To Cherie Vannatter,

I would like to take this opportunity to thank you for the most rewarding end of my nursing career. I am formally retiring as of June 12, 2025.

This role in Lincoln schools as first an HRA and then a school nurse was rewarding beyond my imagination. I was able to connect closely with students, staff, and families and am leaving with the hope I have made as positive an impact in their lives as they have on mine.

Thank you once again.
Warm regards,

Landlord is not liable for interruption in Utilities caused by riots, strikes, labor disputes, wars, terrorist acts, accidents, or any other cause beyond the control of Landlord. Landlord may interrupt Utilities to make repairs or improvements. Interruption in Utilities does not constitute an act of eviction; nor does any interruption in Utilities release Tenant from any obligation under this Lease, including the payment of Rent.

9. Holding Over. If Tenant remains in possession of the Premises after the Expiration Date with the consent of Landlord, it will occupy the Premises as a holdover tenant on a month-to-month basis. Landlord may withhold its consent to holdover in its sole discretion. If Landlord consents to the holdover, Tenant is subject to all the covenants of this Lease to the extent they can be applied to a month-to-month tenancy, except that the Monthly Installment of Base Rent for each month of the holdover will be one-hundred twenty-five percent of the Monthly Installment of Base Rent payable during the last month of the Term. This covenant does not preclude Landlord from recovering damages if Tenant fails to timely deliver possession of the Premises after termination of the holdover, nor does it establish any right to extend or renew the Term. If Tenant holds over after the expiration of the Term without Landlord's consent, Tenant is liable for all damages resulting from the holdover. It is expressly within the contemplation of the parties that such damages may include (a) the reasonable rental value of the Premises; (b) any damages arising from the loss of any sale, lease, or refinancing of the Premises; (c) any lost profits incurred by Landlord; and (d) any treble, double, or statutory damages allowed under the Applicable Laws.

10. Quiet Enjoyment. Unless this Lease is terminated or Tenant is evicted in accord with Michigan law, Landlord will not disturb Tenant's quiet enjoyment of the Premises or unreasonably interfere with Tenant's Designated Use of the Premises. Landlord shall have the right from time to time, upon 24 hours prior notice to Tenant, to inspect the Premises to confirm Tenant's compliance with this Lease. Landlord's inspection shall in no way disrupt or interfere with Tenant's school operation. Tenant must permit Landlord to enter the Premises during regular business hours for the purpose of inspection or to show the Premises to prospective purchasers, mortgagees, and tenants.

11. Use of the Premises. The Premises will be used for the Designated Use and for no other purpose. Tenant will not use the Premises in any manner which violates the Building Rules or Applicable Laws. The Building Rules may be amended by Landlord in its reasonable discretion.

12. Indemnification. Tenant will indemnify and defend Landlord against all claims for bodily injury or property damage relating to the Premises. The claims covered by this indemnification include all claims for bodily injury or property damage relating to (a) the condition of the Premises; (b) the use or misuse of the Premises by Tenant or its agents, contractors, or invitees; or (c) any event on the Premises, whatever the cause. Tenant's indemnification does not extend to liability for damages resulting from the sole or gross negligence of Landlord or for Landlord's intentional misconduct.

13. Limitations on Landlord's liability. The Landlord, as defined in this Lease, includes successors in interest. The term is intended to refer to the owner of the Premises at the time in question. If the Premises are sold, the new owner will automatically be substituted as the Landlord.

Landlord shall not be responsible or liable to Tenant for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying adjoining areas or any part of the area adjacent to or connected with the Premises or any part of the structures or improvements on the Premises for any loss or damage resulting to Tenant or its property from theft or a failure of the security systems, if any, in the Premises or structures containing the Premises, or for any damage or loss of property within the Premises from any cause other than solely by reason of the willful act of Landlord, and no such occurrence shall be deemed to be an actual or constructive eviction from the Premises or result in an abatement of rents.

If Landlord fails to perform this Lease and as a result Tenant recovers a money judgment against Landlord, the judgment will be satisfied out of the execution and sale of Landlord's interest in the Property or by garnishment against the rents or other income from the Property. Landlord is not liable for any deficiency. This section constitutes Tenant's sole and exclusive remedy for breach.

Conditioned solely on the sale of the Property, Tenant agrees to the following release in favor of its then former landlord. Effective on the first anniversary of the date on which Tenant is given notice of the sale, Tenant releases its former landlord from all claims except those expressly preserved in this section. This release is intended to be broadly construed for the benefit of the former landlord and includes (a) all claims regarding the performance of this Lease; (b) all claims for bodily injury or property damage relating to the Premises; and (c) all claims in any other way relating to the Lease, the Premises, or the landlord-tenant relationship. However, this release does not extend to any claim filed in a court of appropriate jurisdiction within one year of the date of sale or to any claim for bodily injury or property damage resulting from the former landlord's gross negligence or intentional misconduct.

14. Insurance. Tenant, at Tenant's sole expense, agrees to maintain in force, with a company or companies acceptable to Landlord, during the term of this Lease: (a) Commercial General Liability Insurance on a primary basis covering the Premises on an occurrence basis against all claims for personal injury, bodily injury, death and property damage, including contractual liability covering the indemnification provision in this Lease. Such insurance shall, at a minimum, be maintained in an amount of \$1,000,000.00 per occurrence and an additional \$3,000,000.00 in umbrella coverage for the above claims; (b) Workers' Compensation and Employers' Liability Insurance for an amount of not less than \$500,000.00, both in accordance with the State of Michigan; and (c) In the event a motor vehicle is to be used by Tenant in connection with its business operation from the Premises, Comprehensive Automobile Liability Insurance coverage with limits of not less than \$1,000,000.00 combined single limit coverage against bodily injury and liability arising out of the use by or on behalf of Tenant, its agents and employees in connection with this Lease, of any owned, non-owned or hired motor vehicles.

Each Policy referred to above shall satisfy the following requirements. Each policy shall (i) name Landlord as an additional insured (except Workers' Compensation and Employers' Liability Insurance), (ii) be issued by one or more reasonable insurance companies licensed to do business in the State of Michigan reasonably satisfactory to Landlord, (iii) where applicable, provide for deductible amounts satisfactory to Landlord, (iv) shall provide that such insurance may not be cancelled or amended without 30 days' prior written notice to Landlord, and (v) shall provide that the policy shall not be invalidated should the insured waive in writing prior to a loss, any or all rights of recovery against any other party for losses covered by such policies. Tenant shall deliver to Landlord certificates of insurance and at Landlord's request, copies of all policies and renewals thereof to be maintained by Tenant hereunder, not less than 10 days prior to the commencement of this Lease and not less than 10 days prior to the expiration date of each policy.

15. Fire or Other Casualty. Tenant must give Landlord notice of fire or other casualty on the Premises. In addition to the written notice, Tenant must immediately and with all diligence attempt to contact Landlord by all means available, including

telephone, pager, fax, and e-mail, to inform Landlord of the casualty. If the Premises are damaged or destroyed by fire or other casualty, Landlord may terminate this Lease by notice to Tenant. The notice of termination must be given within 30 days after the occurrence of the casualty. If the notice of termination is not given within that period, this termination option will lapse and no longer be effective. Within 30 days after the notice of termination has been given, Tenant must surrender the Premises to Landlord. After the surrender, each party is released from any further obligations under this Lease, with the following exceptions: (a) all Rent accruing through the surrender date must be paid in full, and (b) the Security Deposit will be retained or returned as provided in this Lease. Tenant has no obligation to pay any Rent accruing after the surrender date. If Landlord does not exercise this option within the designated period, Landlord must diligently proceed to repair and restore the Premises to its condition before the casualty.

16. Assignment and Subletting. Tenant must not assign this Lease or sublet the Premises without the prior consent of Landlord, which may be withheld in Landlord's sole discretion.

17. Subordination and Estoppel Certificates. At Landlord's mortgagee's option, (a) any mortgage or mortgages now or later placed on Landlord's interest in the Premises may be subordinated to this Lease or (b) this Lease may be subordinated to any mortgage or mortgages now or later placed on Landlord's interest in the Premises. The mortgagee's option must be exercised by notice to Tenant. Tenant must execute and deliver, within 30 days after a request, any further instruments, in a form acceptable to the mortgagee, confirming subordination as requested by Landlord or Landlord's mortgagee.

In the event of foreclosure or any conveyance by deed in lieu of foreclosure, Tenant must attorn to Landlord's successor in interest, provided that the successor agrees in writing to recognize Tenant's rights under this Lease. Tenant must execute and deliver, within 30 days after a request, any further instruments, in a form acceptable to Landlord's successor in interest, attorning to the successor in interest and recognizing it as Landlord under this Lease.

Within 30 days after a demand by Landlord, Tenant must execute and deliver to Landlord an estoppel certificate, in a form acceptable to Landlord, certifying

- a. the Commencement Date;
- b. the Expiration Date;
- c. that this Lease is unmodified and in full force and effect, or is in full force and effect as modified, stating the modifications;
- d. that the Lease is not in default, or a list of any defaults;

- e. that Tenant does not claim any rights of setoff, or a list of rights of setoff;
- f. the amount of Rent due as of the date of the certificate, or the date to which the Rent has been paid in advance;
- g. the amount of any Security Deposit; and
- h. other matters reasonably requested by Landlord.

Landlord and any prospective purchaser of the Premises may rely on this certificate. It is within the contemplation of the parties that Tenant's failure to provide the estoppel certificate could result in the loss of a prospective sale or loan and that Tenant is liable for all damages resulting from such a loss.

18. Security Deposit. Within 1 day of the Lease Date, Tenant must deposit the Security Deposit with Landlord. The Security Deposit will be used to secure Tenant's performance of this Lease. Landlord may commingle the Security Deposit with its own funds. If Tenant fails to pay Rent or otherwise commits a Breach, Landlord may apply all or part of the Security Deposit to make the payment or cure the Breach. Landlord's rights under this section are in addition to any other rights or remedies Landlord may have under the terms of this Lease or under Michigan law. If Landlord uses all or part of the Security Deposit, within 60 days after demand by Landlord, Tenant must pay Landlord sufficient funds to restore the Security Deposit to its original amount. Any unused portion of the Security Deposit must be returned to Tenant, without interest, within 30 days of the later of (a) the termination of the Lease, (b) Tenant's surrender of the Premises, or (c) the return of the keys to Landlord. If Landlord uses the Security Deposit, within 60 days after a demand by Landlord, Tenant must pay Landlord sufficient funds to restore the Security Deposit to its original amount. Any unused portion of the Security Deposit will be returned to Tenant, without interest, within 30 days after Tenant's surrender of the Premises in accord with this Lease.

19. Remedies. If any Rent payable by Tenant to Landlord remains unpaid for more than 5 days after the date when rent is due, or if Tenant violates or defaults in the performance of any of its non-monetary obligations in this Lease and the non-monetary violation or default continues for a period of 10 days after written notice (unless the default involves a hazardous condition, which shall be cured forthwith, or unless the failure to perform is a default for which this Lease specifies there is no cure or grace period), then Landlord may (but will not be required to) declare this Lease forfeited and the term ended, or re-enter the Premises, or may exercise all other remedies available under Michigan law. Landlord will not be liable for damages to any persons or property by reason of any legitimate re-entry or forfeiture, and Landlord will be aided and assisted by Tenant, its agents, representatives and employees. Tenant, by the execution of this Lease, waives notice of re-entry by Landlord. In the event of re-entry by Landlord without declaration of forfeiture, the liability of Tenant for the Rent provided herein will not be relinquished or

extinguished for the balance of the term, and any Rent prepaid may be retained by Landlord and applied against the costs of re-entry, or as liquidated damages, or both. Tenant will pay, in addition to the Rent, and other sums agreed to be paid hereunder, reasonable attorneys' fees, costs and expenses in any suit or action instituted by involving Landlord to enforce the provisions of, or the collection of the Rent due Landlord under this Lease, including any proceeding under the Federal Bankruptcy Code.

If Tenant is adjudged bankrupt or insolvent, files or consents to the filing of a petition in bankruptcy under Federal or State law, applies for or consents to the appointment of a receiver for all or substantially all of its assets, makes a general assignment for the benefit of its creditors, fails generally to pay its debts or does anything which, under the applicable provisions of the Federal Bankruptcy Code would permit a petition to be filed by or against Tenant, then Tenant shall be in default under this Lease and to the extent from time to time permitted by applicable law, including but not limited to the Federal Bankruptcy Code, Landlord shall be entitled to exercise all remedies set forth in the preceding paragraph. In a reorganization under Chapter 11 of the Federal Bankruptcy Code, the debtor or trustee must assume this Lease or assign it within 60 days from the filing of the proceeding, or he shall be deemed to have rejected and terminated this Lease. Tenant acknowledges that its selection to be a tenant of the Building was premised in material part on Landlord's determination of Tenant's creditworthiness and ability to perform the economic terms of this Lease, and Landlord's further determination that Tenant and the character of its occupancy and use of the Premises would be compatible with the nature of the Building and other tenants thereof. Therefore, if Tenant, as debtor, or its trustee elects to assume or assign this Lease, in addition to complying with all other requirements for assumption or assignment under the Federal Bankruptcy Code, then Tenant, as debtor, or its trustee or assignee, as the case may be, must also provide adequate assurance of future performance, including but not limited to a deposit, the amount of which shall be reasonably determined based on the duration of time remaining in the term, the physical condition of the Premises at the time the proceeding was filed, and such damages as may be reasonably anticipated after reinstatement of the Lease, taking into account rental market conditions at the time of the reinstatement. In the event of an assignment, Landlord must be reasonably assured that the financial condition of the assignee is sound, and that its use of the Premises will be compatible with the Building and its other tenants.

In the event of declaration of forfeiture at or after the time of re-entry, Landlord may re-lease the Premises or any portion(s) thereof for a term or terms and at a rent which may be less than or exceed the balance of the term of and the Rent reserved under this Lease. In such event Tenant shall pay to Landlord as liquidated damages for Tenant's default any deficiency between the total Rent reserved and the net amount, if any, of the rents collected on account of the lease or leases of the Premises which otherwise would have constituted the balance of the term of this Lease. In computing such liquidated damages, there will be added to the deficiency any expenses for which

Landlord may incur in connection with re-leasing the Premises, such as legal expenses, attorneys' fees, brokerage fees and expenses, advertising and for keeping the Premises in good order or for preparing the Premises for re-leasing. Any such liquidated damages will be paid in monthly installments by Tenant on the day rent is due and any suit brought to collect the deficiency for any month will not prejudice Landlord's right to collect the deficiency for any subsequent month by a similar proceeding. In lieu of the foregoing computation of liquidated damages, Landlord may elect, at its sole option, to receive liquidated damages in one payment equal to any deficiency between the total Rent reserved hereunder and the fair and reasonable rental of the Premises.

Whether or not forfeiture has been declared, Landlord will not be responsible in any way for failure to release the Premises or, in the event that the Premises are released, for failure to collect the rent under such re-leasing. The failure of Landlord to re-lease all or any part of the Premises will not release or affect Tenant's Liability for Rent or damages.

20. Condition on Expiration. On Expiration, Tenant must promptly deliver all keys for the Premises to Landlord. Tenant will surrender the Premises broom clean and in the same condition as on the Commencement Date, reasonable wear and tear excepted. Any damage to the Premises resulting from the removal of trade fixtures or other items of personal property will be repaired at Tenant's expense. Tenant will reimburse all expenses paid or incurred by Landlord in connection with repairing or restoring the Premises to the designated condition immediately upon demand. Tenant will remove its personal property and trade fixtures from the Premises immediately on termination. Tenant represents that it is Tenant's intention that all personal property and trade fixtures remaining on the Premises after termination are abandoned by Tenant.

21. Communications. All notices, demands, requests, consents, and communications required or provided under this Lease (Communications) must be in writing. Any Communications from Landlord to Tenant are deemed duly and sufficiently given if a copy has been: (a) personally delivered; (b) mailed by U.S. mail, postage prepaid; or (c) sent by professional delivery service to Tenant at the Tenant Notice Address or another address that Tenant has designated in writing or emailed to tenant. Any Communications from Tenant to Landlord are deemed duly and sufficiently given if delivered to Landlord in the same manner at the Landlord Notice Address or another address that Landlord has designated in writing. Communications sent by U.S. mail are deemed received on the next regular day for the delivery of mail after the day on which they were mailed.

22. Construction and Interpretation. This Lease will be construed in accord with Michigan law. This Lease has been negotiated at arm's length and carefully reviewed by both parties. This Lease is not to be construed against Landlord.

The use of the word *may* in describing the right of a party means that the party has the discretion, but not the obligation, to exercise that right. Furthermore, the exercise of the right is not an election of remedies or a waiver of any other right or claim. The use of the words *will* or *shall* in describing an obligation of a party means that the party must perform that obligation. The use of the words *include* and *including* is intended to be illustrative, not exhaustive.

The parties will rely solely on the terms of this Lease to govern their relationship. This Lease merges all proposals, negotiations, representations, agreements, and understandings with respect to the Lease. There are no representations with respect to the condition of the Premises, or any other matter in any way related to the Premises or this Lease except as expressly set forth in this Lease. There are no damages within the contemplation of the parties except as expressly identified in this Lease. No rights, covenants, easements, or licenses may arise by implication. Reliance on any representation, omission, action, or inaction outside of this Lease is unreasonable and does not establish any rights or obligations on the part of either party. This Lease may only be modified or amended by a written document signed by Landlord and Tenant. There may be no oral modifications or amendments of this Lease, whether or not supported by consideration.

No endorsement or statement on any check or on any letter accompanying any check will be deemed an accord and satisfaction. Landlord may accept any check or payment without prejudice to Landlord's right to recover the balance of the amount due or to pursue any other remedy. Tenant acknowledges that the Annual Base Rent is a liquidated claim. Tenant waives any requirement that Landlord tender back funds as a condition to bringing an action to collect unpaid Annual Base Rent. No covenant or breach is intended to be waived unless a waiver is clearly expressed in a document (a) signed by the waiving party; (b) specifically identifying the covenant or breach; and (c) expressly stating that it is a waiver of the identified covenant or breach. The waiver of a covenant or breach is not construed as a continuing waiver of the same covenant or of any future breach. Consent by Landlord to any act requiring Landlord's consent does not constitute a waiver of the requirement of Landlord's consent with respect to any similar or subsequent act. Tenant is not entitled to surrender the Premises to avoid liability for Rent unless (a) an acceptance of the surrender is evidenced in a document signed by Landlord and (b) the document expressly states that it is the acceptance of a surrender. No action or inaction, other than as expressly provided in this section, may be construed as an acceptance of surrender by Landlord.

Notwithstanding anything to the contrary, Tenant's obligation to pay Rent is a material and independent covenant and is not subject to setoff, recoupment, or suspension. Notwithstanding anything to the contrary, Landlord has no obligation to mitigate any claim for Rent.

Time is of the essence with respect to both the definition of a Material Breach and the exercise of options, if any, within the Lease.

If any covenant of this Lease is invalid, illegal, or unenforceable, that covenant will be enforced to the fullest extent permitted by law, and the validity, legality, and enforceability of the remaining covenants will not in any way be affected or impaired.

23. Arbitration. Except for any claim arising out of or relating to Tenant's default in the payment of rent, Landlord and Tenant agree to submit any and all other claims, controversies and disputes between Tenant and Landlord arising out of or relating to the Premises, this Lease, or Tenant's and Landlord's performances due hereunder, to arbitration pursuant to the Michigan Uniform Arbitration Act ("UAA"), MCL 691.1681 *et seq.* Judgment upon the award rendered by the arbitrator(s) may be entered in any court of competent jurisdiction.

