so it does not need to revise/amend its policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name *and* Title in the requisite postings (e.g., website) and publications (e.g., handbooks) ( ) and in the Administrative Guideline.]**~~

Any inquiries about the application of Title IX and its implementing regulations to the District may be referred to the Title IX Coordinator(s), the Assistant Secretary for the U.S. Department of Education's Office for Civil Rights, or both.

The Board has adopted a grievance process that provides for the prompt and equitable resolution of student and employee complaints alleging any action that is prohibited by Title IX and/or its implementing regulations. The grievance process is included in Policy 2266 – Nondiscrimination on the Basis of Sex in Education Programs or Activities, which is available at: https://go.neola.com/washisd-mi/policy/policy-manual ~~[insert the web address at which Policy 2266 can be found; or insert a hyperlink tied to the title of the policy].~~ The grievance process specifically addresses how to report or file a complaint of sex discrimination, how to report or file a formal complaint of Sexual Harassment, and how the District will respond.

The Superintendent shall also prominently display the Title IX Coordinator's(s') contact information – including name(s) and/or title(s), phone number(s), office address(es), and e-mail address(es) – and this policy on the District's website and in each handbook or catalog that the Board makes available to applicants for admission and employment, students, parents or legal guardians of elementary and secondary school students, ~~Board employee~~District Employees, and all unions or professional organizations holding collective bargaining or professional agreements.

Grievance Process

The Board is committed to promptly and equitably resolving student and employee complaints alleging Sexual Harassment. The District's response to allegations of Sexual Harassment will treat Complainants and Respondents equitably, including providing supportive measures to the Complainant and Respondent, as appropriate, and following this Grievance Process before the imposition of any disciplinary sanctions or other actions, other than supportive measures, against the Respondent.

The Title IX Coordinator(s), along with any investigator(s), decision-maker(s), or any person(s) designated to facilitate an informal resolution process, shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant or Respondent.

If a determination of responsibility for Sexual Harassment is made against the Respondent, the Board will provide remedies to the Complainant. The remedies will be designed to restore or preserve equal access to the District's education program or activity. Potential remedies include, but are not limited to, individualized services that constitute supportive measures. Remedies may also be disciplinary or punitive in nature and may burden the Respondent.

Report of Sexual Discrimination/Harassment

Any person may report sex discrimination, including Sexual Harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination or Sexual Harassment), in person, by mail, by telephone, or by electronic mail, using the Title IX Coordinator's(s') contact information listed above, or by any other means that results in the Title IX Coordinator receiving the person's oral or written report. Reports may be made at any time (including during non-business hours), by using the telephone number(s) or electronic mail address(es), or by mail to the office address(es), listed for the Title IX Coordinator(s~~-~~) or **(X)** ~~Anonymous~~anonymously through Let's Talk located on the District's website preferably through the "hidden" option ~~reports may be submitted using **( )** the online reporting form posted at _____ **[insert the web address for the reporting form, or insert a hyperlink tied to the phrase "online reporting form"** or **( )** the hotline reporting number _____ **[insert phone number].**~~

~~Students, Board members, and Board employees are required, and other members of the School District community and Third Parties are encouraged, to report allegations of sex discrimination or Sexual Harassment promptly to the/a Title IX Coordinator or to any Board employee who will, in turn, notify the/a Title IX Coordinator. **[DRAFTING NOTE: All Board employees are mandatory reporters pursuant to the Title IX regulations. Existing policy, however, also requires students and Board members to report any information they have concerning allegations of sex discrimination or Sexual Harassment. Neola suggests that the Board continue this additional requirement in this policy, along with the language encouraging other individuals to make such reports; this will coincide with similar requirements that are imposed on Board members and students in other nondiscrimination and anti-harassment policies. If the Board decides it does not want to go beyond the scope of the regulations for purposes of this policy, it should replace the first sentence of this paragraph with either of the following: "Board employees are required to report allegations of sex discrimination or Sexual Harassment promptly to the Title IX Coordinator." OR "**~~Board employee~~District Employees are required, and other members of the School District community and Third Parties are encouraged, to report allegations of sex discrimination or Sexual Harassment promptly to the/a Title IX Coordinator or to any ~~Board employee~~District Employee, who in turn will notify the/a Title IX Coordinator.~~**"]** Reports can be made orally or in writing and should be as specific as possible. The person making the report should, to the extent known, identify the alleged victim(s), perpetrator(s), and witness(es), and describe in detail what occurred, including date(s), time(s), and location(s).

If a report involves allegations of Sexual Harassment by or involving the Title IX Coordinator, the person making the report should submit it to the Superintendent, or another ~~Board employee~~District Employee who, in turn, will notify the Superintendent of the report. The Superintendent will then serve in place of the Title IX Coordinator for purposes of addressing that report of Sexual Harassment. ~~**[DRAFTING NOTE: If the Superintendent is the Title IX Coordinator, substitute "Board President" in place of "Superintendent."]**~~

The Board does business with various vendors, contractors, and other Third Parties who are not students or employees of the Board. Notwithstanding any rights that a given vendor, contractor, or Third Party Respondent may have under this policy, the Board retains the right to limit any vendor's, contractor's, or Third Party's access to school grounds for any reason. The Board further retains all rights it enjoys by contract or law to terminate its relationship with any vendor, contractor, or Third Party irrespective of any process or outcome under this policy.

A person may file criminal charges simultaneously with filing a Formal Complaint. A person does not need to wait until the Title IX investigation is completed before filing a criminal complaint. Likewise, questions or complaints relating to Title IX may be filed with the U.S. Department of Education's Office for Civil Rights at any time.

Any allegations of Sexual Misconduct/Sexual Activity not involving Sexual Harassment will be addressed through the procedures outlined in Board policies ~~((X)~~ and/or administrative guidelines ~~[END OF OPTION]~~, the applicable Student Code of Conduct, applicable collective bargaining agreement, and/or Employee/Administrator Handbook.

Because the Board is considered to have actual knowledge of Sexual Harassment or allegations of Sexual Harassment if any ~~Board employee~~District Employee has such knowledge, and because the Board must take specific actions when it has notice of Sexual Harassment or allegations of Sexual Harassment, a ~~Board employee~~District Employee who has independent knowledge of or receives a report involving allegations of sex discrimination and/or Sexual Harassment must notify the/a Title IX Coordinator within two (2) days of learning the information or receiving the report. ~~DRAFTING NOTE: The regulations do not specify within how many days the Board employee~~**District Employee** ~~must notify the Title IX Coordinator of receiving a report of Sexual Harassment; Neola suggests "two (2) days". Alternatively, the Board could make this language more open-ended – e.g., "* * * must immediately/promptly notify the/a Title IX Coordinator of such information or report."]~~ The ~~Board employee~~District Employee must also comply with mandatory reporting responsibilities pursuant to M.C.L. 722.623 and Policy 8462 – Student Abuse and Neglect, if applicable. If the ~~Board employee~~District Employee's knowledge is based on another individual bringing the information to the ~~Board employee~~District Employee's attention and the reporting individual submitted a written complaint to the ~~Board employee~~District Employee, the ~~Board employee~~District Employee must provide the written complaint to the Title IX Coordinator.

If a ~~Board employee~~District Employee fails to report an incident of Sexual Harassment of which the ~~Board employee~~District Employee is aware, the ~~Board~~ District employee may be subject to disciplinary action, up to and including termination.

When a report of Sexual Harassment is made, the Title IX Coordinator shall promptly (i.e., within two (2) days ~~[DRAFTING NOTE: The regulations do not define "promptly" or otherwise specify within how many days the contact has to be made; Neola suggests "two (2) days".]~~ of the Title IX Coordinator's receipt of the report of Sexual Harassment) contact the Complainant (including the parent/guardian if the Complainant is under eighteen (18) years of age or under guardianship) to discuss the availability of supportive measures, consider the Complainant's wishes with respect to supportive measures, inform the Complainant of the availability of supportive measures with or without the filing of a Formal Complaint, and explain to the Complainant the process for filing a Formal Complaint. The Title IX Coordinator is responsible for coordinating the effective implementation of supportive measures. Any supportive measures provided to the Complainant or Respondent shall be maintained as confidential, to the extent that maintaining such confidentiality will not impair the ability of the District to provide the supportive measures.

Emergency Removal: Subject to limitations and/or procedures imposed by State and/or Federal law, the District Superintendent or their designee may remove a student Respondent from its education program or activity on an emergency basis after conducting an individualized safety and risk analysis. The purpose of the individualized safety and risk analysis is to determine whether the student Respondent poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Harassment that justifies removal. If the District determines the student Respondent poses such a threat, it will so notify the student Respondent and the student Respondent will have an opportunity to challenge the decision immediately following the removal. See Policy 5610 – Emergency Removal, Suspension, and Expulsion of Students and Policy 5611 – Due Process Rights. **[**~~DRAFTING NOTE: The Board may substitute "Superintendent" or "Title IX Coordinator" in place of "District" in the first sentence. Alternatively, the Superintendent could designate, through the administrative guideline, one or more administrators, including the Title IX Coordinator, to make emergency removal decisions after conducting the individualized safety and risk analysis. In Michigan, emergency removals may only be imposed in the manner delineated in M.C.L 380.1311. Additionally,~~

~~emergency removals must be conducted in compliance with the Individuals with Disabilities Education Improvement Act and/or Section 504 of the Rehabilitation Act of 1973.]~~

If the Respondent is a non-student employee, the District may place the Respondent on administrative leave during the pendency of the grievance process.

For all other Respondents, including other members of the School District community and Third Parties, the Superintendent or their designee~~Board~~ retains broad discretion to prohibit such persons from entering onto its school grounds and other properties at any time and for any reason, whether after receiving a report of Sexual Harassment or otherwise.

Formal Complaint of Sexual Harassment

A Formal Complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information set forth above. ~~( )~~ and by _____ ~~[END OF OPTION]. [DRAFTING NOTE: The Board may set forth additional method(s) by which a Formal Complaint may be filed (e.g., online portal submission).]~~ If a Formal Complaint involves allegations of Sexual Harassment by or involving the Title IX Coordinator, the Complainant should submit the Formal Complaint to the Superintendent, who will designate another person to serve in place of the Title IX Coordinator for the limited purpose of implementing the grievance process with respect to that Formal Complaint. ~~[DRAFTING NOTE: If the Superintendent is the Title IX Coordinator, substitute "Board President" in place of "Superintendent" in the preceding sentence.]~~

When the Title IX Coordinator receives a Formal Complaint or signs a Formal Complaint, the District will follow its Grievance Process, as set forth herein. Specifically, the District will undertake an objective evaluation of all relevant evidence – including both inculpatory and exculpatory evidence – and provide that credibility determinations will not be based on a person's status as a Complainant, Respondent, or witness.

It is a violation of this policy for a Complainant(s), Respondent(s), and/or witness(es) to knowingly make false statements or knowingly submit false information during the grievance process, including intentionally making a false report of Sexual Harassment or submitting a false Formal Complaint. The Board will not tolerate such conduct, which is a violation of the Student Code of Conduct **(X)** and the Employee/Administrator Handbook if one exists. ~~[DRAFTING NOTE: The Board should confirm/verify that its Student Code of Conduct and any Employee/Administrator Handbook(s) include a prohibition against intentionally making a false report, submitting a false Formal Complaint, or making a false statement or submitting false information during a Title IX grievance process. Such misconduct should be a sanctionable offense pursuant to the Student Code of Conduct and Employee/Administrator Handbook(s).]~~

The Respondent is presumed not responsible for the alleged conduct until a determination regarding responsibility is made at the conclusion of the grievance process.

Timeline

The District will seek to conclude the grievance process, including resolving any appeals, within sixty (60) business days of receipt of the Formal Complaint. ~~[DRAFTING NOTE: The Title IX regulations do not specify a deadline for completing the grievance process; Neola suggests sixty (60) days (i.e., twelve (12) weeks) based on the following considerations: (1) within two (2) days of receipt of the Formal Complaint, the Title IX Coordinator sends requisite notice to parties; (2) two (2) weeks (fourteen (14) calendar days) to investigate (remember the need for advance written notice to a party and adequate time for the party to prepare before any interviews/hearings/meetings; time for parties to present witnesses (including expert witnesses) and other inculpatory or exculpatory evidence); (3) at the conclusion of the investigation and before finalizing the investigative report, two (2) weeks (a minimum of ten (10) calendar days) for the parties to review the evidence and submit their feedback; (4) up to a week (i.e., seven (7) calendar days) for the investigator to consider such feedback and prepare the investigative report; (5) two (2) weeks (a minimum of ten (10) calendar days) for the parties to review the investigative report and submit questions and receive answers to questions submitted to parties and witnesses (if the Board permits hearings, the hearing cannot occur until the Complainant and Respondent have had a minimum of ten (10) calendar days to review the investigative report); (6) a week (i.e., seven (7)~~

~~calendar days) for the decision-maker(s) to prepare the decision; (7) up to a week (Neola suggests three (3) to five (5) calendar days) for the parties to review the decision and submit a notice of appeal; (8) a week (seven (7) calendar days) for the parties to submit their written statements in support of or in opposition to the appeal; and (9) a week (seven (7) calendar days) for the appeal decision-maker(s) to prepare a final decision. Any informal resolution process could impact this schedule. Given this fairly aggressive timeline, the Board may want to remove the appeal process from this timeline – i.e., delete the phrase ", including resolving any appeals," from the sentence, which would allow more time for potential use of the informal resolution process. Further, the preceding schedule does not provide time for a hearing that could further extend the timeline needed to complete the grievance process.]~~

If the Title IX Coordinator offers informal resolution processes, the informal resolution processes may not be used by the Complainant or Respondent to unduly delay the investigation and determination of responsibility. The timeline, however, may be subject to a temporary delay of the grievance process or a limited extension for good cause with written notice to the Complainant and the Respondent of the delay or extension and the reasons for the action. Good cause may include considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; and the need for language assistance or accommodation of disabilities. ~~[DRAFTING NOTE: The Board should consult with its local legal counsel on a case-by-case basis to determine whether there may be other reasons/good cause for a delay or extension of time – e.g., the complexity and severity of the matter, or school breaks.] (~~ **(X)** The Title IX Coordinator will provide the parties with reasonable updates on the status of the grievance process.

Upon receipt of a Formal Complaint, the Title IX Coordinator will provide written notice of the following to the parties who are known:

A. Notice of the Board's grievance process, including any informal resolution processes;

B. Notice of the allegations of misconduct that potentially constitutes Sexual Harassment as defined in this policy, including sufficient details known at the time and with sufficient time to prepare a response before any initial interview. Sufficient details include the identities of the parties involved in the incident, if known, the conduct allegedly constituting Sexual Harassment, and the date and location of the alleged incident, if known. The written notice must:

   1. include a statement that the Respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility will be made at the conclusion of the grievance process;

   2. inform the parties that they may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence;

   3. inform the parties of any provision in the Student Code of Conduct **(X)**, this policy, ~~(~~ ~~)~~ ~~and/or Employee/Administrator Handbook~~ ~~[DRAFTING NOTE: While the Title IX regulations only reference "code of conduct" Neola suggests that the Board reference other applicable documents that expressly prohibit an individual from making false statements or knowingly submitting false information as part of the grievance process]~~ that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

~~[DRAFTING NOTE: The Title IX regulations do not define "upon receipt" or otherwise specify within how many days the notice must be sent; Neola suggests the Title IX Coordinator send the notice within "two (2) days" of receipt of the Formal Complaint; this suggestion is memorialized in the corresponding Administrative Guideline. Please note, however, that it could be argued that the notice should be sent sooner. Regardless, the Title IX Coordinator should have a template notice form available that can be quickly completed with the requisite information after receipt of the Formal Complaint.]~~

If, during the course of the investigation, the investigator becomes aware of allegations about the Complainant or Respondent that are not included in the original notice provided to the parties, the investigator will notify the Title IX Coordinator and the Title IX Coordinator will decide whether the investigator should investigate the additional allegations; if the Title IX Coordinator decides to

include the new allegations as part of the investigation, the Title IX Coordinator will provide notice of the additional allegations to the parties whose identities are known.

Dismissal of a Formal Complaint

The District shall investigate the allegations in a Formal Complaint *unless* the conduct alleged in the Formal Complaint:

A. would not constitute Sexual Harassment (as defined in this policy) even if proved;

B. did not occur in the District's education program or activity; or

C. did not occur against a person in the United States.

If one (1) of the preceding circumstances exist, the Title IX Coordinator *shall* dismiss the Formal Complaint. If the Title IX Coordinator dismisses the Formal Complaint due to one (1) of the preceding reasons, the District may still investigate and take action with respect to such alleged misconduct pursuant to another provision of an applicable code of conduct, Board policy, and/or Employee/Administrator Handbook if one exists.

The Title IX Coordinator *may* dismiss a Formal Complaint, or any allegations therein, if at any time during the investigation ~~(~~ **(X)** or hearing ~~**[DRAFTING NOTE: Select this option if the Board permits hearings.]**~~:

A. a Complainant notifies the Title IX Coordinator in writing that the Complainant would like to withdraw the Formal Complaint or any allegations therein;

B. the Respondent is no longer enrolled in the District or employed by the ~~Board~~District; or

C. specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the Formal Complaint or allegations therein.

If the Title IX Coordinator dismisses a Formal Complaint or allegations therein, the Title IX Coordinator must promptly send written notice of the dismissal and the reason(s) therefor simultaneously to the parties.

Consolidation of Formal Complaints

The Title IX Coordinator may consolidate Formal Complaints as to allegations of Sexual Harassment against more than one (1) Respondent, or by more than one (1) Complainant against one (1) or more Respondents, or by one (1) party against the other party, where the allegations of Sexual Harassment arise out of the same facts or circumstances.

Where a grievance process involves more than one (1) Complainant or more than one (1) Respondent, references in this policy to the singular ''party,'' ''Complainant,'' or ''Respondent'' include the plural, as applicable.

~~**[DRAFTING NOTE: The Board may adopt provisions, rules, or practices other than those required by the Title IX regulations as part of its grievance process for handling Formal Complaints of Sexual Harassment, provided they apply equally to both parties and do not violate the language in the regulations. The Board should discuss this option with its local legal counsel.]**~~

Informal Resolution Process

Under no circumstances shall a Complainant be required as a condition of enrollment or continuing enrollment, or employment or continuing employment, or enjoyment of any other right, to waive any right to an investigation and adjudication of a Formal Complaint of Sexual Harassment. Similarly, no party shall be required to participate in an informal resolution process.

Draft

If a Formal Complaint is filed, the Title IX Coordinator may offer to the parties an informal resolution process. If the parties mutually agree to participate in the informal resolution process, the Title IX Coordinator shall designate a trained individual to facilitate an informal resolution process, such as mediation, that does not involve a full investigation and adjudication. The informal resolution process may be used at any time prior to the decision-maker(s) reaching a determination regarding responsibility.

If the Title IX Coordinator is going to propose an informal resolution process, the Title IX Coordinator shall provide to the parties a written notice disclosing:

A. the allegations;

B. the requirements of the informal resolution process including the circumstances under which it precludes the parties from resuming a Formal Complaint arising from the same allegations; and

C. any consequences resulting from participating in the informal resolution process, including the records that will be maintained or could be shared.

Any time prior to agreeing to a resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the Formal Complaint.

Before commencing the informal resolution process, the Title IX Coordinator shall obtain from the parties their voluntary, written consent to the informal resolution process.

During the pendency of the informal resolution process, the investigation and adjudication processes that would otherwise occur have stayed and all related deadlines are suspended.

The informal resolution process is not available to resolve allegations that a ~~Board~~ District employee **(X)** or another adult member of the School District community or Third Party ~~**[END OF OPTION]**~~ sexually harassed a student. ~~**[DRAFTING NOTE: The Title IX regulations prohibit the use of an informal resolution process when the allegations involve a Board employee**~~**District Employee** ~~**sexually harassing a student; Neola suggests that it also may not be appropriate to use informal resolution processes when a Third Party is alleged to have sexually harassed a student. Since this is not a requirement, it is offered as an option. If the optional language is not selected, the Board retains the discretion to use informal resolution processes as may be determined appropriate by the Title IX Coordinator on a case-by-case basis.]**~~

~~**[**~~ **[X]** The informal resolution process is not available to resolve allegations involving a sexual assault involving a student Complainant and a student Respondent. ~~**[DRAFTING NOTE: While this language is not required by the Title IX regulations, Neola suggests the Board select this option because of the severity of this type of Sexual Harassment.]**~~

Investigation of a Formal Complaint of Sexual Harassment

In conducting the investigation of a Formal Complaint and throughout the grievance process, the burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility is on the District, not the parties.

In making the determination of responsibility, the decision-maker(s) is(are) directed to use the ~~(~~ **X)** preponderance of the evidence standard ~~**( )** clear and convincing evidence standard~~. The decision-maker(s) is charged with considering the totality of all available evidence from all relevant sources.

~~**[DRAFTING NOTE: Neola suggests the Board adopts the "preponderance of the evidence standard." The preponderance of the evidence standard is an equitable standard of proof and the legal standard by which most civil lawsuits, including civil rights claims, are adjudicated in the United States. This standard requires the decision-maker(s) to determine that there is a greater than fifty percent (50%) likelihood (i.e., it is more probable/likely than not) that the Respondent engaged in the alleged Sexual Harassment. The "clear and convincing evidence standard," on the other hand, is a higher standard of evidence, in which the**~~

~~District would need to show to the decision-maker(s) that the truth of the allegations is highly probable (i.e., that the contention is substantially more likely to be true than untrue). Some argue that using the clear and convincing standard may skew the playing field toward the Respondent by enhancing protection for the Respondent at the expense of the Complainant. The same standard of evidence must be applied for Formal Complaints against students as is applied to Formal Complaints against employees, and the same standard of evidence must be used for all Formal Complaints of Sexual Harassment.]~~

The District is not permitted to access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in the professional's or paraprofessional's capacity or assisting in that capacity, and which are made and maintained in connection with the provision of treatment to the party unless the party provides the District with voluntary, written consent to do so; if a student party is not an Eligible Student, the District must obtain the voluntary, written consent of a parent.

Similarly, the investigator(s) and decision-maker(s) may not require, allow, rely upon, or otherwise use questions or evidence that constitute, or seek disclosure of, information protected under a legally recognized privilege unless the person holding such privilege has waived the privilege in writing.

As part of the investigation, the parties have the right to:

A. present witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence; and

B. have others present during any grievance proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice, who may be, but is not required to be, an attorney. The District may not limit the choice or presence of an advisor for either the Complainant or Respondent in any meeting or grievance proceeding.

Both parties shall have an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the Formal Complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation.

If a party or witness does not submit to cross-examination at the hearing, the decision-maker(s) must not rely on any statement of that party or witness in reaching a determination regarding responsibility; provided, however, that the decision-maker(s) cannot draw an inference about the determination regarding responsibility based solely on a party's or witness's absence from the hearing or refusal to answer cross-examination or other questions.

5. long-term suspension or expulsion;
6. any other sanction authorized by the Student Code of Conduct.

If the decision-maker(s) determines the student Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including disciplinary sanctions/consequences. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with Policy 5600 – Student Discipline, Policy 5605 – Suspension/Expulsion of Students with Disabilities, Policy 5610 – Emergency Removal, Suspension, and Expulsion of Students, Policy 5610.02 - In-School Discipline, and Policy 5611 – Due Process Rights. Discipline of a student Respondent must comply with the applicable provisions of the Individuals with Disabilities Education Improvement Act (IDEA) and/or Section 504 of the Rehabilitation Act of 1972, and their respective implementing regulations.

The following disciplinary sanctions/consequences may be imposed on an employee Respondent who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

The following disciplinary sanctions/consequences may be imposed on a non-student/non-employee member of the School District community or Third Party who is determined responsible for violating this policy (i.e., engaging in Sexual Harassment):

A. ~~(~~**(X)** written notification to the third-party's employer or contractor;~~oral or written warning~~;

E. any combination of the same.

If the decision-maker(s) determines the Third Party Respondent is responsible for violating this policy (i.e., engaging in Sexual Harassment), the decision-maker(s) will recommend appropriate remedies, including the imposition of sanctions. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so appropriate action can be taken.

The decision-maker(s) will provide the written determination to the Title IX Coordinator who will provide the written determination to the parties simultaneously.

In ultimately imposing a disciplinary sanction/consequence, the Superintendent will consider the severity of the incident, previous disciplinary violations (if any), and any mitigating circumstances.

The District's resolution of a Formal Complaint ordinarily will not be impacted by the fact that criminal charges involving the same incident have been filed or that charges have been dismissed or reduced.

At any point in the grievance process, the Superintendent may involve local law enforcement and/or file criminal charges related to allegations of Sexual Harassment that involve a sexual assault.

The Title IX Coordinator is responsible for the effective implementation of any remedies.

Appeal

Both parties have the right to file an appeal from a determination regarding responsibility, or from the Title IX Coordinator's dismissal of a Formal Complaint or any allegations therein, on the following bases:

A. procedural irregularity that affected the outcome of the matter (e.g., material deviation from established procedures);

B. new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and

C. the Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the individual Complainant(s) or Respondent(s) that affected the outcome of the matter.

Nothing herein shall prevent the Superintendent from implementing appropriate remedies, however, excluding disciplinary sanction, while the appeal is pending.

As to all appeals, the Title IX Coordinator will notify the other party in writing when an appeal is filed and implement appeal procedures equally for both parties.

The decision-maker(s) for the appeal shall not be the same person(s) as the decision-maker(s) that reached the determination regarding responsibility or dismissal, the investigator(s), or the Title IX Coordinator(s). The decision-maker(s) for the appeal shall not have a conflict of interest or bias for or against Complainants or Respondents generally or an individual Complainant(s) or Respondent(s) and shall receive the same training as required of other decision-makers.