24. Waiver of Jury Trial. As a material inducement to Landlord to enter into this Lease, except for claims required to be settled by arbitration pursuant to this Lease, Tenant hereby waives its right to a trial by jury of any claims arising out of or relating to its obligations under this Lease or its occupancy of the Premises. Tenant acknowledges that it has read and understood the foregoing provision.

25. Authorized and binding. Tenant and each person executing this Lease on its behalf warrant and represent to Landlord that (a) Tenant is validly organized, existing, and authorized to do business under Michigan law; (b) Tenant has full power and lawful authority to enter into this Lease; and (c) the execution of this Lease by the individual who has signed below is legally binding on Tenant in accordance with its terms. Landlord and each person executing this Lease on its behalf warrant and represent to Tenant that (a) Landlord is validly organized, existing, and authorized to do business under Michigan law; (b) Landlord has full power and lawful authority to enter into this Lease; and (c) the execution of this Lease by the individual who has signed below is legally binding on Landlord in accordance with its terms. This Lease is binding on successors and assigns.

Landlord reserves the right to make alterations or additions to the Property, to demolish or build improvements on the Property, and to change the name of the Building, in its sole discretion without the consent of Tenant.

3. **Term.** The Term means 1 Lease Year. The term commences on the Commencement Date and expires on the Expiration Date, unless otherwise terminated or extended as provided in this Lease.

4. **Annual Base Rent.** Beginning on the Commencement Date, Tenant will pay Landlord the Annual Base Rent. Tenant will pay the Annual Base Rent by Monthly Installment of Base Rent, to the order of Landlord, in advance, on the first day of each calendar month, at Landlord's office or any other place that Landlord designates in writing. Any Rent that is not received within **30** days after its due date will bear simple interest at 10%. 5. **Maintenance Expenses.** Tenant will pay as Additional Rent its Proportionate Share of any Maintenance Expenses, i.e. **3.9%** of maintenance expenses for HVAC equipment that services the Premises and 100% of maintenance expenses for repairs to the Premises. Cost for repairs will be due net 30 days after invoice. HVAC equipment does not include boiler or chiller replacement, but would include maintenance to those systems.

6. **Liens.** Tenant must maintain the Premises in good repair to the reasonable satisfaction of Landlord, in a clean and safe condition, and in accord with Applicable Laws. Landlord and Tenant will negotiate and define any substantial structural alterations prior to undertaking such changes. Any alterations to the Premises must comply with the Americans with Disabilities Act of 1990.

Tenant must keep the Premises free of construction or other liens. Tenant will hold Landlord harmless against any liens placed against the Premises, except those attributable to the acts of Landlord. If a lien is filed against the Premises as the result of any action undertaken by Tenant, Tenant must discharge the lien within 60 days after receiving notice of the lien. If Tenant fails to discharge the lien, Landlord may procure a discharge at Tenant's expense, which Tenant must pay immediately on a demand from Landlord.

7. **Hours of Occupancy.** Tenant shall be entitled to occupy the Premises between the hours of **5 A.M.** and **10 P.M.**, **Monday**[day of week] through **Sunday**[day of week]. In the event Tenant wishes to occupy the Premises at other times, it shall notify Landlord in writing of its requested additional occupancy, setting forth the requested date(s) and inclusive times, no less than five (5) business days before the proposed occupancy. Tenant agrees to reimburse Landlord in full for Landlord's actual incremental custodial and other costs associated with making the Premises available to Tenant during such additional occupancy periods.

8. **Services.** Landlord will furnish heat and air-conditioning during normal business hours (**Regular occupied hours are 6:00 a.m. to 5:00 p.m., Monday through Sunday.**

Occupied heating setpoint is 70 degrees, occupied cooling is 72 degrees. Unoccupied heating is 60 degrees and unoccupied cooling is 80 degrees. All temps are plus or minus 2 degrees. Tenants Services will require tenants to schedule HVAC outside of regular occupied hours, if HVAC is required. Tenants requesting HVAC services, outside of regular occupied hours, will not be charged during this lease); electricity; water for ordinary lavatory purposes; and use in common of the Building's common areas, rest rooms, and similar facilities. Landlord will also perform the janitorial services in all common areas. Tenant's leased area should be kept clean by tenant.

No sign may be erected by Tenant on the Premises without the prior written consent of the Landlord, which consent shall not be unreasonably withheld or delayed. If such consent is given, the size, type, design, legend, and location must be in compliance with all applicable laws and ordinances, and must be approved by Landlord. Tenant hereby acknowledges and agrees to maintain, at Tenant's sole cost and expense, any sign erected by Tenant pursuant to this paragraph in good repair and working order at all times. In addition, Tenant hereby agrees to indemnify, defend and hold Landlord harmless (using counsel of Landlord's choice) from and against any cost, expense, claim or liability, including reasonable attorneys' fees, arising from or related to any sign erected by Tenant on the Premises or the maintenance thereof.

Any service the Landlord is required to furnish may be furnished by Landlord's managing agent or by one or more independent contractors.

Landlord is not liable for interruption in Utilities caused by riots, strikes, labor disputes, wars, terrorist acts, accidents, or any other cause beyond the control of Landlord. Landlord may interrupt Utilities to make repairs or improvements. Interruption in Utilities does not constitute an act of eviction; nor does any interruption in Utilities release Tenant from any obligation under this Lease, including the payment of Rent.

9. Holding Over. If Tenant remains in possession of the Premises after the Expiration Date with the consent of Landlord, it will occupy the Premises as a holdover tenant on a month-to-month basis. Landlord may withhold its consent to holdover in its sole discretion. If Landlord consents to the holdover, Tenant is subject to all the covenants of this Lease to the extent they can be applied to a month-to-month tenancy, except that the Monthly Installment of Base Rent for each month of the holdover will be one-hundred twenty-five percent of the Monthly Installment of Base Rent payable during the last month of the Term. This covenant does not preclude Landlord from recovering damages if Tenant fails to timely deliver possession of the Premises after termination of the holdover, nor does it establish any right to extend or renew the Term. If Tenant holds over after the expiration of the Term without Landlord's consent, Tenant is liable for all damages resulting from the holdover. It is expressly within the contemplation of the parties that such damages may include (a) the reasonable rental value of the Premises; (b) any damages arising from the loss of any sale, lease, or refinancing of the Premises; (c) any lost profits incurred by Landlord; and (d) any treble, double, or statutory damages allowed under the Applicable Laws.

10. Quiet Enjoyment. Unless this Lease is terminated or Tenant is evicted in accord with Michigan law, Landlord will not disturb Tenant's quiet enjoyment of the Premises or unreasonably interfere with Tenant's Designated Use of the Premises. Landlord shall have the right from time to time, upon 24 hours prior notice to Tenant, to inspect the Premises to confirm Tenant's compliance with this Lease. Landlord's inspection shall in no way disrupt or interfere with Tenant's school operation. Tenant must permit Landlord to enter the Premises during regular business hours for the purpose of inspection or to show the Premises to prospective purchasers, mortgagees, and tenants.

11. Use of the Premises. The Premises will be used for the Designated Use and for no other purpose. Tenant will not use the Premises in any manner which violates the Building Rules or Applicable Laws. The Building Rules may be amended by Landlord in its reasonable discretion.

12. Indemnification. Tenant will indemnify and defend Landlord against all claims for bodily injury or property damage relating to the Premises. The claims covered by this indemnification include all claims for bodily injury or property damage relating to (a) the condition of the Premises; (b) the use or misuse of the Premises by Tenant or its agents, contractors, or invitees; or (c) any event on the Premises, whatever the cause. Tenant's indemnification does not extend to liability for damages resulting from the sole or gross negligence of Landlord or for Landlord's intentional misconduct.

13. Limitations on Landlord's liability. The Landlord, as defined in this Lease, includes successors in interest. The term is intended to refer to the owner of the Premises at the time in question. If the Premises are sold, the new owner will automatically be substituted as the Landlord.

Landlord shall not be responsible or liable to Tenant for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying adjoining areas or any part of the area adjacent to or connected with the Premises or any part of the structures or improvements on the Premises for any loss or damage resulting to Tenant or its property from theft or a failure of the security systems, if any, in the Premises or structures containing the Premises, or for any damage or loss of property within the Premises from any cause other than solely by reason of the willful act of Landlord, and no such occurrence shall be deemed to be an actual or constructive eviction from the Premises or result in an abatement of rents.

If Landlord fails to perform this Lease and as a result Tenant recovers a money judgment against Landlord, the judgment will be satisfied out of the execution and sale of Landlord's interest in the Property or by garnishment against the rents or other income from the Property. Landlord is not liable for any deficiency. This section constitutes Tenant's sole and exclusive remedy for breach.

Conditioned solely on the sale of the Property, Tenant agrees to the following release in favor of its then former landlord. Effective on the first anniversary of the date on which Tenant is given notice of the sale, Tenant releases its former landlord from all claims except those expressly preserved in this section. This release is intended to be broadly construed for the benefit of the former landlord and includes (a) all claims regarding the performance of this Lease; (b) all claims for bodily injury or property damage relating to the Premises; and (c) all claims in any other way relating to the Lease, the Premises, or the landlord-tenant relationship. However, this release does not extend to any claim filed in a court of appropriate jurisdiction within one year of the date of sale or to any claim for bodily injury or property damage resulting from the former landlord's gross negligence or intentional misconduct.

14. Insurance. Tenant, at Tenant's sole expense, agrees to maintain in force, with a company or companies acceptable to Landlord, during the term of this Lease: (a) Commercial General Liability Insurance on a primary basis covering the Premises on an occurrence basis against all claims for personal injury, bodily injury, death and property damage, including contractual liability covering the indemnification provision in this Lease. Such insurance shall, at a minimum, be maintained in an amount of \$1,000,000.00 per occurrence and an additional \$3,000,000.00 in umbrella coverage for the above claims; (b) Workers' Compensation and Employers' Liability Insurance for an amount of not less than \$500,000.00, both in accordance with the State of Michigan; and (c) In the event a motor vehicle is to be used by Tenant in connection with its business operation from the Premises, Comprehensive Automobile Liability Insurance coverage with limits of not less than \$1,000,000.00 combined single limit coverage against bodily injury and liability arising out of the use by or on behalf of Tenant, its agents and employees in connection with this Lease, of any owned, non-owned or hired motor vehicles.

Each Policy referred to above shall satisfy the following requirements. Each policy shall (i) name Landlord as an additional insured (except Workers' Compensation and Employers' Liability Insurance), (ii) be issued by one or more reasonable insurance companies licensed to do business in the State of Michigan reasonably satisfactory to Landlord, (iii) where applicable, provide for deductible amounts satisfactory to Landlord, (iv) shall provide that such insurance may not be cancelled or amended without 30 days' prior written notice to Landlord, and (v) shall provide that the policy shall not be invalidated should the insured waive in writing prior to a loss, any or all rights of recovery against any other party for losses covered by such policies. Tenant shall deliver to Landlord certificates of insurance and at Landlord's request, copies of all policies and renewals thereof to be maintained by Tenant hereunder, not less than 10 days prior to the commencement of this Lease and not less than 10 days prior to the expiration date of each policy.

15. Fire or Other Casualty. Tenant must give Landlord notice of fire or other casualty on the Premises. In addition to the written notice, Tenant must immediately and with all diligence attempt to contact Landlord by all means available, including

telephone, pager, fax, and e-mail, to inform Landlord of the casualty. If the Premises are damaged or destroyed by fire or other casualty, Landlord may terminate this Lease by notice to Tenant. The notice of termination must be given within 30 days after the occurrence of the casualty. If the notice of termination is not given within that period, this termination option will lapse and no longer be effective. Within 30 days after the notice of termination has been given, Tenant must surrender the Premises to Landlord. After the surrender, each party is released from any further obligations under this Lease, with the following exceptions: (a) all Rent accruing through the surrender date must be paid in full, and (b) the Security Deposit will be retained or returned as provided in this Lease. Tenant has no obligation to pay any Rent accruing after the surrender date. If Landlord does not exercise this option within the designated period, Landlord must diligently proceed to repair and restore the Premises to its condition before the casualty.

16. Assignment and Subletting. Tenant must not assign this Lease or sublet the Premises without the prior consent of Landlord, which may be withheld in Landlord's sole discretion.

17. Subordination and Estoppel Certificates. At Landlord's mortgagee's option, (a) any mortgage or mortgages now or later placed on Landlord's interest in the Premises may be subordinated to this Lease or (b) this Lease may be subordinated to any mortgage or mortgages now or later placed on Landlord's interest in the Premises. The mortgagee's option must be exercised by notice to Tenant. Tenant must execute and deliver, within 30 days after a request, any further instruments, in a form acceptable to the mortgagee, confirming subordination as requested by Landlord or Landlord's mortgagee.

In the event of foreclosure or any conveyance by deed in lieu of foreclosure, Tenant must attorn to Landlord's successor in interest, provided that the successor agrees in writing to recognize Tenant's rights under this Lease. Tenant must execute and deliver, within 30 days after a request, any further instruments, in a form acceptable to Landlord's successor in interest, attorning to the successor in interest and recognizing it as Landlord under this Lease.

Within 30 days after a demand by Landlord, Tenant must execute and deliver to Landlord an estoppel certificate, in a form acceptable to Landlord, certifying

- a. the Commencement Date;
- b. the Expiration Date;
- c. that this Lease is unmodified and in full force and effect, or is in full force and effect as modified, stating the modifications;
- d. that the Lease is not in default, or a list of any defaults;

- e. that Tenant does not claim any rights of setoff, or a list of rights of setoff;
- f. the amount of Rent due as of the date of the certificate, or the date to which the Rent has been paid in advance;
- g. the amount of any Security Deposit; and
- h. other matters reasonably requested by Landlord.

Landlord and any prospective purchaser of the Premises may rely on this certificate. It is within the contemplation of the parties that Tenant's failure to provide the estoppel certificate could result in the loss of a prospective sale or loan and that Tenant is liable for all damages resulting from such a loss.

18. Security Deposit. Within 1 day of the Lease Date, Tenant must deposit the Security Deposit with Landlord. The Security Deposit will be used to secure Tenant's performance of this Lease. Landlord may commingle the Security Deposit with its own funds. If Tenant fails to pay Rent or otherwise commits a Breach, Landlord may apply all or part of the Security Deposit to make the payment or cure the Breach. Landlord's rights under this section are in addition to any other rights or remedies Landlord may have under the terms of this Lease or under Michigan law. If Landlord uses all or part of the Security Deposit, within 60 days after demand by Landlord, Tenant must pay Landlord sufficient funds to restore the Security Deposit to its original amount. Any unused portion of the Security Deposit must be returned to Tenant, without interest, within 30 days of the later of (a) the termination of the Lease, (b) Tenant's surrender of the Premises, or (c) the return of the keys to Landlord. If Landlord uses the Security Deposit, within 60 days after a demand by Landlord, Tenant must pay Landlord sufficient funds to restore the Security Deposit to its original amount. Any unused portion of the Security Deposit will be returned to Tenant, without interest, within 30 days after Tenant's surrender of the Premises in accord with this Lease.

19. Remedies. If any Rent payable by Tenant to Landlord remains unpaid for more than 5 days after the date when rent is due, or if Tenant violates or defaults in the performance of any of its non-monetary obligations in this Lease and the non-monetary violation or default continues for a period of 10 days after written notice (unless the default involves a hazardous condition, which shall be cured forthwith, or unless the failure to perform is a default for which this Lease specifies there is no cure or grace period), then Landlord may (but will not be required to) declare this Lease forfeited and the term ended, or re-enter the Premises, or may exercise all other remedies available under Michigan law. Landlord will not be liable for damages to any persons or property by reason of any legitimate re-entry or forfeiture, and Landlord will be aided and assisted by Tenant, its agents, representatives and employees. Tenant, by the execution of this Lease, waives notice of re-entry by Landlord. In the event of re-entry by Landlord without declaration of forfeiture, the liability of Tenant for the Rent provided herein will not be relinquished or

extinguished for the balance of the term, and any Rent prepaid may be retained by Landlord and applied against the costs of re-entry, or as liquidated damages, or both. Tenant will pay, in addition to the Rent, and other sums agreed to be paid hereunder, reasonable attorneys' fees, costs and expenses in any suit or action instituted by involving Landlord to enforce the provisions of, or the collection of the Rent due Landlord under this Lease, including any proceeding under the Federal Bankruptcy Code.

If Tenant is adjudged bankrupt or insolvent, files or consents to the filing of a petition in bankruptcy under Federal or State law, applies for or consents to the appointment of a receiver for all or substantially all of its assets, makes a general assignment for the benefit of its creditors, fails generally to pay its debts or does anything which, under the applicable provisions of the Federal Bankruptcy Code would permit a petition to be filed by or against Tenant, then Tenant shall be in default under this Lease and to the extent from time to time permitted by applicable law, including but not limited to the Federal Bankruptcy Code, Landlord shall be entitled to exercise all remedies set forth in the preceding paragraph. In a reorganization under Chapter 11 of the Federal Bankruptcy Code, the debtor or trustee must assume this Lease or assign it within 60 days from the filing of the proceeding, or he shall be deemed to have rejected and terminated this Lease. Tenant acknowledges that its selection to be a tenant of the Building was premised in material part on Landlord's determination of Tenant's creditworthiness and ability to perform the economic terms of this Lease, and Landlord's further determination that Tenant and the character of its occupancy and use of the Premises would be compatible with the nature of the Building and other tenants thereof. Therefore, if Tenant, as debtor, or its trustee elects to assume or assign this Lease, in addition to complying with all other requirements for assumption or assignment under the Federal Bankruptcy Code, then Tenant, as debtor, or its trustee or assignee, as the case may be, must also provide adequate assurance of future performance, including but not limited to a deposit, the amount of which shall be reasonably determined based on the duration of time remaining in the term, the physical condition of the Premises at the time the proceeding was filed, and such damages as may be reasonably anticipated after reinstatement of the Lease, taking into account rental market conditions at the time of the reinstatement. In the event of an assignment, Landlord must be reasonably assured that the financial condition of the assignee is sound, and that its use of the Premises will be compatible with the Building and its other tenants.

In the event of declaration of forfeiture at or after the time of re-entry, Landlord may re-lease the Premises or any portion(s) thereof for a term or terms and at a rent which may be less than or exceed the balance of the term of and the Rent reserved under this Lease. In such event Tenant shall pay to Landlord as liquidated damages for Tenant's default any deficiency between the total Rent reserved and the net amount, if any, of the rents collected on account of the lease or leases of the Premises which otherwise would have constituted the balance of the term of this Lease. In computing such liquidated damages, there will be added to the deficiency any expenses for which

Landlord may incur in connection with re-leasing the Premises, such as legal expenses, attorneys' fees, brokerage fees and expenses, advertising and for keeping the Premises in good order or for preparing the Premises for re-leasing. Any such liquidated damages will be paid in monthly installments by Tenant on the day rent is due and any suit brought to collect the deficiency for any month will not prejudice Landlord's right to collect the deficiency for any subsequent month by a similar proceeding. In lieu of the foregoing computation of liquidated damages, Landlord may elect, at its sole option, to receive liquidated damages in one payment equal to any deficiency between the total Rent reserved hereunder and the fair and reasonable rental of the Premises.