Both parties shall have a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome. **[DRAFTING NOTE: Select OPTION 1, OPTION 2, OPTION 3, or OPTION 4.]**

Alternatively, in order to expedite the appeal, the Board could select OPTION 4 and require the appealing party to submit his/her written statement challenging the determination of responsibility at the same time s/he submits his/her notice of appeal. The nonappealing party would then be permitted to submit a written statement in support of the determination of responsibility within the same number of days that the appealing party had to submit the notice of appeal/statement challenging the determination of responsibility (e.g., three (3) or five (5) days, depending on the appeal deadline selected above).]~~

The written decision will be provided to the Title IX Coordinator who will provide it simultaneously to both parties. The written decision will be issued within _five____ (_5_) days of when the parties' written statements were submitted. ~~[DRAFTING NOTE: If the Board indicated above an intent to ordinarily complete the grievance process, including any appeal, within sixty (60) days of receipt of the Formal Complaint, Neola suggests that the deadline for the decision-maker(s) of the appeal to issue the final decision be set at "within five (5) days" of the date the parties submitted their written statements, or the date a last written statement is submitted pursuant to Option 3 or Option 4.]~~

The determination of responsibility associated with a Formal Complaint, including any recommendations for remedies/disciplinary sanctions, becomes final when the time for filing an appeal has passed or, if an appeal is filed, at the point when the decision-maker(s) for the appeal's decision is delivered to the Complainant and the Respondent. ~~(~~**(X)** No further review beyond the appeal is permitted.

Retaliation

Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including charges against an individual for code of conduct violations that do not involve sex discrimination or Sexual Harassment, but arise out of the same facts or circumstances as a report or complaint of sex discrimination, or a report or Formal Complaint of Sexual Harassment, for the purpose of interfering with any right or privilege secured by Title IX, its implementing regulations, or this policy, constitutes retaliation. Retaliation against a person for making a report of Sexual Harassment, filing a Formal Complaint, or participating in an investigation ~~(~~**(X)** and/or hearing ~~[DRAFT NOTE: Select this option if the Board permits hearings.]~~ is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the grievance process set forth above.

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a grievance proceeding under this policy shall not constitute retaliation, provided, however, that a determination regarding responsibility, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Confidentiality

The District will keep confidential the identity of any individual who has made a report or complaint of sex discrimination, including any individual who has made a report or filed a Formal Complaint of Sexual Harassment, any Complainant, any individual who has been reported to be the perpetrator of sex discrimination, any Respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law,

Draft

or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the Complainant's and Respondent's receipt of the information to which they are entitled related to the investigative record and determination of responsibility).

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution ~~[~~**[X]** and the principles of academic freedom as set forth in the applicable collective bargaining agreement. In no case will a Respondent be found to have committed Sexual Harassment based on expressive conduct that is protected by the First Amendment ~~[~~**[X]** and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers.

Training

The District's Title IX Coordinator, along with any investigator(s), decision-maker(s), or person(s) designated to facilitate an informal resolution process, must receive training on:

A. the definition of Sexual Harassment (as that term is used in this policy);

B. the scope of the District's education program or activity;

C. how to conduct an investigation and implement the grievance process ~~[~~**[X]** that includes hearings, ~~[DRAFTING NOTE: Select this option if the Board permits hearings].~~ appeals, and informal resolution processes, as applicable; and

D. how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interests, and bias.

~~[~~**[X]** All ~~Board employee~~District Employees will be trained concerning their legal obligation to report Sexual Harassment to the Title IX Coordinator. This training will include practical information about how to identify and report Sexual Harassment. ~~[DRAFTING NOTE: While the Title IX regulations do not specifically require this training, it is critical that the Board train all of the employees concerning this legal obligation since the Board will be considered to have "actual knowledge" of Sexual Harassment if any Board employee has notice of such conduct.]~~

Recordkeeping

As part of its response to alleged violations of this policy, the District shall create, and maintain for a period of seven (7) calendar years, records of any actions, including any supportive measures, taken in response to a report or Formal Complaint of Sexual Harassment. In each instance, the District shall document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the District's education program or activity. If the District does not provide a Complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances. The documentation of certain bases or measures does not limit the District in the future from providing additional explanations or detailing additional measures taken.

The District shall maintain for a period of seven (7) calendar years the following records:

A. each Sexual Harassment investigation including any determination regarding responsibility ~~[~~**[X]** and any audio or audiovisual recording or transcript that is made of any hearing ~~[DRAFTING NOTE: Select this option if the Board permits live hearings.]~~, any disciplinary sanctions recommended and/or imposed on the Respondent(s), and any remedies provided to the Complainant(s) designed to restore or preserve equal access to the District's education program or activity;

B. any appeal and the result therefrom;

Draft

C. any informal resolution and the result therefrom; and

D. all materials used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.

The District will make its training materials publicly available on its website. ~~[~~ **[X]** If a person is unable to access the District's website, the Title IX Coordinator will make the training materials available upon request for inspection by members of the public.

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not ~~Board employee~~District Employees to fulfill any function of the Board under this policy, including, but not limited to, Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor.

The Superintendent may delegate functions assigned to a specific ~~Board employee~~District Employee under this policy including, but not limited to, the functions assigned to the Title IX Coordinator, investigator, decision-maker, decision-maker for appeals, facilitator of informal resolution processes, and advisor to any suitably qualified individual and such delegation may be rescinded by the Superintendent at any time.

~~**[DRAFTING NOTE: The following option expressly sets forth authority that the Board has regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.]**~~

~~[~~ **[X] Discretion in Application**

The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific Complainant and/or Respondent.

Despite the Board's reasonable efforts to anticipate all eventualities in drafting this policy, it is possible unanticipated or extraordinary circumstances may not be specifically or reasonably addressed by the express policy language, in which case the Board retains discretion to respond to the unanticipated or extraordinary circumstance in a way that is not clearly unreasonable.

The provisions of this policy are not contractual in nature, whether in their own right, or as part of any other express or implied contract. Accordingly, the Board retains discretion to revise this policy at any time, and for any reason. The Board may apply policy revisions to an active case provided that doing so is not clearly unreasonable.

2264 - **NONDISCRIMINATION ON THE BASIS OF SEX IN EDUCATION PROGRAMS OR ACTIVITIES**

This policy pertains to sex discrimination, including sex-based harassment, which occurs on or after August 1, 2024. Allegations of sex-based harassment, that occur on or before July 31, 2024, shall be addressed pursuant to Policy 2266 ~~( )~~ and AG 2266 ~~**[END OF OPTION]**~~. Throughout this policy, unless expressly stated otherwise, reference to "Title IX" includes and incorporates the 2024 Title IX regulations (also known as the "2024 Final Rule"). The Title IX regulations are found at 34 CFR Part 106. References solely to Title IX (20 U.S.C. §§ 1681 – 1688) are denoted as "Title IX (Statute)." In this policy, unless the context otherwise requires, words importing the singular include the plural and vice versa.

~~**[DRAFTING NOTE: The 2024 Final Rule serves to "clarify the scope and application of Title IX and the obligations of recipients of Federal financial assistance from the United States Department of Education ["ED"]…to provide an educational environment free from discrimination on the basis of sex, including through responding to incidents of sex discrimination." The 2024 Final Rule stresses – in its Supplementary Information section (i.e., "Preamble") – that ED is responsible for "fully [enforcing] Title IX's nondiscrimination mandate."**~~

~~**The 2024 Title IX regulations are effective August 1, 2024. As such, they apply *only* to sex discrimination that allegedly occurred on or after August 1, 2024. With respect to sex discrimination that allegedly occurred prior to August 1, 2024, regardless of when the alleged sex discrimination was reported, ED has stated that it will "evaluate a recipient's compliance against the Title IX statute and the Title IX regulations in place at the time that the alleged sex discrimination occurred." The 2020 Title IX regulations (effective 8/14/2020) focus on effectuating Title IX's prohibition against sex discrimination by requiring recipients to address sexual harassment as a form of sex discrimination in education programs or activities. The 2020 Title IX regulations obligate recipients to respond promptly and supportively to persons alleged to be victimized by sexual harassment, resolve allegations of sexual harassment promptly and accurately under a predictable, fair grievance process that provides due process protections to alleged victims and alleged perpetrators of sexual harassment, and effectively implement remedies for victims. The 2020 Title IX regulations do not provide procedures for addressing claims of sex discrimination in a recipient's education program or activity that are unrelated to sexual harassment. As such, ED states in the Preamble to the 2024 Title IX regulations that "some reports regarding sex discrimination occurring in a recipient's education program or activity may be handled under [the 2024 Title IX regulations] while others will be addressed under the requirements of the [2020 Title IX regulations]." (emphasis added) Presumably, the "will" relates to reports of sexual harassment (or "sex-based harassment" as defined in the 2024 Title IX regulations) that allegedly occurred prior to 8/1/2024, and the "may" refers to reports of alleged sex discrimination that occurred prior to 8/1/2024 that involve non-sexual harassment related violations of Title IX (Statute).**~~

~~**Since a recipient is not required to use the grievance procedures outlined in the 2024 Title IX regulations (and this policy) to investigate, address, and remedy alleged violations of Title IX – not involving sex based harassment – that occurred before 8/1/2024 in the school district's education programs or activities (again, allegations of sexual harassment that involve conduct that occurred before 8/1/2024 must be addressed pursuant to the grievance procedures delineated in Policy 2266 and AG 2266), the Title IX Coordinator is afforded broad discretion to determine how best to address in a prompt, effective and equitable manner such Title IX violations.**~~

NONDISCRIMINATION

Overview:

The Board of Education of the Washtenaw School District (hereinafter referred to as "the Board" or "the District") does not discriminate on the basis of sex and prohibits sex discrimination in any education program or activity that it operates, as required by Title IX, including in admission and employment.

~~**[DRAFTING NOTE: For purposes of the 2024 Title IX regulations, the term "admission" refers to admission to postsecondary institutions (i.e., institutions of graduate higher education, institutions of undergraduate higher education, institutions of professional education, and institutions of vocational education). If a K-12 school does not operate a vocational program (e.g., a school or institution that has as its primary purpose preparation of students to pursue a technical, skilled, or semiskilled occupation or trade, or to pursue study in a technical field, whether or not the school or institution offers certificates, diplomas, or degrees and whether or not it offers fulltime study), the K-12 school does not have to include "admission and" in the preceding sentence (and where that phrase is used throughout this policy); Neola, however, recommends that boards include it because all K-12 schools "enroll" students and often the term "enroll" is viewed as synonymous with the term "admit." Further, K-12 schools cannot discriminate when enrolling students into the education programs or activities that they operate, so it seems reasonable to include the term "admission." Additionally, many districts operate adult-based vocational programs and/or have students dual enrolled in post-secondary institutions – e.g., through Michigan's Dual Enrollment – and/or youth apprenticeship programs, so it makes sense to include "admission" even though those postsecondary institutions will have their own Title IX nondiscrimination policies and grievance procedures. If a student enrolled in/admitted to one of these programs notifies the District that the student was allegedly subjected to sex discrimination during/through the student's participation in the program, the Title IX Coordinator should consult with the Board's Legal Counsel regarding the District's responsibility to implement the District's grievance procedures to address the allegations of sex discrimination and provide supportive measures. The Title IX Coordinator should also contact and coordinate with the postsecondary institution's Title IX Coordinator concerning the matter.]**~~

Discrimination on the basis of sex includes discrimination on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and gender identity.

~~**[DRAFTING NOTE: Shortly after the 2024 Final Rule was released, a number of States filed lawsuits to stop implementation of the new regulations. As of May 23, 2024, no court has issued an injunction or preliminary restraining order to prevent the 2024 Final Rule from going into effect on August 1, 2024. Neola is monitoring the litigation across the country and will notify its clients if any court action limits or prevents Michigan school districts from implementing the 2024 Title IX regulations and, in turn, replacement Policy 2264 and replacement AG 2264.**~~

~~**Unlike a couple of years ago when several States challenged in court a legal guidance document that ED released interpreting the U.S. Supreme Court's Bostock decision (Bostock v. Clayton County, 590 U.S. (2020), as applying to Title IX and therefore protecting individuals from discrimination based on their sexual orientation or gender identity, the 2024 Title IX regulations "carry the force and effect of law" as a result of ED going through the notice and comment rulemaking process prior to promulgating them.**~~

~~**While the pending lawsuits each seek to void, cancel, or otherwise block ED from implementing the 2024 Final Rule, they each present slightly different bases for challenging the 2024 Title IX regulations. All of them, however, express an underlying or primary concern related to an alleged expansion of the term "sex" to include sexual orientation and gender identity. While these plaintiffs, to date, contend the 2020 Bostock decision – which involved Title VII – does**~~

Draft

~~not apply to Title IX, Neola has interpreted "sex" to include "sexual orientation and gender identity" for a number of years pre-dating Bostock based on applicable Sixth Circuit case law (see Dodd v. U.S. Dept. of Education, 845 F.3d 217 (6th Cir. 2016) (holding that discrimination against transgender students likely constitutes sex discrimination under Title IX of the Education Amendments Act of 1972 and the Equal Protection Clause of the U.S. Constitution); since that time, even more Circuit courts have upheld such an interpretation (e.g., Whitaker v. Kenosha Unified School District, 858 F.3d 1034 (7th Cir. 2017) (holding that discrimination against transgender students constitutes sex discrimination under Title IX of the Education Amendments Act of 1972 and the Equal Protection Clause of the U.S. Constitution). In fact, original Policy 2266, which Neola developed in 2020 following ED releasing the 2020 Title IX regulations, expressly provides that "sex" includes "sexual orientation and gender identity").~~

~~Other concerns raised in the lawsuits primarily deal with aspects of the rules that have a more significant role in the postsecondary setting as opposed to the K-12 education environment; namely, the use of a single investigator/decisionmaker model, and a purported reduction in the due process rights afforded to the accused (i.e., whether the respondent is entitled to a live hearing and the ability to cross-examine parties and witnesses prior to a decisionmaker rendering a determination of responsibility – which is something that is an option for K-12 schools under the 2020 Title IX regulations but was rarely selected.]~~

The ~~Board~~ District is committed to maintaining an education and work environment that is free from sex discrimination (including sex-based harassment), responding promptly and effectively when it has knowledge of conduct that reasonably may constitute sex discrimination, and addressing sex discrimination in its education program or activity. Persons who commit sex-based harassment are subject to the full range of disciplinary sanctions set forth in this policy. The ~~Board~~ District will provide persons who have experienced sex-based harassment ongoing remedies as reasonably necessary to restore or preserve access to the District's education program or activity.