Whether or not forfeiture has been declared, Landlord will not be responsible in any way for failure to release the Premises or, in the event that the Premises are released, for failure to collect the rent under such re-leasing. The failure of Landlord to re-lease all or any part of the Premises will not release or affect Tenant's Liability for Rent or damages.

20. Condition on Expiration. On Expiration, Tenant must promptly deliver all keys for the Premises to Landlord. Tenant will surrender the Premises broom clean and in the same condition as on the Commencement Date, reasonable wear and tear excepted. Any damage to the Premises resulting from the removal of trade fixtures or other items of personal property will be repaired at Tenant's expense. Tenant will reimburse all expenses paid or incurred by Landlord in connection with repairing or restoring the Premises to the designated condition immediately upon demand. Tenant will remove its personal property and trade fixtures from the Premises immediately on termination. Tenant represents that it is Tenant's intention that all personal property and trade fixtures remaining on the Premises after termination are abandoned by Tenant.

21. Communications. All notices, demands, requests, consents, and communications required or provided under this Lease (Communications) must be in writing. Any Communications from Landlord to Tenant are deemed duly and sufficiently given if a copy has been: (a) personally delivered; (b) mailed by U.S. mail, postage prepaid; or (c) sent by professional delivery service to Tenant at the Tenant Notice Address or another address that Tenant has designated in writing or emailed to tenant. Any Communications from Tenant to Landlord are deemed duly and sufficiently given if delivered to Landlord in the same manner at the Landlord Notice Address or another address that Landlord has designated in writing. Communications sent by U.S. mail are deemed received on the next regular day for the delivery of mail after the day on which they were mailed.

22. Construction and Interpretation. This Lease will be construed in accord with Michigan law. This Lease has been negotiated at arm's length and carefully reviewed by both parties. This Lease is not to be construed against Landlord.

The use of the word *may* in describing the right of a party means that the party has the discretion, but not the obligation, to exercise that right. Furthermore, the exercise of the right is not an election of remedies or a waiver of any other right or claim. The use of the words *will* or *shall* in describing an obligation of a party means that the party must perform that obligation. The use of the words *include* and *including* is intended to be illustrative, not exhaustive.

The parties will rely solely on the terms of this Lease to govern their relationship. This Lease merges all proposals, negotiations, representations, agreements, and understandings with respect to the Lease. There are no representations with respect to the condition of the Premises, or any other matter in any way related to the Premises or this Lease except as expressly set forth in this Lease. There are no damages within the contemplation of the parties except as expressly identified in this Lease. No rights, covenants, easements, or licenses may arise by implication. Reliance on any representation, omission, action, or inaction outside of this Lease is unreasonable and does not establish any rights or obligations on the part of either party. This Lease may only be modified or amended by a written document signed by Landlord and Tenant. There may be no oral modifications or amendments of this Lease, whether or not supported by consideration.

No endorsement or statement on any check or on any letter accompanying any check will be deemed an accord and satisfaction. Landlord may accept any check or payment without prejudice to Landlord's right to recover the balance of the amount due or to pursue any other remedy. Tenant acknowledges that the Annual Base Rent is a liquidated claim. Tenant waives any requirement that Landlord tender back funds as a condition to bringing an action to collect unpaid Annual Base Rent. No covenant or breach is intended to be waived unless a waiver is clearly expressed in a document (a) signed by the waiving party; (b) specifically identifying the covenant or breach; and (c) expressly stating that it is a waiver of the identified covenant or breach. The waiver of a covenant or breach is not construed as a continuing waiver of the same covenant or of any future breach. Consent by Landlord to any act requiring Landlord's consent does not constitute a waiver of the requirement of Landlord's consent with respect to any similar or subsequent act. Tenant is not entitled to surrender the Premises to avoid liability for Rent unless (a) an acceptance of the surrender is evidenced in a document signed by Landlord and (b) the document expressly states that it is the acceptance of a surrender. No action or inaction, other than as expressly provided in this section, may be construed as an acceptance of surrender by Landlord.

Notwithstanding anything to the contrary, Tenant's obligation to pay Rent is a material and independent covenant and is not subject to setoff, recoupment, or suspension. Notwithstanding anything to the contrary, Landlord has no obligation to mitigate any claim for Rent.

Time is of the essence with respect to both the definition of a Material Breach and the exercise of options, if any, within the Lease.

If any covenant of this Lease is invalid, illegal, or unenforceable, that covenant will be enforced to the fullest extent permitted by law, and the validity, legality, and enforceability of the remaining covenants will not in any way be affected or impaired.

23. Arbitration. Except for any claim arising out of or relating to Tenant's default in the payment of rent, Landlord and Tenant agree to submit any and all other claims, controversies and disputes between Tenant and Landlord arising out of or relating to the Premises, this Lease, or Tenant's and Landlord's performances due hereunder, to arbitration pursuant to the Michigan Uniform Arbitration Act ("UAA"), MCL 691.1681 *et seq.* Judgment upon the award rendered by the arbitrator(s) may be entered in any court of competent jurisdiction.

24. Waiver of Jury Trial. As a material inducement to Landlord to enter into this Lease, except for claims required to be settled by arbitration pursuant to this Lease, Tenant hereby waives its right to a trial by jury of any claims arising out of or relating to its obligations under this Lease or its occupancy of the Premises. Tenant acknowledges that it has read and understood the foregoing provision.

25. Authorized and binding. Tenant and each person executing this Lease on its behalf warrant and represent to Landlord that (a) Tenant is validly organized, existing, and authorized to do business under Michigan law; (b) Tenant has full power and lawful authority to enter into this Lease; and (c) the execution of this Lease by the individual who has signed below is legally binding on Tenant in accordance with its terms. Landlord and each person executing this Lease on its behalf warrant and represent to Tenant that (a) Landlord is validly organized, existing, and authorized to do business under Michigan law; (b) Landlord has full power and lawful authority to enter into this Lease; and (c) the execution of this Lease by the individual who has signed below is legally binding on Landlord in accordance with its terms. This Lease is binding on successors and assigns.

THIRD AMENDMENT TO LEASE

THIS THIRD AMENDMENT TO LEASE (the “Amendment”) is made and entered this June ____, 2025, between **Bell Arbor Commons, LLC** (the “Landlord”), and **Washtenaw Intermediate School District**, a Public-School District (the “Tenant”).

RECITALS

WHEREAS, Tenant entered into a Lease Agreement with Landlord, dated May 21, 2014, (the “Lease”) which has been amended by an amendment dated June 23, 2014 and the Second Amendment dated February 21, 2019 for certain Premises located at **2835 Carpenter Road, Ann Arbor, Michigan 48108** commonly known as (the “Premises”);

WHEREAS, the term of the Lease will end June 30, 2025 and Tenant wishes to extend the term;

WHEREAS, Landlord and Tenant wish to amend the Lease on the terms and conditions hereinafter set forth;

NOW THEREFORE, in consideration of the mutual promises and covenants contained herein, and other valuable considerations, the adequacy of which is hereby acknowledged by the parties, it is hereby agreed by and between the parties as follows:

A. The current Term of the Lease is extended for three (3) years as follows:

1. July 1, 2025 – June 30, 2026: \$2,723.54. per month; \$32,682.48 per year.
2. July 1, 2026 – June 30, 2027: \$2,778.01 per month; \$33,336.12 per year.
3. July 1, 2027 – June 30, 2028: \$2,833.58 per month; \$34,002.96 per year.

B. **Funding Requirement**. Landlord and the Tenant acknowledge that there is a periodic discussion in the Michigan legislature regarding the provision of special education services to young adults between the ages of 22-26. The age group makes up a large portion of students planned to be located at the Premises. The impact of any proposed legislation is unknown but could potentially result in the Tenant no longer providing services to those young adults in the 22-26 age group. Due to the uncertainty, the Landlord and the Tenant agree that if the legislation is passed that affects the services for those aged 22-26 so that the funding is decreased from its current levels by more than 15% from the prior year, Tenant shall have the right to terminate the lease as of June 30th of the current lease year; provided that Tenant has notified Landlord in writing ninety (90) days after the Michigan Governor signs such budget/legislation into law (“Termination Period”). After the expiration of the Termination Period, Tenant’s right to terminate as provided herein shall be void.

C. **Carpet Installation**. Following the full execution of this Amendment, Landlord shall, at its sole cost and expense, cause new carpet to be installed throughout the Premises within

ninety (90) days. The carpet shall be Tandus Tarkett Aftermath II (03026-23509 Flannel) with a new 4" standard cove base. Landlord shall coordinate the timing and manner of the installation with Tenant to minimize disruption to Tenant's business operations.

- D. Except as specifically modified herein, the Lease shall remain in full force and effect.
- E. This Amendment may be executed in multiple counterparts and by use of counterpart signature pages all such counterparts shall constitute one agreement. Signature pages bearing electronic signatures shall be effective for purposes of binding the parties and shall be deemed originals

{Signature page follows on the next page.}

The parties hereto have executed this Amendment to Lease as of the day and year first above written.

5. Either party may terminate this Agreement by giving the other 30 days advance written notice.
6. WISD may change the duties of the Contractor as above described, but such change shall not be a substantial alternation of the Contractor's duties, nor can such change be made without the input of the Contractor.

SECTION IV – INSURANCE COVERAGE

In the event that the Contractor uses motor vehicles in the course of performing the services above described, the Contractor shall provide to WISD proof of public liability insurance and property damage insurance in such sums as shall be deemed appropriate by WISD.

The Contractor shall maintain at his/her own expense during the term of this Contract, the following insurance:

Reprimands and Discharge

Section 1 - Reprimands

- 9.1.1 Reprimands, discipline, and suspensions with or without pay shall only be for reasons that are not arbitrary and capricious (see Section 3 regarding Discharge and Demotion). Disciplinary interviews and reprimands will be considered in private. An affected employee will be notified in writing prior to an interview, fact finding, inquiry, etc. of their right to Federation representation by management. If any meeting turns into a disciplinary interview and/or reprimand, the affected employee may stop the meeting and ask for Federation representation. An affected employee will, however, have the right in all such instances to request the presence of a local Federation representative of his/her choice at said interview and, when such a request is made, the interview will not proceed until the representative is in attendance. The Employer shall have a similar right to include a representative of its choice at said meeting. The Federation will share the current list of all Federation representatives to the Employer when changes occur.

The right to choose a representative shall not be used to unnecessarily delay the interview process. Except as required by law, the initial interview will be conducted within fifteen (15) workdays after the date the Employer becomes knowledgeable of the identified/incident/event. Upon request, the Employer will produce the affected employee and the Federation with an update regarding the status as frequently as a bi-weekly basis.

~~(This section does not apply to those positions covered by the Michigan Teacher Tenure Act.)~~

- 9.1.2 In the case of serious offenses, the above language will not interfere with the Employer's right to take immediate action including suspension with pay until appropriate interviews and hearings can be held.

Section 2 - Progressive Discipline

- 9.2.1 The Superintendent or his/her designee shall conduct an investigation of any alleged act or omission that could lead to disciplinary action, as appropriate to the situation. The investigation shall include, at a minimum, providing the employee with reasonable notice and opportunity to respond to the complaint. If the investigation includes a meeting with the employee, prior notice of this meeting shall be provided to the employee.

An affected employee shall have the right in all instances to request the presence of a Federation representative of his/her choice at said meeting. When such a request is made, the interview shall not proceed until a representative is in attendance. The right to choose a representative shall not be used to unnecessarily delay the interview process.

Except for conduct, which on first commission, justifies discharge, the parties adopt the concept of progressive discipline designed to necessitate corrective behavior and agree that movement on the discipline list below may be imposed consistent with the seriousness of the Employee's conduct as determined by the Employer.

Discipline may include, but is not limited to:

- A. Verbal warning (memorialized in writing)
- B. written warning;
- C. written reprimand;

- D. suspension (paid or unpaid);
- E. discharge;

Additionally, nothing in this provision limits the District's right to take other appropriate action, such as placing an employee on administrative leave during the pendency of an investigation or issuing a counseling memorandum, which is non-disciplinary. If it appears that disciplinary action beyond written reprimand may be necessary, the administrator should contact the Superintendent to discuss the disciplinary action that is to be taken.

If discipline is to be imposed, the staff member shall receive a copy of the discipline and the discipline shall be placed in the employee's personnel file.

~~(This section does not apply to those positions covered by the Michigan Teacher Tenure Act)~~

Section 3 – Discharge and Demotion

- 9.3.1 An employee shall be subject to dismissal, ~~reprimand, suspension without pay, discipline~~ or demotion for just cause only for demonstrable incompetence, willful abuse of administrative procedures, or when his/her behavior affects his/her professional performance in a negative fashion.

~~For positions whose employment is regulated by the Michigan Teachers' Tenure Act, 1937 PA 4, discharge or discipline may be made only for a reason that is not arbitrary and capricious.~~

- 9.3.2 Dismissal of a ~~second-year~~ probationary employee shall not be grievable by the employee under the provisions of the Grievance Procedure included herein, provided:

- a) The employee is furnished with written evaluations, based on direct observations, which evaluations specifically describe job-related deficiencies and contain constructive suggestions and/or methods for improvement under administrative guidance, and

- b) The employee, prior to the date of discharge, received a definite written statement containing the reasons for discharge.

- ~~9.3.3 Placement of an employee on a third year of probation shall not be grievable, provided:~~

- ~~a) The teacher is furnished with written evaluations, based on direct observations, which evaluations specifically describe job-related deficiencies and contain constructive suggestions and/or methods for improvement under administrative guidance; and~~

- ~~b) The teacher, prior to the date of being placed on a third year of probation, receives a written statement containing the reasons for the continued probation, which reasons are based upon the prior written evaluations.~~

Persons previously employed by the agency and who enter the bargaining unit on the same date as "new hires" will be given seniority preference.

205-day Unit II Employees

0 - 102 days (0% - 49%)	=	zero (0)
103 - 153 days (50% - 74%)	=	one-half year (1/2)
154 - 205 days (75% - 100%)	=	one year (1)

Bargaining unit employees working less than 1.0 FTE will be assigned partial credit (FTE working divided by 1.0 FTE) for the number of days they are working less than 1.0 FTE.

10.1.4 When the qualifications of two or more applicants for a job vacancy are found to be substantially equal, seniority may be used in the decision-making process and may be a tie breaker pursuant to applicable Board policy.

10.1.5 The Employer will provide the Federation with an updated seniority list by September 30 of each year following joint review of the seniority status of employees by Employer and Federation representatives.

- Workloads are defined as (but not limited to): caseload, travel, level of severity and multiplicity of needs, specific direct and consultative needs, number of sites, preparation time, training and supervision responsibilities, behavioral needs of students, classroom scheduling needs, number of students using assistive devices, technology and augmentative communication, team meetings, documentation requirements, assigned committees and other responsibilities.

- 18.1.17 When there are perceived workload problems:
1. Individual disciplines will meet to resolve problems and develop a potential solution prior to informing Management of the problem.
 2. Management and discipline team will meet to review proposed solution(s) (e.g., request for additional staff, assistance in prioritizing of workload responsibilities). If resolution is identified at the meeting, no formal written response will be required from Management. If the matter requires additional consideration by Management, a formal written proposal will be submitted by the employee. If the team determines the solution may increase an employee's work week to exceed 37.5 hours (or for part-time employees, in excess of their scheduled hours), the proposal must include that information, including the estimated time in excess of the employee's scheduled hours.
 3. Management will review and respond to proposed solutions in writing within fifteen (15) calendar days. If the review reveals a significant change, resulting in an inappropriate or inequitable workload, long-term or short-term adjustments will be made. If the approved solution includes hours in excess of the employee's regularly scheduled hours and the employee needs to work those hours, employees will have the option to be paid via timesheet at their current hourly rate for the additional hours worked or to receive flex time as stipulated in Article 18, Section 3.

If mutual agreement is not reached the issue will be reviewed by the Director of Special Education. Prep work may be completed at one of the WISD locations best suited for their needs with approval from the employee's supervisor and notification to the classroom staff. Timesheets must be submitted to the employee's supervisor by the designated due date for each pay period. Submission of time for previous pay periods will not be paid.

18.2.6 Work schedules shall be developed by employees and their immediate supervisors.

18.2.7 Employees that are not following a program calendar may plan flexible scheduling of their work week, with the approval of their supervisor, to best meet the needs of the students and/or the districts they serve.

Situations do occur where preapproval is not possible, including, but not limited to, a student bus or parent not arriving for student pick up on time; in such situations, a supervisor shall subsequently approve the extra hours. Part-time employees shall have this payment prorated based on the fraction of the number of days worked divided by the total number of workdays for a full-time, full school fiscal-year employee. For employees that do not work a full school fiscal-year due to beginning or ending employment, or for any other reason, the payment will be prorated based on the fraction of the number of days worked divided by the total number of work days for a full-time, full school fiscal-year employee.

20.1.5 Employees that were on Step 10 and Step 11 of the 2015/2016 Salary Schedule and are currently off the Salary Schedule in 24.1.1 will receive a percentage increase commensurate with the increase utilized to calculate the Salary Schedule in 24.1.1.

Adjustment to Salary Scale for the Term of the Bargaining Agreement

The increase in the compensation scale shall be based on the following criteria:

<u>Property Tax Revenue Increase</u>		<u>Increase in Compensation Scale</u>
0%	- 0.99%	0.25%
1.0%	- 1.99%	0.50%
2.0%	- 2.99%	1.00%
3.0%	- 3.99%	1.50%
4.0%+	- 4.99%	2.00%
5.0%	- 5.99%	2.50%
6.0%	- 6.99%	3.00%
7.0%	- 7.99%	3.50%
8.0% +		4.00%

The property tax increase will be calculated as follows:

$$\% \text{ increase on the wage scale} = (A-B)/B$$

A = Total Taxable Valuation of Ad Valorem Property for the Tax Year (January – December) ending immediately preceding the Employer’s fiscal year to which the wage change would apply.

B = Total Taxable Valuation of Ad Valorem Property for the Tax Year (January – December) ending the year before A above.

(Note: The following provision regarding the CPI cap will not be applicable to the 2025-2028 collective bargaining agreement).

The compensation scale change % will be capped at the higher of the most recent 1) CPI-U US City Average Unadjusted Percent Change for All Items December to December, 2) CPI-U, Selected Areas, all items index, Midwest, December to December, or 3) CPI-U, Selected Area, all items index, Detroit, December to December. For example, the compensation scale change cap for 2019-20 would be based on the CPI-U change from December 2017 to December 2018. If the CPI cap based on the above criteria is less than 2% and the calculated Increase in the Compensation Scale based on the property tax revenue renders a 2% increase or higher, the compensation scale increase will be 2%.

APPENDIX A

One Time Annual Payment

As long as the Employer is distributing additional special education funds to its LEAs based on increasing its outgoing transfer expenditures to arrive at a target fund balance, a one-time payment will be made in November of each year based on the budget savings in the Special Education Fund for the previous fiscal year (the Calculation Year), beginning with a calculation based on the 2018-19 year to be paid in November 2019.

The budget savings shall be calculated as follows:

Special Education Fund Revenue Budget Savings

The difference between actual non-grant, non-project revenue at year-end and the originally budgeted revenue for the same accounts. This excludes any unexpected revenue sources not originally budgeted.

Special Education Fund Expenditures Budget Savings

The difference between non-grant, non-project actual expenditures at year-end and the originally budgeted expenditures for the same accounts. This calculation shall exclude the account(s) used to expense the distribution to LEAs of centralized and non-centralized program/services reimbursements. This also excludes any unexpected expenditures not originally budgeted.

The Revenue Budget Savings and the Expenditure Budget Savings will be added together to determine a Total Budget Savings; it is possible that one or both of these amounts may be a negative number thereby reducing the Total Budget Savings. The Total Budget Savings will then be divided by 11; if this Distribution Amount is greater than 1% of the total of the employees' base compensation of all Eligible Employees paid by through the Special Education Fund then the total Distribution Amount for all employees will be limited to this 1% amount; this will become the Distribution Amount if this limitation is necessary. An overall negative Distribution Amount will not be withheld from employees.

Eligible Employees are defined as ALL employees (not just members of this bargaining unit) paid through the Special Education Fund who are employed by the Employer as of the November payment date and who worked during the fiscal year on which the Budget Savings calculation is based (the Calculation Year). The amount to be paid to each Eligible Employee shall be the Distribution Amount divided by the total FTE of all the Eligible Employees, multiplied by each employee's calculated FTE. An employee who is hired during the Calculation Year will have an FTE calculated for them based on the number of workdays they were scheduled to work during the Calculation Year and the FTE of the position they hold. For example, if a 185-day employee works 185 days, their FTE will be 1.0. If a 185-day employee in a 1.0 FTE position is hired during the Calculation Year and works 130 days, their FTE will be 0.70 FTE.

The One-Time Annual Payment will be made on the last pay date in November and will not be issued as a separate check.

A similar calculation will be made for the General Education Fund. Employees will be paid based on whichever of the two (2) calculations is greater; prorations for partial year employment, as stated above, would still apply.

RE: Modifications to the Non-Affiliated and Early Childhood Personnel Staff Manual

The Non-Affiliated and Early Childhood Personnel Staff Manual expires as of June 30, 2025. As you are aware, the administration has been spending extensive time in bargaining with our Federation bargaining groups, so there has not been adequate time to meet with our Non-Affiliated and Early Childhood colleagues regarding their proposed suggestions for consideration for inclusion in the manual. We plan to meet with them in early 2025-26, so that may result in additional modifications that will need to be considered by the Board. However, we need to update the compensation section at a minimum to be prepared to move into 2025-26 on July 1st. **The Administration recommends approval of the Non-Affiliated and Early Childhood Personnel Staff Manual.** A full “red-lined” version of the manual is attached; the following is a summary of the major provisions that are being modified at this point.

1. Three-year term from July 1, 2025 – June 30, 2028.
2. The compensation scale will increase by 3% for 2025-26.
3. Update to update positions and to consolidate some of the titles.
4. Provide for bereavement leave to be separate from sick leave and reduce the level of sick leave provided each year.
5. Update language related to donating sick leave to other employees to correlate with Federation collective bargaining agreements.
6. Clarified provisions around health coverage and added language addressing the possibility that PA 152 of 2011 could be amended or eliminated.
7. Modify the provision for how the compensation scale will be modified after the first year of the agreement.

If you have any questions, please feel free to contact me before the Board meeting at bmarcel@washtenawisd.org or at extension 1402.

ARTICLE II – PERSONNEL & COMPENSATION

A. Recruitment and Selection of Personnel

The Board of Education (Board) expects the Superintendent to recruit and recommend for employment personnel needed to carry out the responsibilities of the Washtenaw Intermediate School District (District). It also desires the Deputy Superintendent, Associate Superintendents, Assistant Superintendents, Executive Directors, Directors and Supervisors to assist local school districts, upon their request, to recruit personnel needed to carry out their programs.

B. Qualifications for Position

All persons employed will be expected to meet and maintain employment qualifications required by state law or regulations and by the Board. Persons employed for positions for which no minimum qualifications are mandated by state law or regulations will meet the qualifications established by the Board. It is assumed that the Board may adopt standards in excess of the minimum required by the state.

If an employee is hired for a position for which temporary approval must be received for the employee to work in that position pending their completion of required coursework, the District will reimburse the employee $\frac{1}{2}$ of the actual cost of tuition for courses taken. The maximum reimbursement will be based on the cost of similar courses at Eastern Michigan University. The reimbursement will be made to the employee upon the completion of all the required coursework and awarding of the full approval for the position by the Michigan Department of Education. This provision will also apply if the State of Michigan modifies the qualifications/certification/endorsement for maintaining a position.

EARLY CHILDHOOD PERSONNEL (ONLY):

The hiring process for a Head Start position requires active parent representation in the interview process. Head Start Policy Council approval of the selected individual is required prior to hiring.

C. Contracts

The Board retains ultimate authority regarding issuance of administrative contracts for those positions covered by the Michigan Revised School Code.

D. Grant Funding

The salaries and benefits for some staff are funded by revenues associated with grants with other entities or organizations (federal, state or local). Personnel employed for such positions should be aware that their employment is always conditional upon the continuation of grant funding for the programs that they are assigned to support.

E. Probation

Personnel not under contract shall be considered probationary employees for the first ninety (90) workdays of their employment.

F. Assignments

Assignment of personnel means the specific designation of an employee to an established salary grade and length of work year. Length of work year is defined by number of workdays (e.g., 210, 230). Reference to full-time, twelve-month employees usually means those employees who have been assigned to work 230 days. Such assignments are made by the Superintendent following official appointment by the Board of Education (if required). Assignment to specific duties is made by the administrative head responsible, under the general direction of the Superintendent and within the limits set by the certification and job specification provisions. Work schedules shall be developed by employees and their immediate supervisors in accordance with Article IV, Section A.

G. Promotions¹

~~2.1.~~ A promotion is defined as a change in status that represents both a change in duties and also a change to a higher salary classification.

~~3.2.~~ Whenever a vacancy (or anticipated vacancy) is open, the District commits to posting electronically for the duration of five (5) calendar days. An employee seeking consideration for the position shall submit a letter of interest and updated resume to the HR & Legal Department.

~~4.3.~~ If an existing Non-Affiliated staff member applies for a vacancy and they meet the minimum qualifications for the position, the employee will be given a first-round interview. First consideration shall be given to filling the position through the promotion of present staff provided that his/her qualifications and hiring criteria are equal to those of applicants from outside the organization.

H. Working Day

The classifications of Exempt and Non-Exempt employees are from the Fair Labor Standards Act (FLSA); all employee positions fall into one category or the other. The primary reason for the classifications is to determine when an employee is eligible under the FLSA for the payment of overtime. The provisions below related to the payment of overtime is more generous than is afforded to employees under the FLSA.

All employees may be expected to submit documentation of their hours and/or days worked.

1. Exempt Employees:

The working period for Exempt personnel covered by this manual will be the amount of time necessary to carry on their tasks in a superior manner. Because of this, length of the day may vary from time to time and from position to position depending upon demands that are created by the specific situation.

In general, personnel will follow the working hours established for their assignment, but again, this general philosophy will prevail: The completion of the task is of prime importance. When an employee is required to work extended hours to complete time-sensitive tasks, the employee may adjust his/her/their regular schedule with supervisor approval.

¹ A promotion is defined as a change in status that represents both a change in duties and a change to a higher salary classification.

2. Non-Exempt Employees:

For the majority of full-time employees, the normal work week consists of 37.5 hours based on a 7.5-hour day, 5 days per week. Work schedules for some employees will vary. Supervisory will advise employees of their individual work schedules and may adjust schedules and shifts as they deem necessary and appropriate for effective operations. Staffing needs and operational demands may necessitate variations in starting and ending times. Accordingly, the Superintendent or his/her/their designee may modify each employee's work schedule as he/she/they determine(s) operational needs demand.

Working overtime may be required by the Employer. Non-exempt employees shall be paid time-and-one-half for all hours worked beyond thirty-seven-and-one-half (37.5) hours in any one week, Monday through Sunday. At the employee's option and with the supervisor's approval, compensatory time may be used as an alternative to time-and-one-half payment for overtime. The compensatory time will be calculated on the same basis as monetary payment.

Some employees may need to be scheduled to be "on call" to accomplish the goals for the organization or a department. This may require an employee to be ready and available within two (2) hours to respond to a need of the organization or department with little or no warning and may require the employee to be available onsite or remotely. Staff that are scheduled to be on-call are expected to respond as indicated above during evenings and two (2) weekends per month and will be compensated a stipend of \$200 per month for being on call.

I. Emergency School Closings

Occasionally it becomes necessary to close all or part of District operations due to weather conditions or other Acts of God. The Employer shall notify employees by announcing said closing on the Employer's website and thru School Messenger or other electronic alert system.

If District operations are closed, staff members are not required to report unless requested to do so in the closing announcements or by their supervisor. Some employees that are required to work may be able to do so remotely with the approval of their supervisor. Staff members required to report onsite but do not report shall submit an absence in the absence management system and have the day charged to personal leave or use a non-workday.

If a staff member is required to report and has a situation where weather may impact their ability to travel to their work location for that day, the employee should contact their supervisor to discuss the plan for the day.

J. Salary Determination

The procedure for determining salaries for personnel covered by this manual shall be as follows:

1. Salaries will be based on the Salary Schedule (see Appendix ~~III and V~~). The Salary Schedule is based on 230 paid days; 225 workdays and 5 paid holidays (identified in ~~Appendix Article IV~~). Salaries for employees working less than a 230-day schedule will be computed based on dividing the appropriate salary in the Salary Schedule by 230 and then multiplying the result by the number of workdays, including the 5² paid holidays.
2. Step movement for all employees will occur on July 1st of each year based on the following:

² Thanksgiving, Day after Thanksgiving, Christmas, New Years, and MLK Jr. Day

- For those hired between July 1 and December 31, a move to the next step in the pay schedule will occur on the July 1st following their date of hire.
 - For those hired between January 1 and June 30, a move to the next step in the pay schedule will occur at the second July 1st subsequent to their date of hire.
 - Step progression requires an overall performance evaluation rating of Effective or Developing. An employee who is rated as Needing Support on an annual year-end evaluation may appeal to the Superintendent. The request must be submitted in writing within twenty (20) days after the employee is informed of the rating and/or the date on the annual evaluation (whichever is later). Upon receipt of the request, the Superintendent shall schedule a meeting with the employee and his/her/their supervisor to review the evaluation. The Superintendent may make modifications to the evaluation based on his or her review. If an employee does not receive a timely evaluation, they will be assumed to be Effective for this provision regarding step progression.
3. Employees are eligible for a one-time annual payment based on budget-to-actual savings from the prior year. See Appendix VII for the details of the calculation.
 4. Employees will receive pay installments two times per month, less statutory reductions and such other sums for mutually agreed purposes, the total sum to equal the annual contract salary.

K. Employment for Less than a Full Fiscal Year

Employees hired after the beginning of the contract year will be paid on a pro-rated basis with leave and other fringe benefits appropriately pro-rated. The pro-rated salary is computed by applying the percentage of the year to be worked to the 230 paid days (rounded to the nearest whole day), and then multiplying that number by the daily salary rate (annual base salary divided by 230). The percentage of the year worked is based on the number of weekdays in a year, usually 261 days. The percentage is computed by dividing the number of weekdays from the start date through June 30 by the annual number of weekdays.

Sample calculation:

Employee starts on November 1, 2016. Hired at Grade 3, step 1. There are 174 weekdays between November 1, 2016 and June 30, 2017. There are 261 weekdays in the 2016-17 fiscal year.

$$\frac{174}{261} = 66.67\% \times 230 = 153.33, \text{ round to } 153 \text{ work days. } 153 \times \frac{\$ 54,925}{230} = \$ 36,537.07$$

The employee would complete a calendar with 153 workdays (including paid holidays, if applicable) for approval by their supervisor. Paid holidays are part of the 230 days used above; see Article IV, Section 1(A) for additional information.

Employee contributions to medical coverage and other optional benefits will also be prorated. Employees that have a hire date of the 1st thru the 15th (of the month) shall receive health care benefits on the date of hire and be charged retroactively to the 1st of the month. Employees that have a hire date of the 16th thru the end of the month shall receive health care benefits on the date of hire and shall be charged retroactively to the 16th of the month.

L. Additional Workdays/Hours

The Employer may determine that it may be necessary for an employee to work more than the number of days utilized to calculate their annual salary. If the employer makes that determination, the Employer and the employee will modify the employee's calendar as necessary, but in no situation will the additional workdays exceed ten (10) days/75 hours. Additional work hours will be paid at the employee's hourly salary rate (annual base salary divided by 210 or 230 divided by 7.5). All additional workdays/hours must be approved by the employee's supervisor, and calendars must be adjusted by May 1st of each year. An accounting of additional days/hours must be provided to the Business Office by May 1st so that the budget recommendation to the Superintendent and Board of Education can be updated in a timely manner.

M. Outside Employment

Outside employment that does not interfere with the regular duties of a person employed by the District and that is not in conflict with the professional position of the staff member is considered to be a personal matter of the employee. The determination whether such employment is in conflict is that of the Superintendent. Employees will be expected to notify the Superintendent and their supervisor prior to the start of any outside employment.

N. Evaluation Procedure

The following procedure is to be followed:

1. Supervisors will share the applicable evaluation process that has been adopted in accordance with administrative procedures annually with their employees.
2. Evaluation criteria for positions covered by state statute shall be in compliance with all applicable state regulations.
3. Evaluations for personnel shall be filed with the Human Resources Department annually. Evaluations for personnel under contract shall be filed no later than June 30th. Evaluations for all other personnel shall be filed no later than June 30th.

Employees shall be informed annually of their employment status in accordance with the Tenure Act where applicable.

O. Health and Medical Conditions

When, in the opinion of the Superintendent, performance of the employee is adversely affected by his/her/their health, the Superintendent may request that the employee obtain a medical examination by a Michigan licensed physician at the expense of the District. Failure to comply with the request may result in disciplinary action, up to and including suspension or discharge.

P. Termination Payments

1. A staff member who is terminated or whose resignation is accepted during the year shall receive a

lump sum payment comprised of (a) the balance of their annual salary owed to them minus any sum they owe to the agency; (b) any unused annual leave days, which have been accumulated up to the maximum allowed, paid on a per diem basis; and (c) any vested sick pay benefits, as specified below, paid on a per diem basis. A temporary employee will only be paid the balance of the annual salary owed to them.

a. Resignation:

Failure to give notice thirty (30) days in advance of resignation may invalidate the provision requiring payment for carried forward annual leave and vested sick pay benefits.

b. Retirement:

Failure to give notice ninety (90) days in advance of retirement may invalidate the provision requiring payment for carried forward annual leave in subsection 3 and vested sick pay benefits in subsection 4.

c. For employees age 55 and over, termination payments made under subsections 3 and 4 below shall be made through a qualified, district-administered 403(b) ~~effective June 1, 2018~~.

2. Balance of Annual Salary:

The balance of the annual salary is computed by calculating the number of days worked (including sick and personal days, and paid holidays, if applicable) multiplied by the daily salary rate (annual base salary divided by 230) and then subtracting the year-to-date pay from the last payroll. If the employee has been overpaid based on the days worked, the employee agrees to reimburse the Employer all overpaid funds.

3. Unused Annual Leave (Employees Hired before July 1, 2013):

Employees of the district as of July 1, 2013 may have annual days they have carried over from previous years. Terminal payment for these unused annual leave days earned by the employee in previous years shall be limited to a maximum of twenty (20) days and paid at the individual's current daily rate, no matter when the separation occurs. The Superintendent shall have the authority to allow for a terminal payment in excess of the twenty (20) days at his/her/their discretion.

4. Vested Sick Pay Benefits:

Employees with five (5), but less than ten (10) years' experience with the District shall receive payment equal to 12% of their accumulated unused sick leave up to a maximum accumulation of 200 days, except when the person is terminating due to retirement. In that case, the employee shall receive payment equal to 12% of his/her/their accumulated unused sick leave up to a maximum accumulation of 300 days. The daily rate for sick leave shall be at the beginning step of the classification at the time of separation.

For employees with ten (10) thru nineteen (19) years with the District, the payment percentage shall be 17% with the same established maximum unused sick leave accumulations. The daily rate for sick leave shall be at the beginning step of the classification at the time of separation.

For employees with twenty (20) or more years of service with the District, the payment percentage shall be 20% with the same established maximum unused sick leave accumulations. The daily rate for sick leave shall be at the beginning step of the classification at the time of separation.

For persons retiring from the District, with twenty (20) or more years of service with the District, the payment percentage shall be 20% with the same established maximum unused sick leave accumulation. The daily rate for sick leave shall be at the employee's per diem rate at the time of retirement.

In order to utilize the retirement provision under any of the above payments, the staff member must submit written notice of his/her/their intent to retire no later than three (3) months prior to the effective retirement date.

5. Personal Leave:

Unused personal leave days in the year of separation will be added to the accumulated sick leave prior to computing the vested sick pay benefits payment.

~~Q. Retention Incentive:~~

~~For the 2022-23 and 2023-24 fiscal years, a retention incentive of \$1,000 will be paid to all employees who are actively employed as of June 15th of each of those fiscal years. The payment will be made on the June 30th paycheck of each of the respective fiscal years. For employees hired after October 31st of either year, the incentive payment will be prorated based on the number of paid days during the respective year. Payments to employees working in a less than 1.0 FTE position will be prorated based on their FTE. This provision will automatically cease and terminate on June 30, 2024.~~

~~If a retention incentive/payment or similar concept is included as part of the Michigan State Aid Act for any of the years this section is in effect, the employer will only make a payment to the employee if the state incentive/payment is less than \$1,000, and the employer payment will result in a combined payment of \$1,000 between the state and employer payment. For example, if the state makes a payment of \$300, the employee will make a payment to the employee of \$700. If the state makes a payment of \$1,000, the employer will not make any payment to the employee.~~

QR. Employer Match of Employee 403(b) and 457 Contributions

If an employee contributes to a qualified District-administered 403(b) or 457 plan, the District will match the employee's contribution up to 1% of the employee's base salary. For each participating year, the contribution they want to have matched must be made by the employee via payroll deduction by March 31st. The plans available through the Michigan Public School Employees Retirement System are not "District-administered" plans.

An employee on Step 7 is eligible for (the below referenced) increased match contribution after 5 (or 10 or 15) completed years of service as of June 30th prior to the beginning of the employee contribution year:

<u>Years of Service</u>	<u>Employee</u>	<u>Employer</u>
5	1.0%	2%
10	1.5%	3%

Leave shall be granted for a period up to one year and may be extended up to a maximum of two (2) years with Employer approval. Such application shall include a signed statement by a physician indicating the expected date of delivery.

During an extended, unpaid childcare leave, an employee's health, dental, and vision coverage shall be continued at Employer expense for up to eighteen (18) weeks past delivery or placement date provided the employee continues to make his/her/their required employee contributions, if any. The maximum eighteen (18) weeks includes the approved medical period, any paid childcare leave, and the extended childcare leave period. An employee on childcare leave may elect to continue any of these same benefits at group rates at his/her/their own cost for the remainder of the approved leave under the terms of the Consolidated Omnibus Budget Reconciliation Act (COBRA).

An extended, unpaid childcare leave may be granted to employees in the event of birth via surrogacy or the adoption of a child. The Employer may grant an extended leave for adoption provided that the employee applies in writing to the Office of Human Resources and Legal Services at least thirty (30) calendar days prior to the date such leave is to commence. Employer will respond with a decision regarding said leave, or a request for additional information, within fourteen (14) calendar days.