KEY DEFINITIONS

Words used in this policy shall have those meanings specified herein; words not defined herein shall be construed according to their plain and ordinary meanings.

Complainant means:

A. a student or employee who is alleged to have been subjected to conduct that could constitute sex discrimination under Title IX; or

B. a person other than a student or employee who is alleged to have been subjected to conduct that could constitute sex discrimination under Title IX and who was participating or attempting to participate in the District's education program or activity at the time of the alleged sex discrimination.

Complaint means: an oral or written request to the District that objectively can be understood as a request for the District to investigate and make a determination about alleged discrimination under Title IX.

~~**[OPTIONAL LANGUAGE]**~~

~~**[ ] Confidential employee** means:~~

~~A. a Board employee whose communications are privileged under Federal or State law; or~~

~~The employee's confidential status, for purposes of this policy, is only with respect to information received while~~

Draft

the employee is functioning within the scope of their duties to which privilege or confidentiality applies.

B. a Board employee whom the Board has designated as confidential under this policy for the purpose of providing services to persons related to sex discrimination;

If the employee also has a duty not associated with providing these services, the employee's confidential status is only with respect to information received about sex discrimination in connection with providing these services.

C. the Board designates individuals **( )** assigned to/holding the following positions **( )** with the following Job Titles **[END OF OPTIONS]** to be confidential employees for purposes of this policy:

1. **( )** school counselor;

2. **( )** social worker;

3. **( )** school psychologist;

4. **( )** school nurse;

5. **( )** _____;

6. **( )** _____.

[DRAFTING NOTE:

A. **Neola does not recommend the Board include this definition or designate "confidential employees" based on:**

1. **the confusion that may result from designating a confidential employee(s) – in particular, Board-designated confidential employees will have different responsibilities as compared to ALL other Board employees when it comes to the actions they must take if a person notifies them of alleged sex discrimination;**

2. **they require additional training concerning the responsibilities mentioned in the preceding paragraph, which are different from the responsibilities required of ALL other Board employees; and**

3. **students or persons who are acting on their behalf may "lose" the "confidentiality" they are seeking if they communicate their concerns about alleged sex discrimination to a person who is not actually a confidential employee – it is safer for students, and those acting on their behalf, to operate on the assumption that if they tell a Board employee about alleged sex discrimination that the Board**

Draft

~~employee will report it to the Title IX Coordinator.~~

~~B. Unlike the postsecondary environment, there is little anticipated benefit in an elementary/secondary school setting to designating confidential employees. A person acting on behalf of a student could contact the Title IX Coordinator to obtain clarification about the Title IX grievance procedures, informal resolution process, and other options available to their child (e.g., supportive measures) without releasing any information or specifically reporting alleged sex discrimination, so there is not much gained by having the person instead speak with a confidential employee who would tell them essentially the same things.~~

~~C. Before the Board designates a confidential employee(s), it should consult with its Legal Counsel.~~

~~D. If the Board decides to designate one (1) or more confidential employees, Neola suggests that it does so by Position, Title, or Office, and not the person's name, for the reasons discussed below with respect to why it is preferable to only list the Job Title of the Title IX Coordinator in the policy, as opposed to both the Name and Title – i.e., so the Board does not have to act to amend the policy each time a different person is employed in the designated position.]~~

~~[END OPTIONAL LANGUAGE]~~

Day(s): Unless expressly stated otherwise, the term "day" or "days" as used in this policy means business day(s) (i.e., a day(s) that the ~~Board office~~ School District is open for normal operating hours, Monday – Friday, excluding State-recognized holidays).

Disciplinary sanctions means: consequences imposed on a respondent following a determination under Title IX that the respondent violated the Board's prohibition on sex discrimination.

Education program or activity refers to: all the District's operations including, but not limited to, in-person and online/remote educational instruction, employment, extracurricular activities, athletics, performances, and community engagement and outreach programs. The term applies to all activity that occurs on school grounds or on other property owned or occupied by the Board. It also includes events and circumstances that take place off school property/grounds but over which the District asserts disciplinary authority.

Eligible Student means: a student who has reached eighteen (18) years of age or is attending an institution of postsecondary education. ~~[DRAFTING NOTE: This definition is derived from, and consistent with, the corresponding definition from the Family Educational Rights and Privacy Act, 20 U.S.C. 1232g (see 20 U.S.C. 1232g(a)(4) and (d)) and its implementing regulations (see 34 C.F.R. § 99.3).]~~

Exculpatory evidence means: evidence that is favorable to a respondent because it helps excuse, justify, or absolve a respondent of alleged wrongdoing and tends to establish a respondent did not engage in sex discrimination.

Inculpatory evidence means: evidence that links a respondent to alleged wrongdoing and tends to establish a respondent engaged in sex discrimination (i.e., has culpability).

Draft

Parental status means: the status of a person who, with respect to another person who is under the age of eighteen (18) or who is eighteen (18) or older but is incapable of self-care because of a physical or mental disability, is:

A. a biological parent;

B. an adoptive parent;

C. a foster parent;

D. a stepparent;

E. a legal custodian or guardian;

F. in loco parentis with respect to such a person; or

G. actively seeking legal custody, guardianship, visitation, or adoption of such a person.

Party means: a complainant or respondent.

Peer retaliation means: retaliation by a student against another student.

Pregnancy or related conditions means:

A. pregnancy, childbirth, termination of pregnancy, or lactation;

B. medical conditions related to pregnancy, childbirth, termination of pregnancy, or lactation; or

C. recovery from pregnancy, childbirth, termination of pregnancy, lactation, or related medical conditions.

Relevant means: related to the allegations of sex discrimination under investigation as part of the Board's ~~grievance~~ complaint procedures. Questions are relevant when they seek evidence that may aid in showing whether the alleged sex discrimination occurred, and evidence is relevant when it may aid a decisionmaker in determining whether the alleged sex discrimination occurred.

Remedies means: measures provided, as appropriate, to a complainant or any other person the District identifies as having had their equal access to the District's education program or activity limited or denied by sex discrimination. These measures are provided to restore or preserve that person's access to the District's education program or activity after the District determines that sex discrimination occurred.

Respondent means: a person who is alleged to have violated the Board's prohibition on sex discrimination.

Retaliation means: intimidation, threats, coercion, or discrimination against any person by the District, a student, a Board employee, or any other person authorized by the Board to provide aid, benefit, or service under the District's education program or activity, for the purpose of interfering with any right or privilege secured by Title IX, or because the person has reported information, made a complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under the 2024 Title IX regulations.

Draft

Sex-based harassment prohibited under this policy and the 2024 Title IX regulations is a form of sex discrimination and means sexual harassment and other harassment on the basis of sex – including on the basis of sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and gender identity – that is:

A. Quid pro quo harassment. An employee, agent, or other person authorized by the Board to provide an aid, benefit, or service under the District's education program or activity explicitly or impliedly conditioning the provision of such an aid, benefit, or service on a person's participation in unwelcome sexual conduct.

OR

B. Hostile environment harassment. Unwelcome sex-based conduct that, based on the totality of the circumstances, is subjectively and objectively offensive and is so severe or pervasive that it limits or denies a person's ability to participate in or benefit from the District's education program or activity (i.e., creates a hostile environment). Whether a hostile environment has been created is a fact-specific inquiry that includes consideration of the following:

1. the degree to which the conduct affected the complainant's ability to access the District's education program or activity;

2. the type, frequency, and duration of the conduct;

3. the parties' ages, roles within the District's education program or activity, previous interactions, and other factors about each party that may be relevant to evaluating the effects of the conduct;

4. the location of the conduct and the context in which the conduct occurred; and

5. other sex-based harassment in the District's education program or activity.

OR

C. Specific offenses.

1. Sexual assault meaning an offense classified as a forcible or nonforcible sex offense under the uniform crime reporting system of the Federal Bureau of Investigation.

2. Dating violence meaning violence committed by a person:

   a. who is or has been in a social relationship of a romantic or intimate nature with the victim; and

   b. where the existence of such a relationship shall be determined based on a consideration of the following factors:

      1. the length of the relationship;

Draft

2. the type of relationship; and

3. the frequency of interaction between the persons involved in the relationship.

3. Domestic violence meaning felony or misdemeanor crimes committed by a person who:

   a. is a current or former spouse or intimate partner of the victim under the family or domestic violence laws of the jurisdiction in which the District is located, or a person similarly situated to a spouse of the victim;

   b. is cohabitating, or has cohabitated, with the victim as a spouse or intimate partner;

   c. shares a child in common with the victim; or

   d. commits acts against a youth or adult victim who is protected from those acts under the family or domestic violence laws of the applicable jurisdiction.

4. Stalking meaning engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

   a. fear for the person's safety or the safety of others; or

   b. suffer substantial emotional distress.

Student means: a person eligible to enroll in, attend, or participate in an elementary (including preschool) or secondary school in the District and who is enrolled in, attending, or participating in, or is seeking/attempting to enroll in, attend, or participate, in the District's education program or activity.

Student with a disability means: a student who is an individual with a disability as defined under Section 504 of the Rehabilitation Act of 1973, as amended ("Section 504"), or a ~~child~~ student with a disability as defined under the Individuals with Disabilities Education Improvement Act ("IDEA").

Supportive measures means: individualized measures offered as appropriate, as reasonably available, without unreasonably burdening a complainant or respondent, not for punitive or disciplinary reasons, and without fee or charge to the complainant or respondent to:

A. restore or preserve that party's access to the District's education program or activity, including measures that are designed to protect the safety of the parties or the District's educational environment; or

B. provide support during the Board's ~~grievance~~ complaint procedures or an informal resolution process.

Parental, Family, or Marital Status

The Board will not adopt or apply any policy, practice, or procedure concerning a student's current, potential, or past parental, family, or marital status that treats such a student differently on the basis of sex.

Pregnancy or Related Conditions

Students:

The Board prohibits discrimination in its education program or activity against any student based on the student's current, potential, or past pregnancy or related conditions. ~~**( )** The Board will permit a student, based on pregnancy or related conditions, to voluntarily participate in a separate portion of the District's education program or activity provided the separate portion is comparable to that offered to students who are not pregnant and do not have related conditions. **[END OF OPTION]**~~ A student who is pregnant or experiencing related conditions shall receive comparable treatment to those with temporary medical conditions. ~~**( )** In other words, to the extent not otherwise addressed above, the Board will treat pregnancy or related conditions in the same manner and under the same policies as any other medical condition with respect to any medical or hospital benefit, service, plan, or policy the Board administers, operates, offers, or participates in with respect to students admitted to the District's education program or activity. **[END OF OPTION] [DRAFTING NOTE: This last sentence is consistent with the content of the 2024 Title IX regulations, however, on its face, it appears to be more applicable to postsecondary institutions as compared to K-12 schools; hence, Neola suggests the Board determine for itself whether to include it in this policy.]**~~

The District will not require a student who is pregnant or has related conditions to provide certification from a healthcare provider or any other person that the student is physically able to participate in the District's class, program, or extracurricular activity unless:

A. the certified level of physical ability or health is necessary for participation in the class, program, or extracurricular activity;

B. the District requires such certification of all students participating in the class, program, or extracurricular activity; and

C. the information obtained is not used as a basis for discrimination prohibited by Title IX or this Policy.

District's Responsibilities with Respect to a Student's Pregnancy or Related Conditions

When a Board employee is informed of a student's pregnancy or related conditions by the student or a person who has a legal right to act on behalf of the student, the employee shall promptly provide that person with the Title IX Coordinator's contact information and inform that person that the Title IX Coordinator can coordinate specific actions to prevent sex discrimination and ensure the student's equal access to the District's education program or activity, unless the employee reasonably believes the Title IX Coordinator has already been notified.

Once a student, or a person who has a legal right to act on behalf of the student, notifies the Title IX Coordinator of the student's pregnancy or related conditions, the Title IX Coordinator shall promptly take the following specific actions to effectively prevent sex discrimination and ensure equal access to the District's education program or activity:

A. Inform the student and, if applicable, the person who notified the Title IX Coordinator of the District's obligations to:

    1. prohibit sex discrimination under this policy, including sex-based harassment;

Draft

2. provide the student with the option of reasonable modifications to the Board's policies, practices, or procedures because of pregnancy or related conditions;

3. allow access, on a voluntary basis, to any separate and comparable portion of the District's education program or activity;

4. allow a voluntary leave of absence;

5. provide lactation space; and

6. maintain ~~grievance~~ complaint procedures that provide for the prompt and equitable resolution of complaints of sex discrimination, including sex-based harassment.

B. Provide the student with voluntary reasonable modifications to the Board's policies, practices, or procedures because of pregnancy or related conditions.

C. Allow the student to take a voluntary leave of absence from the District's education program or activity to cover, at minimum, the period of time deemed medically necessary by the student's licensed healthcare provider. To the extent that a Board maintains a leave policy for students that allows a greater period of time than the medically necessary period, the Board shall permit the student to take leave under that policy instead if the student so chooses. When the student returns to the District's education program or activity, the student will be reinstated to the academic status and, as practicable, to the extracurricular status that the student held when the leave began.

D. Provide lactation space, which must be a space other than a bathroom, that is clean, shielded from view, free from intrusion from others, and may be used by a student for expressing breast milk or breastfeeding as needed.

See Policy 5751 – Parental-Married Status of Students **(X)** and Administrative Guideline 5751 – Pregnancy ~~**[END OF OPTION]**~~.

Employees:

The Board will not adopt or implement any policy, practice, or procedure, or take any employment action, on the basis of sex:

A. concerning the current, potential, or past parental, family, or marital status of an employee or applicant for employment, which treats persons differently; or

B. that is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee's or applicant's family unit.

The ~~Board~~ District also will not make a pre-employment inquiry as to the marital status of an applicant for employment, including whether such applicant is a "Miss or Mrs."

Draft

Similarly, the Board will treat pregnancy or related conditions as any other temporary medical conditions for all job-related purposes, including commencement, duration, and extensions of leave; payment of disability income; accrual of seniority and any other benefit or service; and reinstatement; and under any fringe benefit offered to employees by virtue of employment.

If an employee has insufficient leave or accrued employment time to qualify for leave under the Board's leave policy, the Board will treat pregnancy or related conditions as a justification for a voluntary leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

The ~~Board~~ District will provide reasonable break time for an employee to express breast milk or breastfeed as needed and will provide the employee with access to a lactation space, which must be a space other than a bathroom that is clean, shielded from view, free from intrusion from others, and may be used by an employee for expressing breast milk or breastfeeding as needed. See Board Policy 6700 – Fair Labor Standards Act.

TITLE IX COORDINATOR(S)

~~**[DRAFTING NOTES:**~~

~~**Neola suggests the Board appoint both a male and a female Title IX Coordinator; however, if the Board appoints more than one (1) Title IX Coordinator, it must designate one (1) of the Title IX Coordinators to retain ultimate oversight over the assigned responsibilities and ensure the Board's consistent compliance with its responsibilities under Title IX. Alternatively, the Board could appoint a Title IX Coordinator and one (1) or more persons to assist the Title IX Coordinator with performance of the responsibilities identified in this policy and the 2024 Title IX regulations. Often the persons designated to assist a Title IX Coordinator are called: Deputy or Assistant Title IX Coordinator, or Title IX Administrator, or Title IX Compliance Officer. If the Board elects this alternative approach, it would only designate a Title IX Coordinator for purposes of this policy, but it would designate the other positions through its AG. The persons in the alternative support roles will need to be trained in the same manner as the Title IX Coordinator (see AG 2264).**~~

~~**The Board must list either the Name(s) or Title(s) of the Title IX Coordinator(s); while the Board may list both the Name(s) and Title(s), Neola suggests that the Board only list the Title(s) in this policy (so the Board does not need to revise/amend the policy whenever there is a change in the actual person(s) holding the designated position(s)), but list both the Name(s) and Title(s) in the requisite notices/postings (e.g., website) and publications (e.g., handbooks). The District will also need to decide whether to list the Name(s) and Title(s), or just the Title(s), in Administrative Guideline 2264 if the District elects to identify the Title IX Coordinator in the AG (see DRAFTING NOTE in the AG; again, if the District lists the Name(s) and Title(s), it will need to remember to update the AG whenever there is a change in the actual person(s) holding the designated position(s). No matter what, the Board will need to amend its policy and update its AG, requisite notices/postings, and publications, whenever it changes the Title of the position(s) designated to serve as the Title IX Coordinator(s).**~~

~~**Reminder: Whenever a new person begins to serve as the Title IX Coordinator (or in a support role to the Title IX Coordinator), the District needs to make sure the new person is appropriately trained, in a timely manner, to fulfill the responsibilities of the Title IX Coordinator position as specified the 2024 Title IX regulations and AG 2264.]**~~

Likewise, the District may want to establish a static Telephone Number for the position of Title IX Coordinator that can be forwarded to, and accessed by, the actual person(s) serving in the Title IX Coordinator position(s) at any given time. Notice of Nondiscrimination

The Superintendent shall provide a notice of nondiscrimination to students, parents, guardians, or other authorized legal representatives of elementary and secondary students; employees; applicants for admission and employment; and all unions and professional organizations holding collective bargaining or professional agreements with the Board. ~~**GRIEVANCE**~~ **COMPLAINT PROCEDURES**

Overview:

The Board adopts the following ~~grievance~~ complaint procedures to provide for the prompt and equitable resolution of complaints made by students, employees, or other individuals who are participating or attempting to participate in the

District's education program or activity, or by the Title IX Coordinator, alleging any action that would be prohibited by Title IXg.

These ~~grievance~~ complaint procedures shall be used for all complaints of sex discrimination, including sex-based harassment, involving conduct alleged to have occurred on or after August 1, 2024. These grievance procedures also may be used, at the discretion of the Title IX Coordinator, to investigate, address, and remedy (as necessary) conduct alleged to have occurred before August 1, 2024, that does not involve sex-based harassment, but some other form of sex discrimination prohibited by Title IX (Statute) – e.g., claims of unequal athletic opportunities, admissions discrimination, discrimination in courses or academic programs (i.e., excluding students from certain classes or programs based on their sex), pregnancy discrimination, unequal treatment based on parental, family, or marital status, discrimination in employment (including in hiring, promotion, and compensation), and retaliation. If the Title IX Coordinator elects not to use these ~~grievances~~ complaint procedures to investigate and resolve such claims, the Title IX Coordinator will still need to implement some procedures to assess – in a prompt, effective, and equitable manner – whether Title IX (Statute) was violated, and, if it was, how best to end the sex discrimination in the District's education program or activity, prevent its recurrence, and remedy its effects.

~~**[DRAFTING NOTE: Title VII of the Civil Rights Act of 1964 ("Title VII") and Title IX are both Federal laws that prohibit discrimination in employment, but they differ in their focus. Title VII prohibits employment discrimination based on race, color, religion, sex, or national origin, and applies to employers with fifteen (15) or more employees. Title IX, on the other hand, specifically prohibits discrimination on the basis of sex in education programs and activities that receive Federal financial assistance, including employment within those institutions. While both laws aim to prevent sex-based discrimination in the workplace, Title VII applies more broadly to various types of employers, whereas Title IX is limited to educational institutions receiving Federal funds. Ultimately, both laws aim to ensure equal employment opportunities and protect individuals from discrimination. When a Title IX Coordinator receives a complaint or notification of alleged misconduct, involving sex discrimination (in particular, sex-based harassment) that involves an employee complainant and an employee respondent, the Title IX Coordinator may want to consult with the Board's Legal Counsel concerning which law – it may be both – the District will need to comply with when investigating the allegations.]**~~

Reports and Formal Complaints of "Sexual Harassment" (as defined in Policy 2266) involving conduct alleged to have occurred prior to August 1, 2024, are subject to the ~~grievance~~ complaint procedures outlined in Policy 2266.

Under all circumstances, the Title IX Coordinator shall offer and coordinate supportive measures, as appropriate, in accordance with this policy ~~( )~~ and AG 2264 ~~**[END OF OPTION]**~~, or Policy 2266 **(X)** and AG 2266 ~~**[END OF OPTION]**~~, if the Report or Formal Complaint involves "Sexual Harassment" alleged to have occurred prior to August 1, 2024.

If the conduct giving rise to a report or complaint of sex discrimination is alleged to have occurred both before **and** after August 1, 2024 (i.e., is part of a pattern of sex discrimination), the Title IX Coordinator shall determine **(X)**, after consulting with the Board's Legal Counsel, ~~**[END OF OPTION]**~~ whether to use the grievance procedures contained in this policy or the ~~grievance~~ complaint procedures contained in Policy 2266. The Title IX Coordinator will notify, in writing, the parties of the determination and the rationale for it. Under no circumstances, however, will a party be denied the due process to which the party is entitled based on the U.S. Department of Education-issued regulations in effect at the time the conduct alleged to violate Title IX (Statute) took place. **(X)** Nothing herein shall prevent the Title IX Coordinator from using a hybrid ~~grievance~~ complaint procedure that contains aspects of the ~~grievance~~ complaint procedures contained in both this policy and Policy 2266, so that the parties receive all of the due process to which they are entitled. ~~**[END OF**~~

Draft

~~OPTION]~~

Complaints:

The following people may make a complaint of sex discrimination – i.e., request that the District investigate and make a determination about whether sex discrimination as prohibited under Title IX occurred:

A. a "complainant," which includes:

1. a student or employee of the District who is alleged to have been subjected to conduct that could constitute sex discrimination under Title IX; or

2. a person other than a student or employee of the District who is alleged to have been subjected to conduct that could constitute sex discrimination under Title IX at a time when that individual was participating or attempting to participate in the District's education program or activity;

B. a parent, guardian, or other authorized legal representative with the legal right to act on behalf of a complainant;

C. the District's Title IX Coordinator.

A person is entitled to make a complaint of sex-based harassment only if they themselves are alleged to have been subjected to the sex-based harassment, if they have a legal right to act on behalf of such person who was subjected to the sex-based harassment, or if the Title IX Coordinator initiates a complaint consistent with the requirements of the 2024 Title IX regulations. ~~( ), which are detailed in AG 2264 [END OF OPTION].~~

~~[DRAFTING NOTE: This paragraph emphasizes that in order for a person to file a complaint of sex-based harassment, the person has to have been subjected to the alleged misconduct directly, or be a person who has a legal right to act on behalf of the person who was subjected to the alleged misconduct. This is consistent with the prior paragraph where the complainant is identified as a student or employee who was "subjected to conduct that could constitute sex discrimination under Title IX." The following paragraph, on the other hand, expands who can file a complaint – when the alleged sex discrimination does not involve sex-based harassment – to persons who are aware of the alleged sex discrimination, even if that person was not directly affected by or subject to the alleged sex discrimination.]~~

With respect to complaints of sex discrimination other than sex-based harassment, in addition to the people listed above, the following persons have a right to make a complaint:

A. any student or employee of the District; or

B. any person other than a student or employee who was participating or attempting to participate in the District's education program or activity at the time of the alleged sex discrimination.

The District may consolidate complaints of sex discrimination against more than one (1) respondent, or by more than one (1) complainant against one (1) or more respondents, or by one (1) party against another party, when the allegations of sex discrimination arise out of the same facts or circumstances. When more than one (1) complainant or

Draft

more than one (1) respondent is involved, references below to a party, complainant, or respondent include the plural, as applicable.

Basic Requirements:

The District will treat complainants and respondents equitably.

All persons involved with implementing the ~~grievance~~ complaint procedures and any other aspects of Policy 2264, including the Title IX Coordinator, the investigator, the decisionmaker, and the appeal decisionmaker, **(X)** and the facilitator of the informal resolution process, ~~**[END OF OPTION]**~~ shall be free from any conflicts of interest or bias for or against complainants or respondents generally or an individual complainant or respondent.

[X] The Title IX Coordinator may serve simultaneously as an investigator and/or a decisionmaker. ~~**[END OF OPTION] [DRAFTING NOTE: Neola recommends the Board select this OPTION; note it is "may" (i.e., optional) so the Title IX Coordinator can decide when to serve in both roles and when to designate one or more persons to perform those responsibilities in a given case.]**~~

If the Title IX Coordinator does not intend to serve as the investigator and decisionmaker in a specific case, the Title IX Coordinator shall designate one (1) or more administrators who are appropriately trained to serve in the role. Likewise, the Title IX Coordinator shall appoint an appeal decisionmaker when an appeal is filed.

In circumstances when the Title IX Coordinator and trained administrators do not have time/capacity to serve, or are prevented due to a conflict of interest, bias, or partiality, or other reasons that impair the Title IX Coordinator and other trained administrators from serving as an investigator and/or decisionmaker in a specific case, the Title IX Coordinator shall **(X)**, in consultation with ~~**( )** and approval of **[END OF OPTION]**~~ the Superintendent or ~~**( )** Board~~ **(X)** Board President (as appropriate), ~~**[END OF OPTION]**~~ secure one (1) or more independent third parties to serve as the investigator and/or decisionmaker. Similarly, the Title IX Coordinator has authority **(X)**, in consultation with ~~**( )** and approval of **[END OF OPTION]**~~ the Superintendent or ~~**( )** Board~~ **(X)** Board President (as appropriate), ~~**[END OF OPTION]**~~ to secure an independent third party to serve as the appeal decisionmaker.

The District presumes that the respondent is not responsible for the alleged sex discrimination until a determination is made at the conclusion of its ~~grievance~~ complaint procedures.