An extended, unpaid childcare leave may be granted at the Employer's discretion to new foster parents and legal guardians, depending on the circumstances of each individual case. The employee shall apply in writing to the Office of Human Resources and Legal Services at least thirty (30) calendar days prior to the date such leave is to commence or as soon as practicable. Said request for leave shall include a prospective placement date and a desired end date; the Employer recognizes unforeseen circumstances may occur that require modification of the original notice. Employer will respond with a decision regarding said leave, or a request for additional information, within fourteen (14) calendar days. Leaves for this purpose may be granted for a period of up to one year and may be extended upon subsequent application.

In the situation where the parents are both employees of the District, both employees shall not be off for any childcare leave during the same time period.

If the employee does not comply with the above conditions, the right to such a leave and/or the

right to return may be denied by the Employer.

An extended childcare leave which has been applied for and granted in anticipation of such need may be rescinded by the employee at any time prior to commencement of the leave.

11.12. Special Leave:

Leaves of absence without pay, not to exceed a maximum of two years, may be granted to professional staff members for professional study, foreign assignments, serious illness of the staff member or in his/her/their immediate family, or exchange teaching.

12.13. Office Closings (Excluding weather or emergency closings):

Office closings shall be considered part of your unpaid, non-work days (unless otherwise noted). A calendar of scheduled office closings is included in Appendix I. If an employee plans to work on a day the office is closed, the employee's supervisor must approve and must determine if the employee will be working remotely or will be in the office. If the employee will be working at one of the district facilities on a day the office is closed, the supervisor must receive the approval of the Operations Director prior to approving the employee working a day the office is closed.

C. Insurance Payment During Leave

Upon request, employees with five (5) or more years of service with the District, who have an approved leave of absence for one year or less, will, upon request, continue their current medical coverage, dental coverage, vision coverage and life insurance. The Board will continue during said leave to contribute an amount towards the employee's medical coverage, dental coverage, vision coverage and life insurance coverage as it was prior to the leave, provided should the employee not return to the District at the return of said leave, he/she/they shall be required to reimburse the Board for the cost of said insurance during the leave. The five-year requirement may be waived at the discretion of the Superintendent.

D. Return From Leave of Absence

Requests for reinstatement following a leave for any reason shall be filed in the Superintendent's office on or before April 1st for the ensuing school year. Nothing contained herein shall obligate the Board to reinstate any employee returning from leave if such a request for reinstatement is not filed on or before the above date.

An employee returning from a leave of absence will not be guaranteed his/her/their former assignment but will be placed in the first available position for which he/she/they is certified and/or qualified.

ARTICLE V - INTRA-OFFICE PROCEDURES

The diversity of programs offered by the District makes it necessary that the several offices and departments work together for the most desirable and efficient utilization of facilities and materials including furnishings, equipment and communication services.

A. Operations

Occasionally it becomes necessary to close all or part of District operations due to weather conditions or other Acts of God. The Employer shall notify employees by announcing said closing on the Employer's website and thru School Messenger or other electronic alert system.

If District operations are closed, staff members are not required to report unless requested to do so in the closing announcements. Those staff members not reporting upon request shall have the day charged to personal leave or use a non-work day.

B. Staff Meetings

Unless excused, staff members are required to attend all scheduled staff meetings. Each work team will announce the time and place of the meeting far enough in advance to allow for attendance.

C. Communications to the Superintendent and Board of Education

All staff covered by this manual shall be responsible for understanding and following the administrative structure when making suggestions, complaints or requests for information regarding this manual.

D. Attendance at Professional Conferences

The Board favors participation by all non-affiliated members in worthwhile conferences. It is recognized that this is part of professional growth for any staff and that it is important that all staff have the opportunity to participate in national, state and local meetings. There must be reasonable and rational procedures to assure total staff participation.

1. Each department will make arrangements to assure that at no time are all members of a division absent and that departmental coverage will be provided.
2. All requests for conferences must be filed with the immediate supervisor prior to conference dates and must have approval of the immediate supervisor.
3. The budget status will at all times be a determining factor relative to approval.
4. Staff members upon resigning from the system forfeit their privilege of attending conferences.
5. An allocation to department budgets will support conference attendance by the non-affiliated support staff.

A conference reimbursement request will be filed with the employee's supervisor. The supervisor shall pre-approve all requests that include an overnight stay paid for with district funds; employee requests shall be treated consistently. To receive reimbursement, post-travel expenses shall be approved by the employee's supervisor. A letter may be provided by the District allowing staff members to charge all

hotel costs back to the District. Items covered by reimbursement are:

- Lodging (hotel, motel, etc.) *
- Meals (breakfast, lunch, dinner) *
- Parking*
- Tolls (bridge, toll roads) *
- Travel by bus, air, rail, ship*
- Registration fees*
- Taxi Service (taxi, bus)
- Tips

*Itemized receipts must be presented before reimbursement will be made.

Additional reimbursement guidelines may be established and listed on the District reimbursement form.

E. Travel Reimbursement

Reimbursement for authorized travel by personal automobile will be made according to the current allowance rate determined by the Internal Revenue Service.

F. Workspace – Office Area (Furnishings and Equipment)

Matters dealing with office furnishings, workspace and equipment should be taken up with the individual's supervisor. Problems or questions dealing with maintenance should be referred to the ~~Facilities Director~~ Operations Manager.

The District will use its maximum influence to provide adequate working space and equipment for staff members in the buildings to which they are assigned.

G. Use of the Telephone

Every effort will be made to provide adequate telephone availability. Recording and verification of all long- distance telephone calls may be required from employees.

H. Equipment and Supplies

All items of equipment and supplies shall be provided through the procedures established by Business Services following the regulations of the Board of Education.

Whenever possible, specifications for materials and supplies shall be the same as those established as standard. Specifications for any unusual items shall be set by the Superintendent's Cabinet.

I. Use of Cellular Phone/Electronic Telecommunications/Computer Equipment

Use of a personal cell phone for business purposes, use of a District issued cell phone or use of a District issued pager may be required for some District positions.

Consideration for this requirement is given to safety, work-related travel and the availability of an office phone.

When a cellular phone or pager is provided to non-affiliated staff it is for the purpose of performing their job responsibilities or to provide for the safety of students, staff or patrons. Employees are expected to exercise care when using equipment as to not endanger themselves or others. Use of equipment while operating a motor vehicle is prohibited.

Service contracts for cellular telephones will be purchased based on expected use of the equipment for the sole purpose of conducting school business. The employee's immediate supervisor will make determination of the appropriate service contract with approval of the Superintendent. Employees are discouraged from making personal calls. Itemized statements will be sent to employees for review.

If the District is charged for costs in excess of the base service contract, a personal check for reimbursement for personal use and long-distance charges shall be sent to the Business Office no later than ten (10) days after the itemized statement is received. Employees may also deduct the personal use coverage from their expense reimbursement requests.

Should a staff member that is required to have a cell phone choose instead to be reimbursed by the District for business use of a personal cell phone, the level of reimbursement will be \$50.00/month. Supervisory pre- approval is required.

Staff members whose positions within the organization require use of a personal cell phone for business purposes may elect NOT to be reimbursed by the District.

A completed "Cell Phone Reimbursement Request Form" must be on file with the Business Office, no later than July 1st, to qualify for reimbursement of personal cell phone use for business purposes.

Employees who are issued District cell phones or pagers, or who are reimbursed by the District for business use of their personal phones, should be aware that their cell phone and/or pager records may be considered a "public record" under State statute and therefore may be subject to release under the Michigan Freedom of Information Act.

J. Damaged/Lost or Stolen Equipment

It is the responsibility of the user to reimburse the District for repair or replacement of any equipment that is damaged or lost. Consideration will be given to damage of loss occurring in the ordinary course of employment. Loss or theft must be reported immediately to the appropriate supervisor with a notation of circumstances.

K. Misuse of Equipment

Staff who willfully abuse district-owned equipment will have the equipment confiscated, and if necessary, will make full restitution to the District as directed by the Superintendent.

APPENDIX II

ADJUSTMENT TO SALARY SCALE FOR THE TERM OF THE BARGAINING AGREEMENT

The increase in the compensation scale shall be based on the following criteria:

<u>Property Tax Revenue Increase</u>	<u>Increase in Compensation Scale</u>
0% - 0.99%	0.25%
1.0% - 1.99%	0.50%
2.0% - 2.99%	1.00%
3.0% - 3.99%	1.50%
4.0%+- <u>4.99%</u>	2.00%
<u>5.0% - 5.99%</u>	<u>2.50%</u>
<u>6.0% - 6.99%</u>	<u>3.00%</u>
<u>7.0% - 7.99%</u>	<u>3.50%</u>
<u>8.0% +</u>	<u>4.00%</u>

The property tax increase will be calculated as follows:

$$\% \text{ increase on the wage scale} = (A-B)/B$$

A = Total Taxable Valuation of Ad Valorem Property for the Tax Year (January – December) ending immediately preceding the Employer's fiscal year to which the wage change would apply.

B = Total Taxable Valuation of Ad Valorem Property for the Tax Year (January – December) ending the year before A above.

(Note: The following provision regarding the CPI cap will not be applicable to the 2025-2028 manual).

The compensation scale change % will be capped at the higher of the most recent 1) CPI-U US City Average Unadjusted Percent Change for All Items December to December, 2) CPI-U, Selected Areas, all items index, Midwest, December to December, or 3) CPI-U, Selected Area, all items index, Detroit, December to December. For example, the compensation scale change cap for 2019-20 would be based on the CPI-U change from December 2017 to December 2018. If the CPI cap based on the above criteria is less than 2% and the calculated Increase in the Compensation Scale based on the property tax revenue renders a 2% increase or higher, the compensation scale increase will be 2%.

APPENDIX ~~VIII~~^V

ONE TIME ANNUAL PAYMENT

As long as the Employer is distributing additional special education funds to its LEAs based on increasing its outgoing transfer expenditures to arrive at a target fund balance, a one-time payment will be made in November of each year based on the budget savings in the Special Education Fund for the previous fiscal year (the Calculation Year), beginning with a calculation based on the 2018-19 year to be paid in November 2019.

The budget savings shall be calculated as follows:

Special Education Fund Revenue Budget Savings

The difference between actual non-grant, non-project revenue at year-end and the originally budgeted revenue for the same accounts. This excludes any unexpected revenue sources not originally budgeted.

Special Education Fund Expenditures Budget Savings

The difference between non-grant, non-project actual expenditures at year-end and the originally budgeted expenditures for the same accounts. This calculation shall exclude the account(s) used to expense the distribution to LEAs of centralized and non-centralized program/services reimbursements. This also excludes any unexpected expenditures not originally budgeted.

The Revenue Budget Savings and the Expenditure Budget Savings will be added together to determine a Total Budget Savings; it is possible that one or both of these amounts may be a negative number thereby reducing the Total Budget Savings. The Total Budget Savings will then be divided by 11; if this Distribution Amount is greater than 1% of the total of the employees' base compensation of all Eligible Employees paid by through the Special Education Fund then the total Distribution Amount for all employees will be limited to this 1% amount; this will become the Distribution Amount if this limitation is necessary. An overall negative Distribution Amount will not be withheld from employees.

Eligible Employees are defined as ALL employees (not just members of this bargaining unit) paid through the Special Education Fund who are employed by the Employer as of the November payment date and who worked during the fiscal year on which the Budget Savings calculation is based (the Calculation Year). The amount to be paid to each Eligible Employee shall be the Distribution Amount divided by the total FTE of all the Eligible Employees, multiplied by each employee's calculated FTE. An employee who is hired during the Calculation Year will have an FTE calculated for them based on the number of workdays they were scheduled to work during the Calculation Year and the FTE of the position they hold. For example, if a 185-day employee works 185 days, their FTE will be 1.0. If a 185-day employee in a 1.0 FTE position is hired during the Calculation Year and works 130 days, their FTE will be 0.70 FTE.

The One-Time Annual Payment will be made on the last pay date in November and will not be issued as a separate check.

A similar calculation will be made for the General Education Fund. Employees will be paid based on whichever of the two (2) calculations is greater; prorations for partial year employment, as stated will apply.

RE: Board approval of Sex Ed/Health Curriculum

We are requesting that the WISD Board of Education approve the recommended Sexual Health Curriculum, The 3 Rs (Rights, Respect, Responsibility). The Sex Ed Advisory Board (SEAB), in collaboration with the WISD Board of Education, held two public hearings on 6/3/25 and 6/10/25, which were required by Michigan law. During the two hearings, members of the SEAB shared the importance of this work and information about the recommended curriculum.

Thank you for your consideration in this matter.

SUBJECT: Attendance – Center-Based Programs

OPERATIONAL POLICY:

Programs will ensure that children receive full program services by being in attendance at least 85% of the time. A program must implement strategies to promote attendance and a process to ensure children are safe when they do not arrive at school.

OPERATIONAL PROCEDURE (subject to change):

1. If the monthly average daily attendance (ADA) rate in a center-based program falls below 85%, the program must analyze the cases of absenteeism. The analysis must include:
 - a . a study of the pattern of absences for the child, including the reasons for absences as well as the number of absences that occur on consecutive days
 - b . a study of pattern of trends at the center that relates to absences
2. A program must implement a process to ensure children are safe when they do not arrive at school. If a child is unexpectedly absent and a parent/guardian has not contacted the program within one hour of program start time, the program must attempt to contact the family to ensure the child's well-being,
3. If the absences are a result of illness or if they are well-documented absences for other reasons, this documentation must be uploaded into ChildPlus and follow-up notes must be entered.
4. If the absences result from other factors, including temporary family problems that affect a child's regular attendance:

- a . The program must initiate appropriate family support procedures for all children with two consecutive unexplained absences, and if needed, conduct a home visit or make other direct contact with a child's family if a child has multiple unexplained absences.
 - b . Start an attendance improvement plan.
- 5. Within the first 30 days of program operation, and on an ongoing monthly basis, use ChildPlus to identify children with patterns of absences that put them at risk of missing ten percent of the program days per year and develop appropriate strategies to improve individual attendance among identified children, such as direct contact with families or intensive case management, as necessary. Start an attendance improvement plan.

Promoting Regular Attendance:

- 1. Staff from EHS/ HS/ GSRP will inform families about program policies and attendance expectations. This is completed in several ways but not limited to:
 - a . During the application process when signing the Parent Program Understanding
 - b . During parent orientation
 - c . During home visits
 - d . During parent/teacher conferences
 - e . Using newsletters, websites, and flyers,
 - f . Including them in the parent handbook.
- 2. Information provided should include but is not limited to:
 - a . Why regular attendance is important for the child
 - b . Who parent/guardian(s) should call in advance (when possible) if the child will be absent
 - c . How staff will follow up if there are unexplained absences/chronic absenteeism
 - d . Note that Family Support Specialist/Family Advocate/other assigned staff person may conduct a home visit safety check if a child is absent for two consecutive days without family contact.
 - e . Attendance Plans may be initiated and completed with families with children who have been absent 10% or more of school

Attendance Tracking:

- 1. Each program will identify staff to enter attendance in ChildPlus daily
 - a . Go to ChildPlus Online
 - b . Click on the attendance tab
 - c . Select an agency, site, classroom and date
 - d . Complete attendance
 - If a child has a status of absent, an absence reason must be marked
 - Attendance case notes must be added to support absence reason and or any attempts made to contact family if absence is unknown

Entering in Attendance:

1. Attendance
2. Click on the schoolhouse (classroom)
3. Select date right next to it.
4. Select Agency
5. Select Site
6. Classroom

Attendance Reason Codes and Guidance:

The following charts are guidance of when to use the attendance codes in ChildPlus:

Attendance	Code	Guidance
Absent	A	This option is to be used for all excused and unexcused absences. The reason for absence needs to be documented, including any attempts made.
Left Early	LE	Mark child LE if the child leaves anytime prior to PM snack.
Not Scheduled	NS	When a child is not scheduled to attend due to a WISD approved extended family situation (an example would be a family traveling overseas). This option can be used if a child needs to leave for a documented therapy appointment, such as ABA therapy or speech therapy.
Present	P	Child is present
Present Off Site	POS	When a child is not able to participate due to scheduled appointments related to program health requirements (physical exam, dental exam, or immunizations). Follow-up appointments are not included. The reason needs to be documented in ChildPlus. Any supporting documents must be attached under the attendance tab.
Tardy	T	Time can be set in ChildPlus to automatically mark the child tardy after a certain time.

Virtual	V	Virtual Instruction (Home Base only)
---------	---	--------------------------------------

Classroom Status	Code	Guidance
Open		Center is open
Closed	C	This is used for days the program is not open (spring break, winter break, non-school Friday, etc.).
Holiday	H	No programming due to a scheduled holiday.
Cancelled	X	When a program is closed due to weather, power outage, or another situation that occurs such as communicable diseases. The reason needs to be documented in ChildPlus. If this is an extended closure the program will be required to notify and work with the WISD on a potential plan for providing services outside of the classroom.
Teacher Workday	W	This is used when parent-teacher conferences and home visits are scheduled during the program year.

Attendance Follow-Up and Plans:

1. Provide information and/or have conversations about the benefits of regular attendance
2. Support families to promote the child's regular attendance
3. Attendance plans must be initiated, discussed, and completed with families with children who fall below the 85% ADA for any reason unless a detailed analysis was made and it was determined a plan is not needed at this time. This would need to be documented with a plan of action to monitor the child's attendance.
 - a. Attendance plans are completed in ChildPlus under the attendance tab
 - b. Click on the attendance improvement plan tab
 - c. Click add attendance improvement plan
 - d. Complete plan in partnership with family
 - e. Click save
4. Follow up on attendance plans must be completed within two weeks to review and discuss any resources that were given to the family.
 - a. Continue to follow up weekly.
 - b. All attempts, follow up, and date of completion must be documented in the attendance tab under attendance follow up.
5. All communication and attempts must be documented under the attendance tab

Current Year	GSRP 2024-2025	New 6/11/2024	Bottles-N-Backbacks • Bottles-N-Backpacks • Classroom 1

6. If no contact has been made with the family and was attempted and documented and the child has been absent for 10 days, then a letter needs to be sent to the family regarding the child's attendance. The family must be informed that if they do not contact the program, or if the child does not return within a specified time frame established by the program, the child will be dropped from the program.
7. If there is no contact from the family, and the child has not returned to the program by the given deadline, the child will be dropped from the program. Once the child is dropped another letter must be sent notifying the family that the child has been dropped from the program.
8. All letters must be attached in ChildPlus under the attendance tab

OPERATIONAL POLICY: Sub-recipients and Partners must determine their class size based on the age of the children who will participate in the class.

Early Head Start Center-Based Sub-recipients and Partners must ensure that each teacher working exclusively with infants and toddlers has no more than four infants and toddlers. No more than eight infants and toddlers may be enrolled in any one infant/toddler classroom.

Sub-recipients and Partners must determine the predominant age of preschool children for each class session at the start of the school year.

1. For classrooms serving four or five-year old children, the class ratio is 16 children with 2 staff. If the classroom has more than 16 children a third staff member is required, the program can enroll no more than 20 children in any one classroom.
2. For classrooms serving three-year-old children, the class ratio is 16 children with 2 staff; no more than 16 children enrolled in any one classroom with 2 staff.
3. Programs must ensure that the room is licensed for the number of children enrolled.
4. Sub-recipients and Partners should avoid having two substitutes in any classroom at the same time.

SUBJECT: Child Guidance (Discipline)

OPERATIONAL POLICY: The program must establish an environment that provides social emotional learning opportunities and developmentally appropriate activities with an understanding of the behaviors of child development, in order to teach social skills and reduce challenging behaviors.

OPERATIONAL PROCEDURE (procedures are subject to change):

The following positive interventions will be used by all adults (staff, parents and volunteers) in the classroom.

1. Adults will use positive methods of guidance that encourage children's self-control, self-direction, positive self-esteem, and maintain the participation of each child in classroom activities.
2. Adults will interact with children in a culturally sensitive and inclusive way.
3. To ensure behavior management procedures are established to instill self-control, self-direction, cooperation and positive interaction among children, staff will engage children in the process of conflict resolution whenever conflicts between children occur or when behavior is outside the limits set for the classroom.

Six Steps of Conflict Resolution:

- Approach calmly, stopping any hurtful actions.
 - Acknowledge children's feelings.
 - Gather information.
 - Restate the problem.
 - Ask for ideas for solutions and choose one together.
 - Be prepared to give follow-up support.
4. Teachers will provide a "quiet/safe place" in the classroom for children who seek a quiet space.

5. Adults will acknowledge when children demonstrate positive behavior (for example: “Thank you for walking. Walking is a safe way to move in the classroom”).
6. Adults will promote positive social interactions between children in the classroom.
7. Adults will not shout or engage the child from across the room. Staff will always use a positive tone when speaking to children.
8. Adults will let children know ahead of time that a transition will be occurring using visual and verbal cues (for example: “We have a few more minutes before it is clean up time. You will have time to finish painting your picture.”).
9. Adults will provide support for children who may need additional help with transition times.
10. Adults will use activities (songs, finger plays, poems, etc.) to engage children during transition times, such as before/after meals, circle time, leaving/entering the room or playground.
11. Teachers should avoid waiting periods, situations, and room arrangements that could potentially lead to undesired behaviors. Teachers should have materials ready before activities begin and involve children in the clean-up and meal/snack preparation process.

Head Start and GSRP classrooms provide positive reinforcement to all children with a smile, words of encouragement, modeling good behavior, redirection, and by showing a sincere interest in each student.

If teaching staff have concerns about a child’s behavior in their classroom, they will follow these steps:

Step 1:

- a. Work with ECS to ensure the following are in place:
 - i. Consistent daily routine
 - ii. Planned transitions
 - iii. Appropriate room arrangement and ample materials
 - iv. Consistent and clear expectations between adults and children in the classroom
 - v. Classroom is a caring community among teachers and children
- b. Observe and document behaviors to look for patterns of behavior.
- c. Review or complete social-emotional screening to gather data.

Step 2 (if behaviors continue):

- a. Notify the program director of concerns and discuss next steps.
- b. Notify families of any concerns to collaborate with them on solutions and support. Document any information that can be provided to assist the child.
- d. Work with ECS to provide individualized support, eg. mini-individual schedule, additional transition time, special seating, a fidget, etc.
- e. Try strategies provided by the Director and ECS and document the experience using those strategies.

Step 3 (if behaviors continue):

- a. Work with ECS to complete either an internal referral or a referral to the WISD Mental Health/Behavior Specialist. Any effective supports that are in place must be included on the Mental Health/Behavior Specialist Referral form.
- b. The WISD Mental Health/Behavior Specialist will work with the teaching team and ECS to create a behavior plan.
- c. The referral is entered into ChildPlus under the Mental Health tab by the Mental Health/Behavior Specialist.

Adults are prohibited from using the following as a means of punishment or behavior management:

1. Hitting, spanking, shaking, dragging by arm, biting, pinching, or inflicting other forms of corporal punishment
2. Discussing children in a negative way with other adults or children
3. Mental or emotional cruelty, such as humiliating, shaming, frightening or threatening a child with calling the parent or other adult, child being sent to the office or sent home for inappropriate behavior
4. Isolating and secluding a child from the group including but not limited to: time out, sending them to the office or different location in the building, suspension or expulsion
5. Requiring parent participation in the classroom for the child to attend
6. Restricting a child's movement by mechanical restraint, chemical restraint, prone restraint, any restraint that negatively impacts breathing or physical restraint other than emergency physical restraint
7. Inflicting mental or emotional punishment, such as humiliating, shaming, name calling or threatening a child
8. Depriving a child of meals, snacks, rest, outside, parts of the daily routine, school events or necessary toilet use
9. Confining a child in an enclosed area, such as a closet, locked room, box or cubby

SUBJECT: Community Partnerships

OPERATIONAL POLICY: Washtenaw ISD Early Childhood programs play an active role in encouraging and supporting community planning, effective communication, cooperation/sharing of information, resources, and contact within each community we serve. Community partnerships and collaborative efforts are based on the expressed needs of the children and families we serve, the community needs assessment, and an effort to improve community awareness as related to WISD Early Childhood programs.

Washtenaw ISD Early Childhood programs are actively involved in the communities we serve, while establishing relationships within the community that provide resources, advocacy, and family involvement in the communities where our families reside.

Washtenaw ISD will establish collaborative relationships with community organizations that support all families enrolled in Head Start and Early Head Start across all programs. Each partner and sub-recipient program should establish Community Partnerships with local agencies that support the unique needs of the children and family they serve. .

OPERATIONAL PROCEDURE (procedure subject to change):

1. Washtenaw ISD will take necessary steps to establish on-going collaborative relationships with community organizations to promote access by children and families to community services that are responsive to their needs and to ensure that the Early Childhood program is responsive to the community needs, including:
 - a. health care providers, such as clinics, doctors, dentists and other health care professionals;
 - b. mental health providers;
 - c. nutritional service providers;
 - d. individuals and agencies that provide services to children with disabilities and their families (see 45 CFR 1308.4 for specific requirements);
 - e. family preservation and support services;
 - f. child protective services and any other agency to which child abuse must be reported under State law;

- g. local elementary schools and other educational and cultural institutions, such as libraries and museums designed for children and their families;
 - h. providers of child care services;
 - i. any organizations or businesses that may provide support and resources to families.
2. The program works within both the community and county to reach and encourage volunteers to participate.
 3. To ensure the effective participation of children with disabilities and their families, the program makes specific efforts to develop interagency agreements with local education agencies (LEAs) and other agencies within the program's service area (see 45 CFR 1308.4 (h) for specific requirements concerning interagency agreements).
 4. A Community Partnership/Collaboration will be established and maintained in ChildPlus. This information can be accessed in the ChildPlus data system by all Partner and Sub-Recipient sites and Recipient staff.
 5. If Partners or Sub-Recipients create a partnership/collaboration with an organization the partnership is uploaded into ChildPlus under Community Partnerships.

All Community Partnership Agreements must be entered into ChildPlus. Community Partnership Agreements are located under the Management tab. When entering a new Community Partnership Agreement, ensure that the system (i.e. health, education, family services, etc.) the Community Partnership Agreement supports is checked (outlined in blue). Attach the Partnership document to the record (outlined in red).

SUBJECT: Accessing Community Services and Resources.

OPERATIONAL POLICY: All families will be provided with a community resource guide, which can be provided either in a hard copy, or electronically. WISD maintains a community resource guide that can be found on the HelpMeGrowWashtenaw.com website. Programs should include a link to the community resource guide in their Family Handbooks (which can also be provided in a hard copy or electronically). . These must be shared at Parent Orientation or on an individual basis for families that enter the program later in the program year.

Families will meet with the Family Support Specialist (FSS), home visitor, or other assigned staff to establish initial communication with the family, as a part of the family partnership services process and to plan the most appropriate way to provide support.

The program will work collaboratively with all participating families to identify needs and continually access assistance, directly or through referrals, services and resources that are responsive to each family's interests and goals. Programs must notify parents of how to contact their FSS or other program staff when needs arise.

OPERATIONAL PROCEDURE (procedure is subject to change):

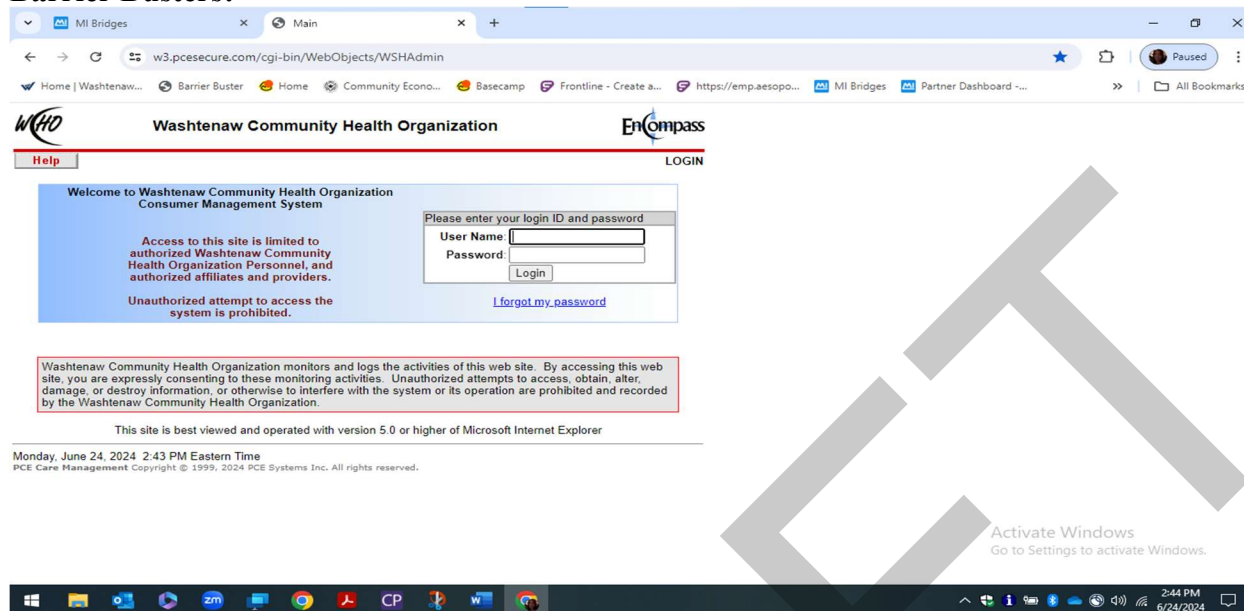

1. Resources will be discussed with each family to determine how needs will be met and how to access services.
2. The telephone number, address, contact person, and any other information about services available will be provided to the family by the FSS, Home Visitor or other assigned staff. The referral form will be completed, and the parent/guardian will be given the referral form to take to the agency/resource.
3. Any additional information regarding directions, phone usage and other necessary information will be made available to the parent/guardian; as well as, assistance in making telephone calls if necessary.
4. The parent/guardian will be asked to sign the Release of Information form at enrollment.

5. Within 15 days of an emergency referral, FSS, Home Visitor or other program staff as dictated by the program will follow up with the family to document the type of services received and the family's level of satisfaction with the service.
6. A regular referral can be followed up on a quarterly basis which occurs in November, January, March and May of the program year.
7. Documentation will be entered into **all appropriate fields** of the ***Child Plus Data Tracking system***.
8. Barrier Buster Requests can be sent directly to the Family and Community Partnership Specialist for processing. Correct documentation and a telephone interview will be needed for the parent request.
9. Referrals can be automatically generated by all FSS/HV staff directly through the MI Bridges database. This database also includes a follow up case/management and navigation tab.
10. Families experiencing crisis situations such as evictions, emergency food or housing needs can contact the WISD Family Engagement Specialist who will generate an immediate referral/request for the family to Barrier Busters.

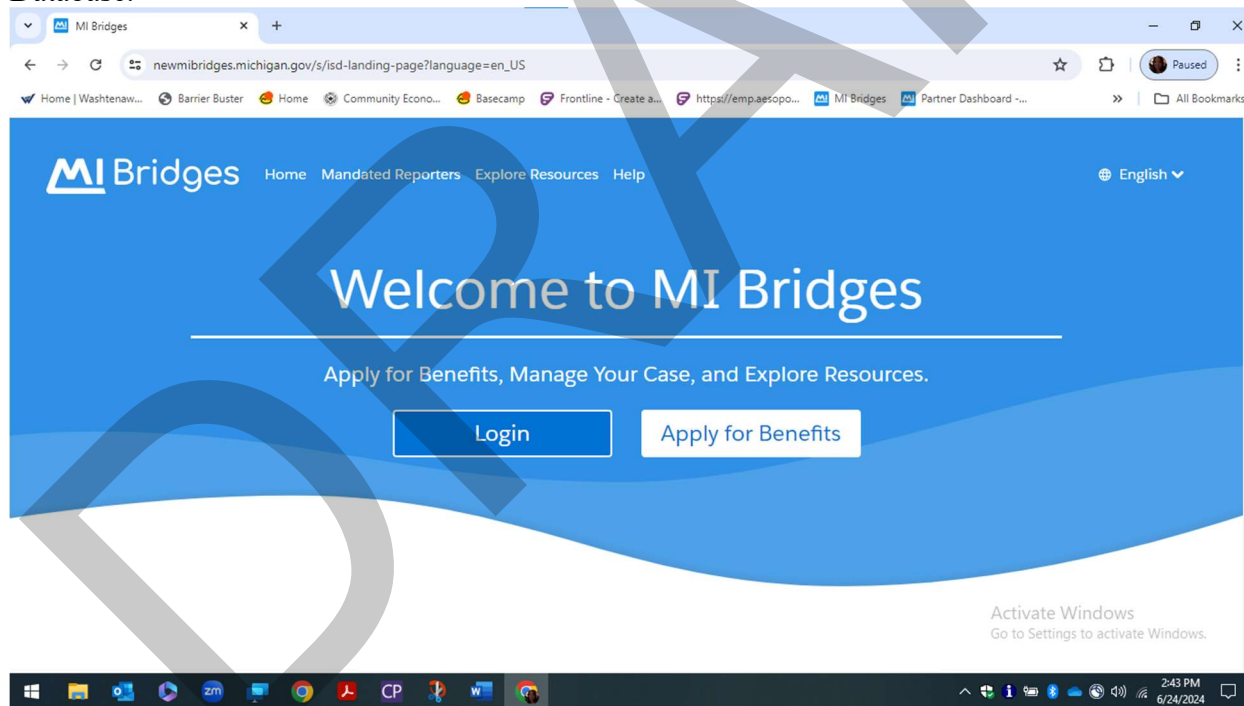

The current Community Resource list can be found under the Management tab in ChildPlus. Referrals can be e-mailed to families, provided and documented. Referrals can also be provided through the Community Resource Directory provided to families each program year.

SUBJECT: Curriculum

OPERATIONAL POLICY-CENTER BASED: Programs will fully implement with fidelity a high quality, evidence-based curriculum approved by Washtenaw ISD. The curriculum will be developmentally and linguistically appropriate, considering children's cultural backgrounds, learning styles, abilities, and will be comprehensive and child-focused. Each classroom experience will provide opportunities for teachers to intentionally interact with children.

OPERATIONAL PROCEDURE – CENTER-BASED Early Head Start, Head Start and GSRP (procedures are subject to change):

1. Sub-recipients and Partners will fully implement with fidelity a high quality, evidence-based curriculum as approved by Washtenaw ISD.
2. Sub-Recipients and Partners will also implement with fidelity an evidence-based child assessment tool as approved by Washtenaw ISD.
3. The classroom environment will be arranged to accommodate a variety of children's needs, interests, temperaments, languages, cultural backgrounds, and learning styles and to stimulate learning across all developmental domains.
4. Classrooms will be arranged to include curriculum learning centers; house area, block area, art area, writing area, library, table or small toys area, and a quiet area.
5. Multicultural items are incorporated into every area of the classroom.
6. Classrooms will provide various materials, activities, and experiences that support a broad range of children's prior experiences, maturation rates, learning styles, cultures, and interests. In addition, adults will observe children and chart progress over time, be responsive to children's cues, and design activities that are reflective of the observations.

7. Each classroom will have a lesson plan based on the curriculum. The lesson plans will be readily available to parents, supervisors, directors and/or specialists.
8. Materials and equipment will be provided to accommodate children with varying levels of ability. Adaptive materials will be purchased if necessary.
9. Teachers will adapt activities, make accommodations, and use other strategies that integrate children socially and enable them to participate in all activities, regardless of abilities.
10. All classroom staff will engage in positive adult/child interactions that assist children's learning and development and reflect the curriculum.
11. During small group time, children will be divided into two or three small groups, with one consistent adult, who records anecdotal notes to be used toward assessment.
12. Teachers may switch small groups midway through the year to allow for teaching teams to thoroughly understand the development of all children in the classroom. This is accomplished by the teachers moving, not the children. Each small group of children must remain consistent.
13. It is the expectation that all staff in the classroom record anecdotal notes on all children throughout the daily routine.

OPERATIONAL PROCEDURE-HOME BASED (procedures are subject to change):

1. Home Visiting staff will utilize culturally appropriate items in the family home and limit items that are brought into the home.
2. Each Home Visitor will complete a Home Visit Plan based on the Parents as Teachers curriculum. The lesson plans will be developed in partnership with parents and readily available to parents, supervisors, directors and/or specialists.
3. Materials and equipment will be provided to accommodate children with varying levels of ability. Adaptive materials will be purchased if necessary.
4. Home Visitors will adapt activities, make accommodations, and use other strategies that integrate children socially and enable them to participate in all activities, regardless of abilities.
5. All home visiting staff will model positive adult/child interactions that assist in the parent's learning and development.

SUBJECT: Developmental and Behavioral Screenings

OPERATIONAL POLICY: A timely and systematic approach toward screening allows program staff to identify which children require a formal assessment of their developmental needs. In collaboration with each child's family, and within 45 calendar days of the child's entry into the program, a developmental screening tool (ex. Ages & Stages Questionnaire [ASQ-3]) will be administered. In addition, Head Start and Center-Based Early Head Start programs will complete the Devereux Early Childhood Assessment (DECA) behavioral screening within 45 calendar days of the child's entry into the program. The Home-based Early Head Start program will complete the ASQ-SE behavioral screening within 45 days of the child's entry into the program. The WISD, Sub-recipient, and Partner staff will be trained in how to administer the screening tools, including the use of the online system as needed.

OPERATIONAL PROCEDURES (procedures are subject to change):

Developmental Screening for center-based programs: Ages and Stages Questionnaire (ASQ-3)

The ASQ-3 was designed for parents to complete for their children. Educational staff will complete the developmental screening with parents/caregivers within 45 days of the child's first day of class every program year.

1. The ASQ-3 is available in English, Spanish, and Arabic
2. Calculate the child's age in months and verify that the appropriate version of the screening is being used for the child's age OR enter the child's information into Online ASQ and allow the system to generate the correct version
3. Document in ChildPlus under the Education tab, including the date of the screening and the results.
4. Children who enter the program with an Individualized Family Service Plan (IFSP) or Individualized Education Plan (IEP) or who obtain an IEP between the initial screening and the rescreen, do not receive screening unless deemed necessary as an information gathering tool by caregivers or teachers. The Multidisciplinary Evaluation Team determination date should be entered into ChildPlus as the Developmental screening date.

5. After screening, education staff will determine if further evaluation is needed based on screening scores, parent input, and teacher observations. If a child receives scores that are below the cutoff points in several areas of development, the child will be referred for a special education evaluation with parent permission.
6. Children whose scores are close to the cutoffs in one or more areas must be provided developmental activities specific to the areas of concern and then rescreened.
7. Indicate if rescreening or referral is necessary and include a note to document the plan for follow up in ChildPlus.