Under ordinary circumstances, the Board expects to complete the major stages of the ~~grievance~~ complaint procedures within the timeframe specified below:

A. **Evaluation** – The Title IX Coordinator will determine whether to dismiss a complaint or investigate it within ten (10) ~~**[INSERT # OF DAYS]**~~ days of receiving the complaint. ~~**[DRAFTING NOTE: Neola recommends that the evaluation stage be completed within ten (10) days of the Title IX Coordinator receiving notice of the complaint.]**~~

B. **Investigation** – The Title IX Coordinator, or designated investigator, shall ordinarily complete the investigation (i.e., collect relevant evidence that is not otherwise impermissible) within sixty (60)____ ~~**[INSERT # OF DAYS]**~~ days of the Title IX Coordinator determining the charges require investigation. If, however, the Title IX Coordinator, or designated investigator, determines that the investigation is going to take longer, the Title IX Coordinator will so notify the parties **(X)** and the Superintendent ~~**[END OF OPTION]**~~ and will thereafter keep the

parties **(X)** and the Superintendent ~~**[END OF OPTION]**~~ informed of the status of the matter on a _biweekly_____ ~~**[INSERT TIME PERIOD – E.G., BIWEEKLY OR REGULAR]**~~ basis. ~~**[DRAFTING NOTE: Recognizing ED wants investigations to be completed in a prompt and equitable manner, and therefore provided elementary and secondary schools with greater flexibility when it comes to completing an investigation than is afforded to them under the 2020 Title IX regulations, Neola recommends a school district typically complete Investigations within thirty (30) days.]**~~ Once the Title IX Coordinator, or designated investigator, provides the parties with "access" to either the relevant and not otherwise impermissible evidence and/or an accurate description of the evidence, the parties will have five (5) ~~**[INSERT # OF DAYS]**~~ days to respond to the evidence or the description of the evidence unless the Title IX Coordinator approves a party's written request for more time. If the Title IX Coordinator approves such a request, both parties will be afforded an equal amount of time to submit their response. ~~**[DRAFTING NOTE: Neola recommends the Board limits the amount of time the parties have to review the evidence/description of the evidence to five (5) days so the matter can proceed in a timely manner to Determination.]**~~

C. **Determination** – After the parties either submit responses to the evidence/description of the evidence, or the deadline for submitting such responses expires, the Title IX Coordinator, or designated decisionmaker, will consider the relevant and otherwise not impermissible evidence and issue a determination as to whether sex discrimination occurred. The determination shall be issued within ten (10)____ ~~**[INSERT # OF DAYS]**~~ days of the deadline for the parties to submit responses to the evidence/description of the evidence **(X)** unless the **(X)** Superintendent and **(X)** Title IX Coordinator ~~**[END OF OPTION]**~~ approves an extension of time, which must be communicated in writing to the parties ~~**[END OF OPTION]. [DRAFTING NOTE: Neola recommends the Determination ordinarily be issued within ten (10) days of the date when the parties have to submit their responses to the evidence/description of the evidence. If the decisionmaker is someone other than the Title IX Coordinator, upon written request from the decisionmaker, the Title IX Coordinator should be permitted to approve a reasonable extension of time for the Determination to be issued. If the Title IX Coordinator is the decisionmaker: upon written request from the Title IX Coordinator, the Superintendent should be permitted to approve a reasonable extension of time for the Determination to be issued. In either situation, the administrator granting the extension should communicate to the parties the new deadline along with a rationale for the extension.]**~~

~~D.~~ **Appeal** – A party filing an appeal of the Title IX Coordinator's decision to dismiss a complaint **(X)**, or the Determination, ~~**[END OF OPTION]**~~ must do so within five (5)___ ~~**[INSERT # OF DAYS]**~~ days of receiving the Dismissal (X) or Determination ~~**[END OF OPTION]. DRAFTING NOTE: Neola recommends the Board allow limited appeals based on the Determination. See DRAFTING NOTE below in the appeal section, which further discusses when a board "has" to allow appeals, as opposed to under which circumstances a board could decide not to allow appeals on the Determination."]**~~

The Title IX Coordinator, or the Superintendent if the Title IX Coordinator is the individual requesting an extension, may approve reasonable extensions of the preceding timeframes on a case-by-case basis for good cause with notice to the parties.

The District will take reasonable steps to protect the privacy of the parties and witnesses during its ~~grievance~~ complaint procedures. These steps will not restrict the ability of the parties to obtain and present evidence, including by speaking to witnesses; consulting with their family members, confidential resources, or advisors; or otherwise preparing for or participating in the ~~grievance~~ complaint procedures. The parties shall not engage in retaliation, including against witnesses.

Draft

The Title IX Coordinator, or designated decisionmaker, shall objectively evaluate all evidence that is relevant and not otherwise impermissible — including both inculpatory and exculpatory evidence. Credibility determinations shall not be based on a person's status as a complainant, respondent, or witness.

The following types of evidence, and questions seeking that evidence, are impermissible (i.e., will not be accessed or considered, except by the District to determine whether one of the exceptions listed below applies; will not be disclosed; and will not otherwise be used), regardless of whether they are relevant:

A. evidence that is protected under a privilege recognized by Federal or State law ~~( ) or evidence provided to a confidential employee **[END OF OPTION]**~~, unless the person to whom the privilege or confidentiality is owed has voluntarily waived the privilege or confidentiality; ~~**[DRAFTING NOTE: The Board should only select the preceding OPTION if it has designated confidential employee(s).]**~~

B. a party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness unless the District obtains that party's or witness's voluntary, written consent for use in its ~~grievance~~ complaint procedures; and

C. evidence that relates to the complainant's sexual interests or prior sexual conduct, unless evidence about the complainant's prior sexual conduct is offered to prove that someone other than the respondent committed the alleged conduct or is evidence about specific incidents of the complainant's prior sexual conduct with the respondent that is offered to prove consent to the alleged sex-based harassment. The fact of prior consensual sexual conduct between the complainant and respondent shall not by itself demonstrate or imply the complainant's consent to the alleged sex-based harassment or preclude a determination that sex-based harassment occurred.

Notice of Allegations:

Upon initiation of the Board's ~~grievance~~ complaint procedures, the Title IX Coordinator shall notify the parties of the following:

A. the Board's Title IX ~~grievance~~ complaint procedures **(X)** and informal resolution process ~~**[END OF OPTIONS]**; **[DRAFTING NOTE: Neola encourages the Board to include an informal resolution process.]**~~

B. sufficient information available at the time to allow the parties to respond to the allegations, including the identities of the parties involved in the incident(s), the conduct alleged to constitute sex discrimination, and the date(s) and location(s) of the alleged incident(s);

C. retaliation is prohibited; and

D. the parties are entitled to an equal opportunity to access the relevant and not otherwise impermissible evidence or an accurate description of this evidence. If the Title IX Coordinator, or designated investigator, provides the parties with a description of the evidence, any party may request access to the relevant and not otherwise impermissible evidence. The Title IX Coordinator will provide the requesting party with the relevant and not otherwise impermissible evidence in a timely manner.

Draft

Should the Title IX Coordinator decide, at any point, to investigate allegations that are materially beyond the scope of the initial written notice, the Title IX Coordinator will provide a supplemental written notice describing the additional allegations to be investigated.

Dismissal of a Complaint:

The Title IX Coordinator may dismiss a complaint of sex discrimination if:

A. the District is unable to identify the respondent after taking reasonable steps to do so;

B. the respondent is not participating in the District's education program or activity and is not employed by the Board;

C. the complainant voluntarily withdraws any or all the allegations in the complaint, the Title IX Coordinator declines to initiate a complaint, and the District determines that, without the complainant's withdrawn allegations, the conduct that remains alleged in the complaint, if any, would not constitute sex discrimination under Title IX even if proven; or

D. the District determines the conduct alleged in the complaint, even if proven, would not constitute sex discrimination under Title IX. Before dismissing the complaint, the Title IX Coordinator will make reasonable efforts to clarify the allegations with the complainant.

~~**[DRAFTING NOTE: While the 2024 Title IX regulations do not require notification of the dismissal to be provided in writing, Neola recommends that the Title IX Coordinator document the dismissal in writing – i.e., Neola recommends the board selects Option 1.]**~~

~~**[SELECT OPTION 1 OR OPTION 2]**~~

~~**[ ]** **[X]** **[OPTION 1]**~~

Upon dismissal, the Title IX Coordinator will promptly notify, in writing, the complainant of the basis for the dismissal. ~~**[END OF OPTION 2]**~~

Draft

The Title IX Coordinator will notify the complainant that a dismissal may be appealed and will provide the complainant with an opportunity to appeal the dismissal of a complaint. If the dismissal occurs after the respondent has been notified of the allegations, then the Title IX Coordinator will also notify the respondent that the dismissal may be appealed. Dismissals may be appealed on the following bases:

A. procedural irregularity that would change the outcome;

B. new evidence that would change the outcome and that was not reasonably available when the dismissal was made; and

C. the Title IX Coordinator, investigator, or decisionmaker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome.

If the dismissal is appealed, the Title IX Coordinator will:

A. notify the parties of any appeal, including notice of the allegations, if notice was not previously provided to the respondent;

B. implement appeal procedures equally for the parties;

C. ensure that the appeal decisionmaker did not take part in an investigation of the allegations or dismissal of the complaint;

D. ensure that the appeal decisionmaker has been trained consistent with the 2024 Title IX regulations **(X)** See AG 2264 ~~**[END OF OPTION];**~~

E. provide the parties a reasonable and equal opportunity to make a statement in support of, or challenging, the outcome; and

F. notify the parties of the result of the appeal and the rationale for the result.

When a complaint is dismissed, the Title IX Coordinator will, at a minimum:

A. offer supportive measures to the complainant as appropriate;

B. if the respondent has been notified of the allegations, offer supportive measures to the respondent as appropriate; and

C. take other prompt and effective steps, as appropriate, to ensure that sex discrimination does not continue or recur within the District's education program or activity.

~~**[DRAFTING NOTE: Neola encourages the Board to select the following option so the Title IX Coordinator can choose in appropriate circumstances to offer the parties the opportunity to participate in an informal resolution process, or to**~~

~~honor the parties' request to use an informal resolution process, to end the sex discrimination, prevent its recurrence, and remedy its effects.]~~

[X] ~~[OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]~~

Informal Resolution Process:

In lieu of resolving a complaint through the Board's Title IX ~~grievance~~ complaint procedures, the parties may instead elect to participate in an informal resolution process. The District will not offer an informal resolution to resolve a complaint that includes allegations that an employee engaged in sex-based harassment of a~~an elementary school or secondary school~~ student, or when such a process would conflict with Federal, State, or local law.

~~[END OF OPTIONAL LANGUAGE: INFORMAL RESOLUTION PROCESS]~~

Adding Allegations and/or Consolidating Complaints:

If, in the course of an investigation, the District decides to investigate additional allegations of sex discrimination by the respondent toward the complainant that are not included in the original Notice of Allegations provided or that are included in a complaint that is consolidated, the Title IX Coordinator will notify the parties of the additional allegations.

Investigation:

The District will provide for an adequate, reliable, and impartial investigation of complaints.

The burden is on the District — not on the parties — to conduct an investigation that gathers sufficient evidence to determine whether sex discrimination occurred.

The Title IX Coordinator, or the designated investigator and/or decisionmaker, will provide an equal opportunity for the parties to present fact witnesses and other inculpatory and exculpatory evidence that are relevant and not otherwise impermissible.

The Title IX Coordinator, or the designated investigator and/or decisionmaker, will review all evidence gathered through the investigation and determine what evidence is relevant and what evidence is impermissible regardless of relevance.

The District will provide each party with an equal opportunity to access the evidence that is relevant to the allegations of sex discrimination and not otherwise impermissible, in the following manner:

A. the District will provide the parties with an equal opportunity to access either the relevant and not otherwise impermissible evidence, or an accurate description of this evidence;

   If the Title IX Coordinator, or designated investigator, provides a description of the evidence, the Title IX Coordinator, or designated investigator, will provide the parties with an equal opportunity to access the relevant and not otherwise impermissible evidence upon the request of any party.

Draft

B. the District will provide a reasonable opportunity to the parties to respond to the evidence or the accurate description of the evidence; and

C. the District will take reasonable steps to prevent and address the parties' unauthorized disclosure of information and evidence obtained solely through the ~~grievance~~ complaint procedures. Disclosures of such information and evidence for purposes of administrative proceedings or litigation related to the complaint of sex discrimination are authorized.

Questioning the Parties and Witnesses:

As part of the Investigation, the investigator ~~**( ) may**~~ **(X)** is encouraged to ~~**[END OF OPTION]**~~ include in the investigator's notes/file the investigator's opinion about each party's or witness's credibility to the extent credibility is both in dispute and relevant to evaluating one (1) or more allegations of sex discrimination.

Determination of Whether Sex Discrimination Occurred:

Following an investigation and evaluation of all relevant and not otherwise impermissible evidence, the Title IX Coordinator or designated decisionmaker will:

A. Use the preponderance of the evidence standard of proof to determine whether sex discrimination occurred. ~~[DRAFTING NOTE: Pursuant to the 2024 Title IX regulations, the Board may only use the "clear and convincing" evidence standard of proof if it uses that standard of proof in all other comparable proceedings (i.e., when assessing the merits of allegations presented pursuant to complaints filed under the Board's general nondiscrimination and antiharassment policies – see Policies (Insert numbers of nondiscrimination, antiharassment, and Section 504/ADA – e.g., 2260, 2260.01, 5517, and the Employee policies that are going to be consolidated under new numbers)). Neola expects it will be a rare situation when a board chooses to use a clear and convincing standard of proof. If the Board is unsure whether it meets the criteria to be able to use the "clear and convincing standard," it should consult with its Legal Counsel.]~~ This standard of proof requires the decisionmaker to evaluate relevant and not otherwise impermissible evidence for its persuasiveness. If the decisionmaker, applying the applicable standard, is not persuaded by the relevant and not otherwise impermissible evidence that sex discrimination occurred, regardless of the quantity of the evidence, the decisionmaker will not determine that sex discrimination occurred.

B. Notify the parties, in writing, of the determination whether sex discrimination occurred under Title IX including the rationale for such determination, and the procedures and permissible bases for the complainant and respondent to appeal.

C. Not impose discipline on a respondent for sex discrimination prohibited by Title IX unless there is a determination at the conclusion of the ~~grievance~~ complaint procedures that the respondent engaged in prohibited sex discrimination.

D. If there is a determination that sex discrimination occurred, the Title IX Coordinator will, as appropriate:

   1. coordinate the provision and implementation of remedies to a complainant and other people the District identifies as having had equal access to the District's education program or activity limited or denied by sex discrimination;

   2. coordinate the imposition of any disciplinary sanctions on a respondent, including notification to the complainant of any such disciplinary sanctions; and

   3. take other appropriate prompt and effective steps to ensure that sex discrimination does not continue or recur within the District's education program or activity.

E. Comply with the ~~grievance~~ complaint procedures before the imposition of any disciplinary sanctions against a respondent; and

Draft

F. Not discipline a party, witness, or others participating in the ~~grievance~~ complaint procedures for making a false statement or for engaging in consensual sexual conduct based solely on the determination of whether sex discrimination occurred.

~~**[DRAFTING NOTE: As addressed above, the Board must offer an appeal if the Title IX Coordinator dismisses a complaint in the Evaluation stage (i.e., prior to commencing an investigation). While a board may elect not to offer an appeal from the determination of whether sex discrimination occurred, Neola recommends the Board include an appeal process. If the Board includes an appeal process, the appeal process must be, at a minimum, the same appeal process the Board offers in all other comparable proceedings, including proceedings relating to other discrimination complaints. Neola intends to update its nondiscrimination, antiharassment, and Section 504/ADA policies to provide for appeal procedures that are comparable to that which is included in the following option.]**~~

If a party disagrees with the decisionmaker's determination as to whether sex discrimination occurred, the party may file an appeal. Appeals must be submitted, in writing, within _five (5)___ **(INSERT # OF DAYS)** days of the appealing party's receipt of the Determination.

A party may appeal a Determination on the following bases:

A. procedural irregularity that would change the outcome;

B. new evidence that would change the outcome and that was not reasonably available when the Determination was made; and

C. the Title IX Coordinator, investigator, or decisionmaker had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that would change the outcome.

~~[DRAFTING NOTE: The preceding options are offered for those districts where the Superintendent or Board typically serves as the appeal decisionmaker; with respect to Title IX, it is Neola's opinion that it is not feasible for the Board to serve as the decisionmaker for a number of reasons, not the least of which is the mandatory training requirements.]~~

No new or additional evidence may be submitted during the appeal process.

The appeal decisionmaker shall determine the outcome of the appeal based on the appeal decisionmaker's independent review of the record (i.e., the relevant and not otherwise impermissible evidence, the feedback the parties provided to the investigator and/or decisionmaker based on their review of the relevant evidence and any description of the relevant evidence that was prepared and shared with the parties, and the decisionmaker's written determination) and the appeal decisionmaker's application of the law and Board policy to the facts in the record. The appeal decisionmaker must give due deference and due weight to the decisionmaker's factual findings and credibility determinations and should not overturn them unless non-testimonial extrinsic evidence in the record justifies a contrary conclusion or unless the record read in its entirety compels a contrary conclusion. Generally, the appeal decisionmaker is expected to uphold the decisionmaker's determination unless the appeal decisionmaker determines the decisionmaker's determination is unlawful, unreasonable, or against the manifest weight of the evidence. Every reasonable presumption must be made in favor of the decisionmaker's determination.

Supportive Measures:

The District will offer and coordinate supportive measures as appropriate for the complainant and/or respondent to restore or preserve that person's access to the District's education program or activity or provide support during the Board's ~~grievance~~ complaint procedures or during the informal resolution process. For allegations of sex discrimination other than sex-based harassment or retaliation, the District's provision of support measures does not require the District, Board employees, or any other person authorized to provide aid, benefit, or service on the District's behalf to alter the alleged discriminatory conduct for the purpose of providing a supportive measure.

The Title IX Coordinator shall determine appropriate supportive measures on a case-by-case basis. Supportive measures may vary depending on what the Title IX Coordinator deems to be reasonably available. Supportive measures may include, but are not limited to: counseling; extensions of deadlines or other course-related adjustments; school/campus

escort services; increased security and monitoring of certain areas of the campus (including school buildings and facilities); restrictions on contact between the parties; leaves of absence; changes in class, work, or extracurricular or any other activity, regardless of whether there is or is not a comparable alternative; training and education programs related to sex-based harassment; **(X)** referral to Employee Assistance Program ~~**[END OF OPTION]**~~; and other similar measures.

Supportive measures must not unreasonably burden either party and must be designed to protect the safety of the parties and/or the District's educational environment, or to provide support during the Board's ~~grievance~~ complaint procedures or the informal resolution process.

The District will not impose such measures for punitive or disciplinary reasons.

The Title IX Coordinator may, as appropriate, modify or terminate supportive measures at the conclusion of the ~~grievance~~ complaint procedures, or at the conclusion of the informal resolution process, or the District may continue them beyond that point.

The District will provide a complainant or respondent with a timely opportunity to seek, from an appropriate and impartial employee, modification or reversal of the Title IX Coordinator's decision to provide, deny, modify, or terminate supportive measures applicable to them. The impartial employee must be someone other than the employee who made the challenged decision and must have authority to modify or reverse the decision if the impartial employee determines that the decision to provide, deny, modify, or terminate the supportive measure was inconsistent with the definition of supportive measures as set forth in the Key Definitions section of this policy.

A party may seek additional modification or termination of a supportive measure applicable to them if circumstances change materially.

The District will not disclose information about any supportive measures to persons other than the person to whom they apply, including informing one party of supportive measures provided to another party, unless necessary to provide the supportive measure or restore or preserve a party's access to the District's education program or activity, or as otherwise permitted pursuant to the 2024 Title IX regulations.

If the complainant or respondent is an elementary or secondary student with a disability, the Title IX Coordinator shall consult with one (1) or more members, as appropriate, of the student's Individualized Education Program (IEP) team, if any, or one (1) or more members, as appropriate, of the student's Section 504 team, if any, to determine how to comply with the requirements of the IDEA and/or Section 504, in the implementation of supportive measures.

The Superintendent may place an employee respondent on administrative leave from employment responsibilities during the pendency of the Board's ~~grievance~~ complaint procedures.

Disciplinary Sanctions and Remedies:

Following a determination that sex-based harassment occurred, the District may impose disciplinary sanctions, which may include:

For Students

5. expulsion for up to eighty (80) school days or the number of school days remaining in a semester, whichever is greater;
6. expulsion for up to one (1) year;
7. permanent exclusion; and
8. any other sanction authorized by the Student Code of Conduct.

For Employees

A. **(X)** oral or written warning;

G. suspension without pay;

H. termination and any other sanction authorized by any applicable Board Policy, Employee/Administrator Handbook, and/or collective bargaining agreement.

The District may also provide remedies which may include disciplinary sanctions/consequences. The Title IX Coordinator will notify the Superintendent of the recommended remedies, so an authorized administrator can consider the recommendation and implement appropriate remedies in compliance with applicable due process procedures, whether statutory or contractual.

With respect to student respondents, the Title IX Coordinator will notify the Superintendent of the recommended remedies (including disciplinary sanctions/consequences), so an authorized administrator can consider the recommendation(s) and implement an appropriate remedy(ies) in compliance with Policy 5600 – Student Discipline, Policy 5605 – Suspension/Expulsion of Students with Disabilities, Policy 5610 – Emergency Removal, Suspension, Expulsion, and Permanent Exclusion of Students, Policy 5610.02, PO 5610.01… – In-School Discipline, and Policy 5611 – Due Process Rights. Discipline of a student respondent must comply with the applicable provisions of the Individuals with Disabilities Education Improvement Act (IDEA) and/or Section 504 of the Rehabilitation Act of 1972 ("Section 504"), and their respective implementing regulations.

~~**[DRAFTING NOTE: The Board should review applicable policy(ies)/administrative guidelines/employee handbooks to determine whether changes are needed to establish timelines associated with imposition of discipline as result of possible delays caused by the Board's obligation to follow the grievance procedures; likewise, the Board may need to discuss with union representatives how implementation of the grievance procedures may impact any disciplinary provisions contained in applicable collective bargaining (e.g., timelines, permitted attendees at investigative interviews, etc.).]**~~

Discipline of an employee will be implemented in accordance with Federal and State law, Board policy, and applicable provisions of any relevant collective bargaining agreement.

Retaliation

Neither the Board nor any other person may intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or this policy, or because the individual made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this policy. Intimidation, threats, coercion, or discrimination, including initiating a disciplinary process against a person for a code of conduct violation that does not involve sex discrimination but arises out of the same facts and circumstances as a complaint or information reported about possible sex discrimination, for the purpose of interfering with the exercise of any right or privilege secured by Title IX constitutes retaliation. Peer retaliation is also prohibited. Retaliation against a person for making a complaint or participating in an investigation is a serious violation of this policy that can result in the imposition of disciplinary sanctions/consequences and/or other appropriate remedies.

Complaints alleging retaliation may be filed according to the ~~grievance~~ complaint procedures set forth above. The District shall initiate its ~~grievance~~ complaint procedures upon receiving any complaint alleging retaliation.

Draft

The exercise of rights protected under the First Amendment of the United States Constitution does not constitute retaliation prohibited under this policy.

Charging an individual with a code of conduct violation for making a materially false statement in bad faith in the course of a ~~grievance~~ complaint proceeding under this policy shall not constitute retaliation, provided, however, that a determination that sex discrimination occurred, alone, is not sufficient to conclude that any party made a materially false statement in bad faith.

Confidentiality

The District will keep confidential the identity of any individual who has made a complaint of sex discrimination, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. 1232g, or FERPA regulations, 34 C.F.R. part 99, or as required by law, or to carry out the purposes of 34 C.F.R. part 106, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder (i.e., the District's obligation to maintain confidentiality shall not impair or otherwise affect the complainant's and respondent's receipt of the information to which they are entitled related to the investigation and determination of whether sex discrimination occurred).

Application of the First Amendment

The Board will construe and apply this policy consistent with the First Amendment to the U.S. Constitution **(X)** and the principles of academic freedom as set forth in the applicable collective bargaining agreement. ~~**[END OF OPTION].**~~ In no case will a respondent be found to have committed sex discrimination based on expressive conduct that is protected by the First Amendment **(X)** and/or the principles of academic freedom specified in the Board's collective bargaining agreement with its teachers . ~~**[END OF OPTION].**~~

Training

All employees, investigators, decisionmakers, facilitators of informal resolution process, the Title IX Coordinator(s) and designees, and other persons who are responsible for implementing the Board's ~~grievance~~ complaint procedures or have the authority to modify or terminate supportive measures shall receive training related to their duties under Title IX and this Policy. The training shall be provided promptly upon hiring or change of position that alters their duties under Title IX or this policy, and annually thereafter. The training shall not rely on sex stereotypes.

Training materials must be made available for inspection upon request by members of the public.

Recordkeeping

The District shall maintain for a period of seven (7) calendar years the following records:

A. for each complaint of sex discrimination, records documenting the informal resolution process and/or the ~~grievance~~ complaint procedures followed and the resulting outcome;

B. for each notification that the Title IX Coordinator receives of information about conduct that reasonably may constitute sex discrimination under Title IX, including notifications under 34 C.F.R. § 106.44(c)(1) or (2), records

documenting the actions the District took to meet its obligations under 34 C.F.R. §106.44; and

C. all materials used to provide the required training.

Outside Appointments, Dual Appointments, and Delegations

The Board retains discretion to appoint suitably qualified persons who are not Board employees to fulfill any function of the Board under this policy including, but not limited to, Title IX Coordinator, investigator, decisionmaker, appeal decisionmaker, or facilitator of the informal resolution process.

The Board also retains discretion to appoint two (2) or more persons to jointly fulfill the role of Title IX Coordinator, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process.

The Superintendent may delegate functions assigned to a specific Board employee under this policy including, but not limited to, the functions assigned to the Title IX Coordinator, investigator, decisionmaker, appeal decisionmaker, and facilitator of the informal resolution process to any suitably qualified individual and such delegation may be rescinded by the Superintendent at any time.

~~**[DRAFTING NOTE: The following option expressly sets forth authority that the Board has regardless of whether it is included in this policy, but is offered for those boards of education that may want to affirmatively communicate to/address these issues for readers of this policy.]**~~

[X] Discretion in Application

The Board retains discretion to interpret and apply this policy in a manner that is not clearly unreasonable, even if the Board's interpretation or application differs from the interpretation of any specific complainant and/or respondent.

Such instruction may include family planning, human sexuality, gender identity, gender expression, sexual orientation, and the emotional, physical, psychological, hygienic, economic, and social aspects of family life. Instruction may also include the subjects of reproductive health, consent education, and the recognition, prevention, and treatment of sexually transmitted infections ("STIs"), including HIV/AIDS ~~diseases~~.