Behavioral Screening for center-based children – DECA (Head Start Only)

Staff will complete the DECA 30 days after the child is enrolled and make sure it is complete within 45 days.

1. Behavioral screening (DECA) is required only for children in Head Start or when required by program administrators regardless of funding source.
2. Document the date of the screening and the results in ChildPlus under the Education tab.
3. After screening, education staff will determine if further evaluation is needed based on screening scores, caregiver input, and teacher observations. If the DECA states a need in the **behavior concern** category the child must be referred for further evaluation with parent permission. If the child's DECA states a need in any other category, the classroom staff will provide additional support in the classroom and rescreen the child in 6 weeks. If it is determined that further evaluation is needed, the education staff will complete a referral form and complete the agency referral process.
4. Indicate if rescreening or referral is necessary and include a note to document the plan for follow up in ChildPlus.

Developmental Screening for home-based program: Ages and Stages Questionnaire (ASQ-3)

Home Based staff will complete the Ages and Stages Questionnaire (ASQ-3) developmental screening within 45 days of the child's first day of enrollment.

1. Calculate the child's age in months and verify that the appropriate version of the screening is being used for the child's age.
2. Document in ChildPlus under the Education tab.
3. Document the date of the screening and the results.
4. Children who enter the program with an Individual Family Service Plan (IFSP), Individual Education Plan (IEP) with a Multidisciplinary Evaluation Team (MET), or who obtain an IEP with a MET between the initial screening and the rescreen, do not receive screening unless deemed necessary as an information gathering tool by caregivers or teachers.
5. After screening, education staff will determine if the need for further evaluations is needed based on screening scores, caregiver input, and observations. If it is determined that further evaluation is

needed, the education staff will complete a Referral form and complete the agency referral process.

6. Indicate if rescreening or referral is necessary and include a note to document the plan for follow up in ChildPlus.

Behavioral Screening for home-based children - Ages and Stages Questionnaire: Social Emotional (ASQ:SE-2)

Staff will complete the ASQ:SE-2 with the caregiver within 45 days of the child's first home visit.

1. ASQ:SE-2 is available in English or Spanish.
2. Calculate the child's age in months and verify that the appropriate version of the ASQ:SE-2 is being used.
3. Document in ChildPlus under the Education tab.
4. Document the date of the screening and the results.
5. Children who enter the program with an Individual Family Service Plan (IFSP), do receive behavioral screening unless the eligibility qualifying the child for an IFSP includes social-emotional development.
6. Indicate if rescreening or referral is necessary and include a note to document the plan for follow up in ChildPlus.

RESCREENING

Only one rescreen will be required. For center-based children, rescreening will take place 6 weeks after the initial screening. For Early Head Start home-based children, rescreening will take place 2-4 months after the initial screening. The entire questionnaire should be rescreened and not just the area(s) of concern. Rescreen results will be documented in ChildPlus as a new event.

If screening results are a rescreen again and a referral is deemed not necessary, documentation on individualization should be entered in ChildPlus in the Event Notes box under the Screening. The screening status in ChildPlus should be Ongoing Monitoring and Classroom Supports. Staff will use the ongoing child assessment tool and data to monitor progress.

REFERRALS

If it is determined that further evaluation is needed, the education staff will complete a Referral, and any other paperwork required by the program/district to ensure the child receives further evaluation. Referral information will be documented in ChildPlus under the Disability tab.

DUAL LANGUAGE LEARNERS

For children who do not speak English or who speak limited English, an interpreter can be secured from:

- The child's family
- Bilingual staff
- Bilingual community volunteers
- In-House interpreters

SUBJECT: Drop-Off/Pick-Up and Late Child Procedure

OPERATIONAL POLICY: Programs must support parents' understanding of the importance of regular and timely attendance. Parents/guardians must be made aware of the Drop-Off and Pick-Up procedure. Child Information Cards must be current including a designated adult listed as an alternate for child pick up and timely arrival to and departure from the program. Children arriving late at any point during the school day may not be turned away and will join their class upon arrival.

OPERATIONAL PROCEDURE (subject to change):

The following procedure must be completed for all enrolled children to ensure the child's safety when they are picked up from the center: During the application process and/or during orientation, the Drop-Off/Pick-Up and Late Child Pick-Up Policies and Procedures will be explained to families. This policy and procedure will also be included in the Parent Handbook.

1. The center must obtain a child information card completed and signed by the parent/guardian listing emergency contacts.
2. Child information cards must be reviewed and updated by the parent/guardian twice a year and when the center becomes aware of changes.

The following procedure must be followed when a child enrolled in full-day session is not picked up on time by their parent/guardian (or a designated emergency contact person):

1. If a child has not been picked up, and it is after the designated pick-up time, staff will call the parent/guardian listed on the emergency card. If the parent/guardian cannot be reached, all numbers on the emergency card will be contacted in an attempt to have the child picked up from the program. Only persons listed on the emergency card are authorized to pick-up the child in place of the parent.
2. If there is a substitute or new staff person in the classroom, parents must be asked for identification.
3. If a child's parent/guardian is unable to pick up, the child will only be released to adults 18 years or older and are listed on the emergency card.

4. The authorized adult listed on the emergency card must provide identification to pick the child up. Classroom staff will not release children to any person who is unable to provide photo identification.
5. In the event the parent/guardian or emergency contact person cannot be reached, information regarding where to pick-up late children will be left on the parent/guardian's voicemail or answering machine. Children will remain with designated staff until the child is picked up or until other action is required.
6. All attempts and contacts will be documented in ChildPlus.
7. If a child is not picked up within an hour of the designated time (end of school) and no contact has been made with anyone on the emergency card police will need to be called to complete a well visit for the family.
8. Two staff members must stay on site until the child is picked up for safety of the child and staff.

Late Drop-off

No child should be turned away for arriving late at any point of the school day. All children not utilizing program transportation services must be brought to their classroom or designated area by an appropriate staff member, and marked as present on the active supervision tracking form.

To address ongoing or repeated late drop-offs or pick-ups, staff will remind families of attendance contracts that are signed at enrollment and/or create an attendance action plan to support the family with attendance. When an attendance action plan is developed, resources will be provided to the family.

SUBJECT: Eligibility

OPERATIONAL POLICY:

Programs will recruit and enroll eligible children based on the performance standards set by the Office of Head Start and from the GSRP Implementation Manual. Families receiving SSI, TANF, and SNAP are automatically eligible based on documentation collected. Families with other income will provide documentation to determine eligibility. All children will turn in proof of birth and proof of residency to determine eligibility.

OPERATIONAL PROCEDURE (Subject to Change):

Process Overview: Eligibility Duration

- If a child is determined eligible and is participating in Early Head Start, he or she will remain eligible through the end of his or her participation in Early Head Start.
- If a child transitions from the Early Head Start program to the Head Start program, Early Head Start staff will inform the child's family that the Head Start program staff will contact them to complete an application and collect new documentation.
- If a child is determined eligible and is participating in Head Start, he or she will be eligible for two years. If the child is eligible for a third year, staff will need to verify the family's income again.
- A Head Start student transitioning to GSRP will need to review and update applications and collect new documentation.

Eligibility Review:

The ERSEA Specialist will review 10% of applications in ChildPlus to approve eligibility requirements by December 1st. If there are any findings the ERSEA Specialist will continue to review additional files. Reviews will be completed ongoing using the file audit tab under the enrollment section in ChildPlus.

If any children are found ineligible:

1. The staff member who initiated the application will be contacted via email with the findings and the corrections needed.
2. The ERSEA Specialist may change the child's status in ChildPlus from waitlist to new.
3. Once corrections have been made and reviewed/approved, the ERSEA Specialist will change status back to waitlist.
4. The ERSEA Specialist will run the #2095 report of the 10% review and send out to the programs.

As needed, the enrollment staff will be provided additional training and support.

Staff members that intentionally enroll ineligible families will be held accountable and subject to disciplinary action, up to and including termination.

Meeting and Documenting the Head Start Requirement that 10% of Enrollees be Children with Disabilities who are Eligible for Services under the Individuals with Disabilities Education Act (IDEA):

Programs must ensure accurate documentation of children who are eligible for special education services, who have or have had an Individual Education Plan (IEP) or Individual Family Service Plan (IFSP), during the program year, and who received services through the Local Education Agency (LEA) or Intermediate School District (ISD).

1. Disability information is documented in ChildPlus. The ERSEA Specialist will track the number of children deemed eligible for disability services, the number of children with an active IEP/IFSP, and the number of children who require an evaluation referral using ChildPlus reports.
2. The ERSEA Specialist will determine the disability count, which includes children with current and expired IEPs/IFSPs (who received services) and children with IEPs/IFSPs that have withdrawn from the program. The total disability count is divided by the agency's actual enrollment to calculate the grantee's percentage of children with disabilities.
3. If the sub-recipient, partner, or home-based EHS program has not reached its 10% disability enrollment by January 1st of the program year, a Corrective Action Plan (CAP)

Commented [1]: When i reviewed the Head Start standards to verify, I saw that the definition of "children with disabilities" had been changed to specifically apply to children eligible under IDEA.

will be developed and monitored until the program has met the 10% disability standard. The grantee and either the sub-recipient, partner, or home-based EHS program will collaborate to find strategies to meet the minimum 10% disability enrollment requirement.

Documentation of Disabilities for GSRP Children:

- 1. Disability information is documented in ChildPlus. The ERSEA Specialist will track the number of children deemed eligible for disability services, the number of children with an active IEP/IFSP, and the number of children who require an evaluation referral using ChildPlus reports.
- 2. Inclusive IEPs will be sent to the ERSEA Specialist and Assistant Director of Early Intervention Services for approval. Approval will be entered into ChildPlus under the enrollment tab. Programs are still required to collect income documentation. However, the family income will be set at zero percent.

SUBJECT: Enrollment, Waitlist, Re-Enrollment, and Transfers

OPERATIONAL POLICY:

Programs must maintain their funded enrollment. A child is **waitlisted** by a program upon completion of the application and the required documentation. A child is **accepted** into a program following a selection meeting ensuring that children with the highest need are accepted first. A child is **enrolled** by a program upon being accepted and having attended one class for center-based programs or completed one home visit for the home-based option.

Center-Based Head Start and Early Head Start: Must be fully enrolled on the first day of school.

Home-Based Early Head Start: Must maintain full enrollment year-round.

GSRP: Must be fully enrolled by the second Wednesday of October.

OPERATIONAL PROCEDURE (subject to change):

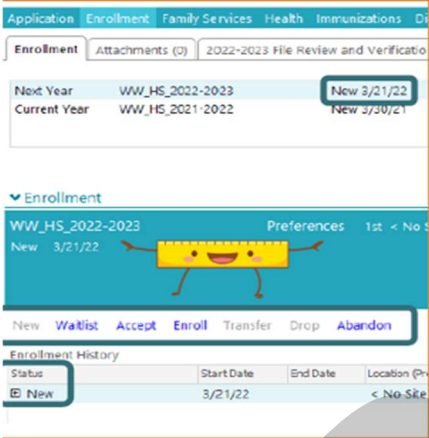

Process Overview:

1. The family will complete the ChildPlus link provided on the www.helpmegrowwashtenaw.org website. If they do not have internet access or need assistance, they can call Child Care Network at (734) 975-1840 or stop at one of the WISD Early Childhood program locations.
2. If a family contacts or visits any location inquiring about enrollment, staff will complete the interest form with the family at that time.
3. Once a family has completed the ChildPlus interest form and has submitted the information, a ChildPlus profile is created. The programs can access the child's information listed as "New."
4. After accessing the child in ChildPlus, the trained staff at the program **must** contact the family within 10 business days and set up an appointment to complete the enrollment application. No eligible family will be turned away and not have the opportunity to complete an enrollment application.

5. Once the family application is complete, all required documents are uploaded and the file has been reviewed by two ERSEA trained staff members, the child can be placed on the waitlist.
6. During a selection meeting, children are then selected based on need. This is when you will change the child's status to "accepted".
7. Enrolled means a child has been accepted and has attended one class for center-based or has had one home visit for the home-based option. This is when you will change the child's status to "enrolled".

"Enrollment Status" ...

The following are the different **Enrollment Statuses** to assign applicants and participants based on where they are at within the enrollment process:

Staff should NOT be entering future dates

- ☐ **New** = the Eligibility Requirements have not been met
- ☐ **Waitlisted** = the Eligibility Requirements have been met, however the applicant has not been selected into the program yet (*i.e. no enrollment slot is available*)
- ☐ **Accept** = the Eligibility Requirements have been met and the applicant has been officially selected for the program (*i.e. applicant has an enrollment slot in the program and expected to attend/receive program services*)
- ☐ **Enroll** = the Eligibility Requirements have been met, the applicant has been officially selected into the program and now has attended their 1st day of program services ("Little Seats in Seats")
- ☐ **Transfer** = the enrolled participant is transferring from one center/classroom to another center/classroom
- ☐ **Drop** = the enrolled participant has withdrawn from the program
- ☐ **Abandon** = the applicant/family are no longer interested in enrollment/re-enrollment **OR** staff have been unsuccessful with their contact attempts about enrollment/re-enrollment

The following information must be obtained and verified as part of the enrollment application process:

Age Requirements for EHS, HS and GSRP:

Staff will make every effort to collect documents to verify the child's age, including assisting families in obtaining documentation e.g., child's birth certificate, hospitalization record, passport, or legal documents. The family will not be required to provide documentation that confirms a child's age if this creates a barrier for the family (such as a family experiencing homelessness).

1. Early Head Start: home-based
 - Prenatal; birth to three
2. Early Head Start: center-based
 - 18 months-30 months
 - Must be 18 months by September 1st
3. Head Start
 - A child must be 3 or 4 on or before December 1st of the program year.

- After December 1st, programs must continue to enroll age-eligible children through the remainder of the program year.

4. GSRP

- A child must be 4 on or before December 1st of the program year.

When serving expectant mothers in the home-based EHS program, staff will make every effort to collect documents to verify the mother's pregnancy, e.g., ultrasound (with mom's name), physical, letter from the doctor, or WIC verification.

Income Requirements for EHS, HS and GSRP:

Trained staff will use tax forms, W-2's, pay stubs, or other proof of income to determine family income for the relevant time period. If the family cannot provide these documents, staff will accept written statements from employers, including individuals who are self-employed, for the relevant time period and use information provided to calculate total annual income with the appropriate multipliers. If a family can demonstrate significant change in income for the relevant time period, trained staff will consider the family's current income circumstances in verifying income.

1. Proof of income is based on the last 12 months or the last calendar year; whichever is applicable to the current situation. The following documents can be used (but not limited to) as proof of income:
 - a. 1040 from the most recent year
 - b. W-2/ 1099 from the most recent year
 - c. Tax Transcript
 - d. Letter from employer on letterhead stating the start date, hourly wage/salary, and number of hours worked weekly.
 - e. Documents showing receipt of public assistance (TANF, SSI and SNAP). You do not calculate the income it is set at \$0.
 - f. Statement of No Income – must reflect previous 12 months; dates of no income must be documented (e.g., the family had two months without income and 10 months of income). This form must be completed by any non-working parent if not listed on income documentation.
 - g. Check stubs will only be used if no other forms of proof of income are available and only if 12 calendar months can be accounted for with the use of these pay stubs. Income cannot be projected.
 - h. Foster children are automatically income eligible with a copy of DHS reimbursement check or a letter from the foster care agency.
 - i. Homelessness documentation
2. **GSRP Only:** If a child has an IEP that indicates services should be provided within a general education preschool program, it must be reviewed and verified by the WISD Assistant Director of Early Intervention. Income documentation should be collected and uploaded into ChildPlus, however, the actual income entered into the system should be set at \$0.

Waitlist:

Only children who have a completed application with a second signature and are ready to start school, will be placed on the waitlist. Priority should be provided for the neediest children. Others will be placed on the waitlist, unless the family would like to transfer to another program with openings. The

WISD will assist in transferring these children to a program with vacancies. When vacancies occur, the waitlist is used to select the next child based on the selection criteria points. The waitlist will be maintained in ChildPlus throughout the program year. **Vacancies must be filled immediately for the duration of the program year, and the new child must be enrolled within 30 calendar days of a vacancy.**

Transfers:

1. Head Start Programs:

- a. Transfer is defined as a Head Start family requesting to change from one sub-recipient/partner to another.
- b. If a family, whose child is currently enrolled in one WISD program location, contacts another WISD program location requesting a transfer, the contacted program must refer the family to the WISD.
- c. WISD, sub-recipient/partner staff will work together to coordinate the transfer process. WISD enrollment staff must be included in the email communication for support.
- d. To initiate the transfer, the child needs to be abandoned from their current program in ChildPlus before being accepted at the new location.
- e. A participation record will be created by the WISD staff.
- f. All sub-recipient/partner staff will need to document all transfer communication in the enrollment note section of ChildPlus. Documentation of transfer must state the specific reason(s) for the request and must include detailed information about all communications with the family.
- g. WISD will communicate with programs for the release of children.

2. GSRP Programs:

Programs are to work with the WISD to coordinate moving applications. WISD staff will explain to the family the drop process at the current location and the selection process at the new location.

Re-Enrollment or Transitions:

Re-enrollment has been defined as the official acceptance of a returning family upon completion of all procedures necessary for a child to begin classes.

1. If a child is dropped or leaves the program, he/she must reapply and submit verification of income.
2. If children on the waitlist are not selected for the current school year, they must reapply and submit current verification of income.
3. The entire enrollment application must be completed for returning over-income families.
4. Currently enrolled Early Head Start children must complete a new application and submit new required documentation. All of these children will be “accepted” in the first round of selection.
 - a. The Home visitor and FSS for EHS will assist the family in the transition by helping the family collect the required documents.
 - b. The new FSS at the new Head Start location will complete the application with the family.

5. Income eligible Head Start children are eligible for two years and do not have to re-apply.
6. Any child who will be transitioning from Head Start to GSRP needs to reapply and submit new verification of income. When entering new income and GSRP Risk Factors into ChildPlus a new participation record will be created. The child's Head Start information will not be changed.
7. If an applicant is seeking a second year of GSRP, the family's income and risk factors must be updated in ChildPlus.

SUBJECT: Family Partnership Services

OPERATIONAL POLICY: Family Partnership Services must be provided to all Head Start (HS) and Early Head Start (EHS) children and families. Each family must be assigned a Family Support Staff (FSS) member who is responsible for the provision of Family Partnership Services. Each FSS must maintain a caseload of no more than 50 HS and/or EHS families receiving the full scope of Head Start Family Partnership Services. If a Head Start FSS is assigned responsibilities outside of the scope of the FSS position, or if a program is providing the full scope of Head Start Family Partnership Services to children enrolled other program options (GSRP, tuition-based, ECSE, etc.), their HS and EHS caseload must be prorated to ensure they have adequate time to dedicate to each HS and EHS family on their caseload. While FSS only provide the full scope of Head Start Family Partnership Services to their Head Start caseload of 50 families, to maintain collaboration and community, coordination and facilitation of family engagement events, parent meetings, parent education activities, resource sharing, and referrals should include all children and families in the center.

Head Start programs must implement a process that ensures that Family Partnership Services are provided to each family. The process includes the Family Strengths and Needs Assessment (FSNA), the Family Partnership Agreement (FPA), The Family Information and Interest Survey (FIIS), family goal setting, and ongoing case management services. This process will provide the opportunity to create partnerships with parents/guardians and support their efforts to meet their family's needs and obtain self-sufficiency. The Family Service Staff (FSS) will work closely with the family to evaluate and assess current and on-going strengths, short- and long-term needs, and emergency situations requiring support related to the family engagement outcomes laid out in the Parent, Family, and Community Engagement (PFCE) Framework. The process must be initiated as early in the program year as possible, which is normally after enrollment, and it must continue for as long as the family participates in the program.