The instruction described in this policy shall emphasize ~~stress~~ that abstinence from sex is the only protection that is 100% effective against unplanned pregnancy, sexually transmitted infections, and HIV. Instruction shall also articulate the benefits of abstinence, postponing sexual activity, and setting personal limits based on individual beliefs and values ~~a responsible and effective method of preventing unplanned or out-of-wedlock pregnancy and sexually transmitted diseases and is a positive lifestyle for unmarried young people~~.

Such instruction shall be elective and not a requirement for graduation.

A student shall not be enrolled in a class in which the subjects of family planning or reproductive health are discussed unless the student's parent or guardian is notified in advance of the course and the content of the course, is given a prior opportunity to review the materials to be used in the course and is notified in advance of the parent's/guardian's right to have the student excused from the class. The Michigan Board of Education shall determine the form and content of the notice required in this policy.

Upon the written request of a student or the student's parent or legal guardian, the student shall be excused, without penalty or loss of academic credit, from attending a class described in this policy. If a parent or guardian submits a continuing written notice, the student will not be enrolled in a class described in this policy unless the parent or guardian submits a written authorization for that enrollment.

At least one-half (1/2) of the members of the sex education advisory board shall be parents who have a child attending a District school, and a majority of these parent members shall be individuals who are not employed by the District. C. At least once every two (2) years, evaluate, measure, and report the attainment of program goals and objectives established by the advisory board. The Board shall make the resulting report available to parents in the District.

Before adopting any revisions in the materials or methods used in instruction under this policy including, but not limited to, revisions to provide for the teaching of abstinence from sex as a method of preventing unplanned or out-of-wedlock pregnancy and STIs ~~sexually transmitted disease~~, the Board shall hold at least two (2) public hearings on the proposed revisions. Re: 2026-2027 Head Start Partner Contract – Addition of Language: De-obligation of Funds and Early Termination of Agreement

---

I am requesting that the Board of Education review two additions to the 2026-2027 Head Start Partner Contract for approval. As a reminder, the Head Start Partner Contract is used with Ann Arbor Public Schools, Lincoln Consolidated Schools, Whitmore Lake Public Schools, and Gretchen's House. The addition is needed because I unintentionally removed the terms outlined in the 2025-2026 Head Start Partner Contract. I apologize for this oversight.

The Corrective Action, Remedies and Non-Appeal section of the approved 2026-2027 Head Start Partner contract is missing critical information defining the terms related to De-obligation of Funds and Early Termination of the Contract. A red-lined version of the Corrective Action, Remedies and Non-Appeal section from the 2026-2027 Head Start Partner Contract Template with the missing information added is attached. The added language was pulled directly from the previously approved 2025-2026 Head Start Partner Contract.

Please refer to the following sections of the attachment:

1. Corrective Action, Remedies and Non-Appeal, Section 2 – De-obligation of funds
2. Corrective Action, Remedies and Non-Appeal, Section 3 – Early Termination of Contract

Corrective Action, Remedies and Non-Appeal

1. Procedures for Corrective Action: Prior to termination and in the event of a defect of deficiency in the operation of the Program by Partner, its agents, employees, or contractors, WISD, in its sole discretion, may provide Partner an opportunity to remedy the noncompliance and take corrective action according to the procedures set forth herein.

    A. WISD may give written notice to Partner which sets forth the nature of Partner's noncompliance and a procedure to cure the noncompliance and a deadline by which Partner must have completed corrective action and provided WISD evidence of compliance. WISD, in its sole discretion and based on the circumstances, will determine the appropriate corrective action and time for compliance.

    B. WISD may impose any conditions on Partner's performance that are required by HHS/OHS and attached to its Notice of Award if such conditions impact or are required of Partner to implement this Agreement. Conditions include but are not limited to the following:

        i. Any concern identified by WISD as potentially qualifying as being an area of noncompliance must be resolved within the time herein.
        ii. Any non-compliance identified by WISD must be resolved within thirty (30) days of the date that WISD has given Partner notice of the alleged noncompliance.
        iii. Any areas of noncompliance not corrected within thirty (30) days of the date that WISD has given Partner notice of the alleged noncompliance will be termed a deficiency by WISD. Deficiency is defined as: a threat to the health, safety, or civil rights of children or staff; a denial to parents of the exercise of their full roles and responsibilities related to program operations; a failure to comply with standards related to early childhood development and health services, family and community partnerships, or program design and management; the misuse of Head Start funds; loss of legal status or financial viability loss.
        iv. WISD shall give Partner written notice of any alleged deficiency and any deficiency that remains uncorrected after thirty (30) days from the date of this Notice of Deficiency may result in loss of funds.

    C. WISD may provide, or provide for, reasonable technical assistance to aid in correcting the noncompliance upon the request of Partner.

2. De-obligation of Funds: WISD may de-obligate or reduce the funds provided for by this Agreement as set forth herein.

A. Should Partner fail to achieve and maintain full enrollment by providing licensed facilities and adequate qualified staff in the Program or otherwise fail to meet its performance standards as identified in this Agreement or fail to properly or timely expend the funds allocated pursuant to this Agreement.

B. Should funding to WISD relating to the performance of this Agreement be reduced, WISD may de-obligate or reduce funds allocated to Partner in proportion to the amount reduced by the funding entity.

C. In the event of de-obligation or reduction of funds as set forth herein, WISD will provide Partner written notice of the action and may unilaterally amend this Agreement and supporting exhibits to reflect the de-obligation.

3. Early Termination of Contract: The Parties may terminate this Agreement, in whole or in part, as set forth below. The right to terminate is not exclusive and is in addition to any other rights and remedies provided by law or this Agreement.

A. Termination by WISD. WISD may terminate this Agreement without cause upon sixty (60) days' written notice, unless otherwise provided herein. This Agreement may be terminated by WISD immediately for cause, upon occurrence of any of the following conditions:

i. If Partner, or any of its subcontractors, causes a breach of any material term of this Agreement. A material breach shall include but is not limited to intentional misrepresentations of Program data or enrollment or making false certifications by this Agreement, fiscal mismanagement, and failure to comply with applicable laws, regulations, and performance standards in Program operations.

ii. If Partner dissolves, defaults, becomes insolvent, has assignment for the benefit of creditors, commences a bankruptcy or insolvency proceeding, has a receiver appointed for its property, or otherwise cannot pay its debts as they become due.

iii. If sufficient funds are no longer available from the funding source(s).

iv. Failure to provide timely and accurate reports regarding potential or actual claims and incidents relating to the Program.

v. If Partner is unable or unwilling to comply with any additional Program requirements as may be lawfully applied by HHS or WISD.

vi. If there is a threat to the health or safety of Program staff and/or participants

B. Termination by Partner. Partner may terminate this Agreement, with or without cause upon sixty (60) days' written notice to WISD. The effective date for a termination by Partner shall be agreed between the parties and must allow for the most efficient and effective transfer of services provided for by the Agreement, but in no event shall be less than sixty (60) days from the notice of termination.

C. Cooperation. In the event of a termination, Partner agrees to cooperate with WISD to close out Program operations or transition Program operations as applicable. Any property procured by Partner with Head Start funds and all Program documents, data, studies, and reports shall, at the option of WISD, become the property of WISD or be otherwise disposed of as directed by WISD.

D. Costs after Termination. Partner shall not incur any debt or obligation relating to the Program after the effective date of such termination, unless expressly authorized in writing by WISD. WISD shall pay Partner for services provided through the date of termination, except that WISD may withhold payment to Partner to act as a set off until such time as the exact number of damages owed to WISD is determined, in the event damages are disputed.

4. Liability; No Waiver: WISD shall have no liability to Partner for any damages, including consequential damages, incurred because of a de-obligation of funds or for termination of this Agreement as provided for herein. Neither party shall be relieved of liability to the other party for any damages sustained by that other party by virtue of any breach of the Agreement by the first party or resulting from an improper termination of this Agreement by the first party. The remedies under this section do not constitute a release or waiver of liability by either Party unless provided in writing.

5. No Right to Appeal: Partner shall have no right to appeal the termination of this Agreement, or the de- obligation or suspension of funds provided for by this Agreement. Partner expressly waives any appeal rights set forth in 45 CFR §1303 Subpart D.

6. Property:
   A. Notwithstanding any other provision of this Agreement, Partner shall not make any improvement to real property or equipment purchased with Head Start/Early Head Start funds obtained through this Agreement in the amount of $5,000 or more without the advance written approval of WISD.

   B. Partner shall exercise due care in the use, maintenance, protection, and preservation of WISD- owned property, which shall include insurance coverage against loss or damage to such property, with funds provided under this Agreement.

   C. Partner shall keep an inventory (Exhibit M) of all property acquired with Program funds and submit to the WISD annually by May 30th. Partner shall deliver all such property to WISD upon termination of this Agreement. Partner must seek prior approval in writing from the WISD to dispose of, destroy, or improve supplies purchased with Head Start or Early Head Start funds.

7. Insurance: During the term of this Agreement, Partner shall maintain insurance coverages in conformance with the provisions of Exhibit N. The Partner must maintain and provide a copy of

insurance to the WISD on an annual basis, by June 30 with submission of annual signed contract.

8. Delegation/Subcontracting/Assignment: Partner's obligations under this Agreement may not be transferred by subcontract, assignment, delegation, or notation without the prior express written consent of WISD. Any attempt by Partner to assign, delegate or subcontract any performance of its obligations hereunder without the written consent of WISD, may be deemed void within WISD's sole discretion. Any such subcontract, delegation, or assignment shall be subordinate to the terms of this agreement. Any subcontractor, delegate or assignee shall be subject to all applicable provisions of this Agreement, and all applicable Federal, State, and local laws and regulations.

9. No Third-Party Obligations: Partner may not enter into any written or oral contracts for the operation of any part of the Program without the prior written approval of WISD.

10. Indemnification: Except for the intentional or willful misconduct of WISD, Partner agrees, to the extent permitted by law, to indemnify, defend, and hold harmless WISD and its officers, agents, employees, and volunteers, from and against any suits, actions, claims, causes of action, demands, judgments, liens, and losses (including attorney's fees and costs) whatsoever, arising out of or relating to, the acts, omissions, and obligations of Partner, its officers, agents, employees, contractors, and volunteers, under this Agreement.

    A. WISD may select defense counsel of its choosing for the purposes of its legal representation in defense of any action in which Partner is being required to defend WISD.

    B. This indemnification clauses provisions shall not be limited to or by insurance coverage availability.

    C. Partner further agrees to waive all rights of subrogation against WISD for any loss, cost or expense arising out of, or relating to, WISD's alleged failure to fulfil any obligations relating to this Agreement.

    D. Partner's duty to defend and indemnity WISD survives the expiration and termination of this Agreement.

    E. Except for the intentional or willful misconduct of Partner, WISD agrees to indemnify, defend, and hold harmless Partner and its officers, agents, employees, and volunteers, from and against any suits, actions, claims, causes of action, demands, judgments, liens, and losses (including attorney's fees and costs) whatsoever, arising out of or relating to, the acts, omissions, and obligations of WISD, its officers, agents, employees, contractors, and volunteers, under this Agreement.

11. Press Release and Communication: Communication with the press, television, radio, or any other forms of media Partner shall make specific reference to WISD as the sponsoring agency,

which is funded by the Administration for Children and Families, Department of Health and Human Services. All contacts with the media concerning the operation of the Program shall be reported immediately to WISD.

12. Entire Agreement/Modifications: This Agreement constitutes the entire agreement between the Parties. Except as otherwise provided in this Agreement, this Agreement may be modified, altered, or revised only on the written consent of both parties hereto. The parties acknowledge this Agreement is subject to any additional restrictions, limitation, policies, or conditions enacted, by the federal or state government, any applicable local government or any law or regulation enacted, by the federal or state government or any applicable local government which may affect the provisions, terms, or funding of this Agreement, and WISD may unilaterally amend this Agreement solely in this regard.

13. Severability: If any provision of this Agreement is held invalid, illegal, or unenforceable, the remainder of this Agreement shall remain valid and enforceable.

14. Titles: The titles to the paragraph of this Agreement and the Exhibits thereto are solely for the convenience of the parties and are not an aid in the interpretation of this Agreement.

15. Waiver: No waiver of any provision of this Agreement shall constitute a waiver of any other provision, whether similar, nor shall any such waiver constitute a continuing or subsequent waiver of the same provision. No waiver shall be binding unless executed in writing by the Party against whom waiver is asserted.

16. Attorney's Fees: If a Party brings a legal action to interpret or enforce this Agreement, the prevailing Party shall recover, in addition to any other relief, reasonable attorney's fees and costs incurred in such action. If no monetary relief is granted, the prevailing Party shall be as determined by the Court.

17. Michigan Law: Except where controlled by federal statutes or administrative regulations, this Agreement shall be governed according to the laws of the State of Michigan.

18. Venue: Any legal action brought to interpret or enforce this Agreement shall be brought in the Circuit for the County of Washtenaw or other Michigan court of competent jurisdiction and proper venue.

19. Notices: Any notice required by this Agreement shall be deemed to have been sufficiently communicated when (1) personally delivered; or (2) on the second business day after mailing by overnight delivery, postage prepaid to the following:_____, Attn: _____, Superintendent, _____; and Washtenaw Intermediate School District, Attn: Naomi Norman, Superintendent, 1819 S.