OPERATIONAL PROCEDURE (procedure subject to change):

The Family Partnership/Program Agreement (FPA) is an agreement between the family and the program to work together to support their child's growth and development, as well as the well-being of the child and family. The FPA process is informed by the Family Strengths and Needs Assessment (FSNA), child screening and assessment data, family interests (documented the Family Information

and Interest form), and more to develop personalized family goals. The FPA establishes expectations for the program and staff, as well as the family.

The categories on the FNSA assist families in identifying current strengths, needs or emergencies, and plans for services. This provides an opportunity to gather critical information imperative for goal setting. It allows the parent/guardians to explain and define specific or current situations they are experiencing.

Learning about families' interests assists in identifying goals and opportunities that either support a family's learning or provide parents and caregivers with a means to share their own knowledge with others. The Family Information and Interest Survey (FIIS) is used for this purpose.

Some families may wish to focus on their child's learning and development. Screening and assessment data can provide opportunities for parents to share information about their child while learning about development. This allows parents to both set appropriate expectations for their child and to advocate when they have a concern about their child's development. Screening and assessment can be included in the process when appropriate.

Family Partnerships Services are a critical part of program success and are foundational to Head Start programming. They should be discussed at Parent Orientation, home visits, or parent meetings.

Goals:

Once you have learned about the needs, strengths, and interests of the family, and have entered into a Family Partnership Agreement, the information is used to develop a Family Partnership Goal(s) (FPG) with each family. After a thorough assessment of the family's needs, an FSS/Home Visitor will assist and begin the process of identifying the goals and address the identified needs. Once a FPG has been established, the FSS/Home Visitor and the parent/guardian will identify specific action steps that will be necessary to achieve the FPG(s). Action plans should have an agreed upon timeline and can include, but are not limited to, steps families are committing to take to make progress toward the goal, agency and program referrals, sharing of resources, and regular progress tracking. Once a family has achieved a goal, additional goals may or may not be set, depending on the current family situation.

Not all family needs will result in a goal and detailed action plan. It is important to note that any time a family identifies a need, programs must provide resources and/or referrals to assist the family.

Timeframe:

This section outlines the projected date by which the goal or steps will be completed. The FSS/Home Visitor will be working closely with the families from the very beginning of their program journey. The FSS can be involved in home visits and parent teacher conferences. The status of the goal must be completed when follow up occurs, indicating one of the following options: goal achieved, partly achieved, not achieved, or goal no longer applicable.

Procedures:

1. The FSNA and FIIS will be introduced during completion of enrollment paperwork.
2. The items that contribute to the development of an FPA will be completed with the family **within 45 days** of the child's enrollment into the program (or once school has begun). This

process will allow the FSS the opportunity to begin establishing a relationship with the family and start the process of providing information, referrals, and resources as needed to begin developing goals.

3. The Family Partnership Goal(s) must be developed with the family within 60 days of the child or prenatal parent's enrollment date.
 - a. If a family is not ready to set a goal within the 60-day timeline, use "Family Not Ready" as the status of the goal. FSS staff should follow up those families monthly to assess needs and support the development of a goal. This follow up must be documented in ChildPlus.
4. Follow up on FPGs must occur, at a minimum, once each quarter to reassess needs of the FPA goals. Quarters have been identified as the 2nd week of November, 2nd week of February, and 2nd week of May. Follow-up may occur on a more frequent basis depending on the family's needs. All follow-up is entered into ChildPlus under the action steps of the goal.

It is important to note the program requirements should not drive family goals. Agreeing to program requirements is laid out in the FPA. When a child is missing any HS and EHS health requirements, the FSS or Home Visitor will review Head Start requirements with the family. The family will determine whether they would like to set a goal. If the family requests support to complete program requirements, it may be appropriate to set a family goal.

Quality of Referrals:

Once a referral has been provided, the FSS/Home Visitor will have 15 days to document the action that was taken and determine the family's satisfaction with the referral and the services provided. All referrals must be marked complete to ensure the services are being tracked appropriately, including whether the family has declined the use of the referral. The FSS/Home Visitor will be responsible for following through on the referral. The Quality of the Referral will be documented in ChildPlus on the Family Goal event.

All attempts to contact a family must be entered under case notes of recent contact/updates.

SUBJECT: Family Satisfaction Survey

OPERATIONAL POLICY: WISD Early Childhood programs will ensure that services provided to families meet each family's expectations and circumstances.

The Family Satisfaction Survey will be used to determine the quality of services that our families have received. Data gathered from survey results will be used for continuous program improvement.

The Family Satisfaction Surveys- will be distributed twice throughout the program year during parent teacher conferences in November and March.

OPERATIONAL PROCEDURE (procedure subject to change):

1. Family Satisfaction Surveys should include questions regarding referrals, parent involvement, classroom involvement, school readiness, and overall welcoming environment. Surveys should also provide parents/guardians an opportunity to make suggestions on changes for the future.
2. The Family Satisfaction survey will be developed by the WISD with input from family services staff, directors, and the community and family partnership specialist staff.
3. Once the surveys are returned to the staff, results will be compiled and used for program planning.
4. The Family and Community Partnership Specialist will distribute results to the Head Start Management Team and Policy Council Members.

SUBJECT: Holidays, Birthdays, and Graduation in Head Start and GSRP

OPERATIONAL POLICY: The program will establish an environment that provides developmentally appropriate activities that are culturally responsible and respectful when it comes to Holidays, Birthdays, and Graduation. Activities must follow the curriculum and may not exclude any children from participating.

OPERATIONAL PROCEDURE (procedures subject to change):

The following guidelines provide clarification for Head Start and Great Start Readiness Programs around holiday/birthday celebrations and graduation ceremonies.

1. Programs may acknowledge holidays observed by children and families in developmentally appropriate ways that are in alignment with the curriculum and are inclusive of all children. Some examples include having discussions about family traditions or adding appropriate materials to the classroom.
2. Holiday celebration activities that are not permitted include: parades, present exchanges, child performances or activities where children create a specific holiday decoration.
3. Costumes are not allowed unless there are enough for all children. Children may not be made to wear costumes.
4. Birthdays may be acknowledged in the classroom. Children should not be made to wear a special hat or crown or be made to do any special presentation for their birthday.
5. Parents may not bring in any outside food to be shared with children in the classroom. Parents can choose to bring in items that get sent home with children.
6. Graduation ceremonies are not permitted.

7. To acknowledge graduation or completion of the year, programs may choose to give children certificates or books or may have an end of the year picnic for all children and families.

SUBJECT: Home Visits and Family Conferences (Center-based programs)

OPERATIONAL POLICY: Programs must provide opportunities to enhance adult knowledge and understanding of the developmental progress of children in the program, to allow family participation in decisions related to their children's education and to assess the growth and development of children in the program. Two in-person home visits and two in-person family conferences are to be completed for each child, each program year. One of the required in-person home visits must occur prior to the first day of class. Home visits must occur in the child's home unless the parent expressly forbids such visits.

OPERATIONAL PROCEDURE (procedures are subject to change):

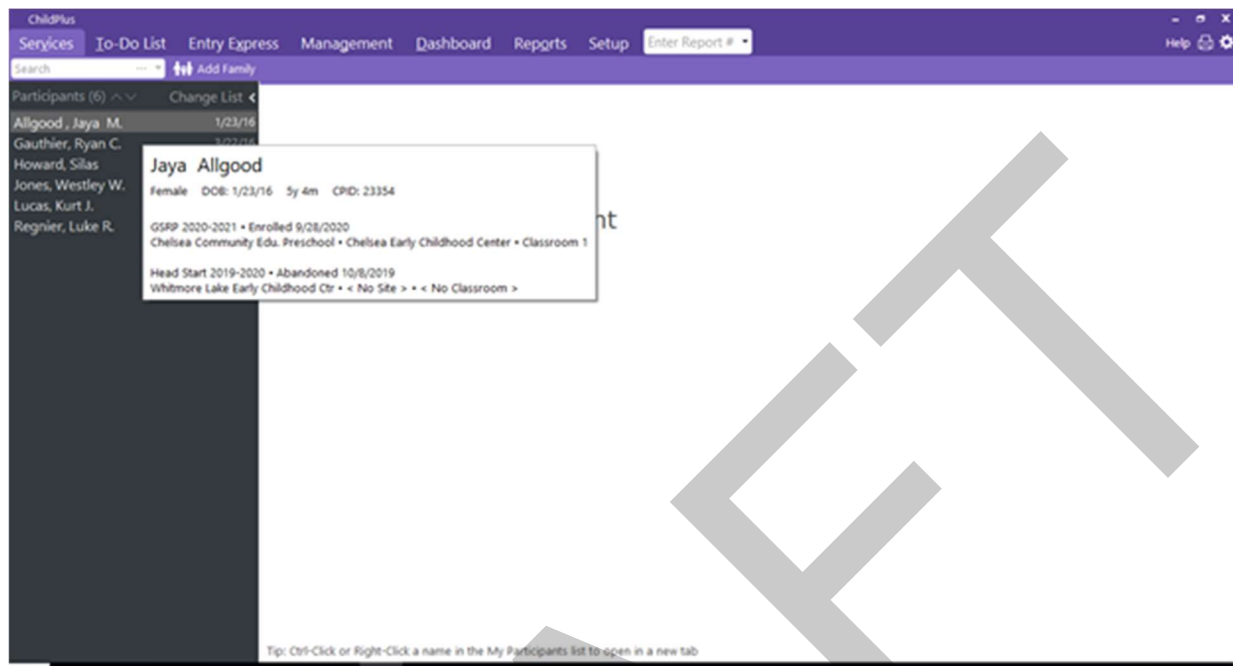

1. Two in-person home visits and two in-person family conferences are to be completed in each program year. Prior to home visits or family conferences, teachers should work with their program's Family Support Specialist to gather information relative to needs of the family such as social services, health, nutrition, or disability services.
2. Home Visits must occur in the enrolled child's home unless the parent expressly forbids such visits. In those cases, teachers and families may meet in a public location such as a library or park.
3. Staff will complete their first Home Visit prior to the first day of class. For children who enroll after the first home visits have been completed, their first home visit will be completed within 2 weeks of the child's first day of class.
4. The second Home Visit and both Family Conferences will be scheduled when an assessment period ends so that the child's assessment data is completed and can be shared with the family.
5. At both home visits and family conferences, teachers will review anecdotal notes, developmental outcomes, screening results, goals, and may provide examples of a child's work that were collected since the last home visit or conference.
6. If a child is enrolled within two weeks of a scheduled conference, complete a first home visit instead of the conference and enter as First Home Visit Event in Child Plus. Teachers will also

complete an event in ChildPlus for the conference and mark the status: *Not Needed Due To Enrollment Date*.

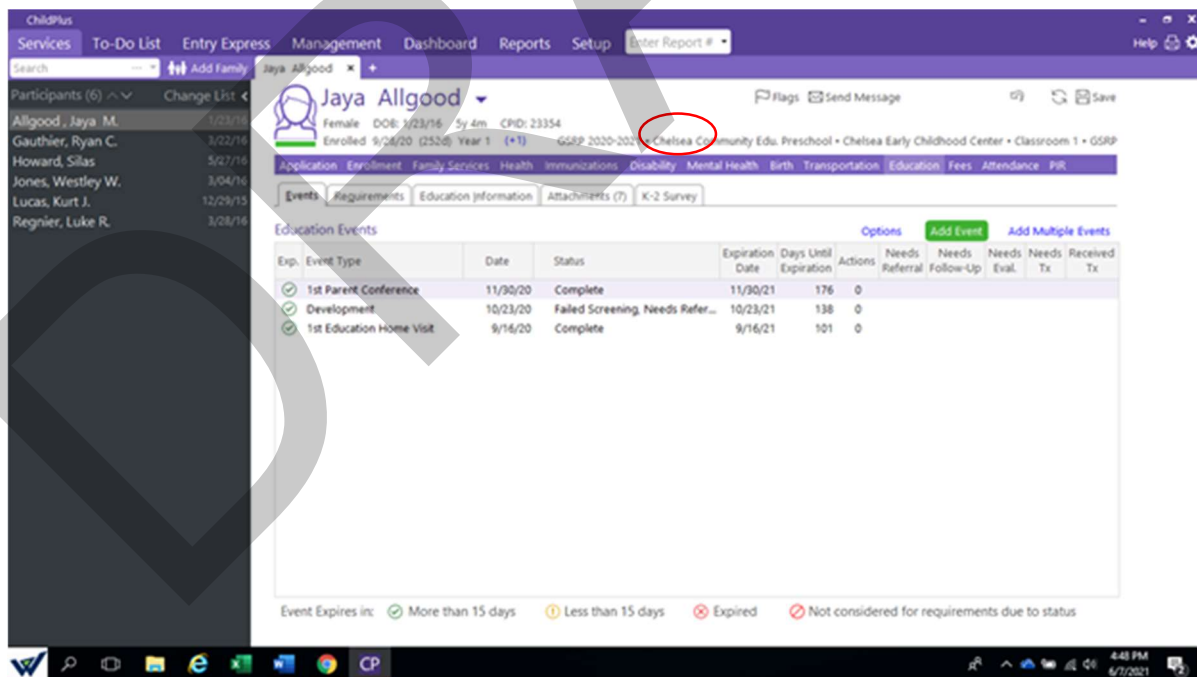

7. Teacher will establish a positive and comfortable atmosphere by using the following suggestions:
 - a. Be on time.
 - b. Share strengths about the child.
 - c. Keep good eye contact, sit near the family, look at and relate to them, talk to children.
 - d. Use family friendly language. For example, avoid using acronyms.
 - e. Show enthusiasm and acceptance.
 - f. Share classroom rules and expectations to encourage consistency between home and school.
 - g. Provide translation services if needed.
8. Teaching staff must adhere to the following safety tips when conducting home visits:
 - a. Teacher must submit a schedule to the Director.
 - b. Dress according to the program dress code policy.
 - c. Wear your school/agency ID
 - d. Always travel in pairs.

SUBJECT: Individualization

OPERATIONAL POLICY: Programs will individualize child development services to meet each child's needs considering their unique characteristics, strengths, and developmental progress. Developmental progress toward school readiness will be used in setting new goals and planning individualized approaches for encouraging development and learning of all children. Individualization must be documented in accordance with the operational procedure.

OPERATIONAL PROCEDURES (procedures are subject to change):

Center-based programs:

1. Teachers and assistant teachers will consider children's interests, screenings and on-going assessment data when developing lesson plans. Teachers may also develop plans based on key experiences to meet the needs of individual children.
2. Individualization may occur during any planned part of the daily routine and must be documented on the lesson plan using children's initials.
3. IEP goals must be considered and included in individualization; teachers should consult with their special education teacher to provide consistent expectations.
4. In collaboration with parents/guardians, during home visits and family conferences, teachers will discuss goals with parents/guardians and then use this information to also individualize instruction for children.
5. Evidence of individualization must be documented for each child weekly.

Home-based program:

Each home visit will be planned in partnership with families and must be unique to the child and family enrolled.

SUBJECT: Lesson Planning

OPERATIONAL POLICY:

Center-based Early Head Start, Head Start and GSRP: Lesson plans must be developmentally and linguistically appropriate, providing for the needs of each child with respect to language, temperament, cultural background, and learning style. Education staff will encourage families to contribute to the development of weekly plans. The lesson plans will encompass all the requirements of the Head Start Performance Standards, GSRP Implementation Manual, and curriculum requirements set by Washtenaw ISD.

Home-Based Early Head Start: Home visit plans must be developmentally and linguistically appropriate to the needs of each child and family, providing individuality with respect to language, temperament, cultural background and learning style. Home-based staff will partner with families to co-create weekly plans. The lesson plans will encompass all the requirements of the Head Start Performance Standards.

OPERATIONAL PROCEDURE (procedures are subject to change):

Center-based Early Head Start, Head Start and GSRP

1. Teachers will make time to discuss lesson plans daily. Programs will complete lesson plans in the system associated with their chosen, approved curriculum. The center director has access to the lesson plans for review.
2. Teachers will plan for each part of the daily routine using assessment information and family input.
3. Programs will implement a process for encouraging and documenting family input for lesson plans.

4. Developmental indicators will be documented on the lesson plan in the following areas: Large Group and Small Group. No more than 2 developmental indicators should be assigned to an activity.
5. Teaching staff will conduct and participate in children's activities in the classroom, outdoors, or in the gym.
6. Teaching teams will work together to plan all components of the lesson plan.
7. Teachers will post lesson plans and make them available for parents.
8. At the beginning of the school year lessons focus on:
 - Child, home, and family
 - Social/emotional development and relationship building
 - Teaching routines, areas, names of children, use of materials, hygiene, clean-up, and self-help
 - Classroom management, classroom rules, and problem-solving steps
 - Pedestrian safety

Classroom Assessment Scoring System (CLASS) and Lesson Planning

Part of the lesson planning process includes preparation. This is one of the rating indicators on the CLASS assessment. All lesson planning sessions should include a discussion regarding who will be delivering the lesson, who will be preparing the area and getting the materials, and who will be responsible for facilitating the lesson. Facilitating the lesson requires being knowledgeable about the topic, book, or activity that is the focus of the lesson. The lesson should be carefully planned with a clear learning objective and the facilitating teacher prepared to generate a conversation with the children that includes the following elements:

1. Analysis and reasoning
2. Creating
3. Integration (connecting concepts)
4. Real world connections
5. Prompting thought process
6. Feed-back loops
7. Providing information

8. Introducing language

In addition, lessons must include:

1. Support for children's autonomy and leadership
2. A variety of materials and modalities
3. Children's interests
4. Opportunities for children's expression

All members of the team should discuss weekly interventions, strategies, and methods that will keep the classroom environment positive including:

1. Strategies to build positive, respectful relationships
2. Strategies to anticipate and address problems before they happen
3. Strategies to be responsive to individualized support
4. Proactive strategies with clear behavior expectations but allow for movement and avoids rigid rules

Home-based Early Head Start

1. Early Head Start Home Visitors use the Parents as Teachers Personal Visit Planning Guide to plan for each family weekly. Plans will be developed in partnership with each family.
2. Each plan will be individualized for each child and address parent-child interaction, development-centered parenting, family well-being, and family partnership goals.
3. Adults support learning with a developmentally appropriate curriculum (Parents as Teachers), which responds to each child's needs and interests.
4. Home visit plans must address Individualized Family Service Plan (IFSP) goals, if the child is eligible for Early On.
5. At the close of each visit, the home visitor must complete the Personal Visit Record.

6. Parents as Teachers Personal Visit Planning Guide and Personal Visit records are entered and uploaded into Childplus.

SUBJECT: Outdoor Play and Materials

OPERATIONAL POLICY: Programs must provide sufficient outdoor space, equipment, materials, and adult guidance for active play and movement to promote the development of gross motor skills. Staff must plan for children to go outside for a minimum of 30 minutes each day. The Playground Safety Checklist must be completed each day prior to children using the outdoor space.

OPERATIONAL PROCEDURE (procedures are subject to change):

2. The Playground Safety Checklist must be completed each day prior to children using the outdoor space.
3. A designated person in each classroom will check weather conditions prior to the scheduled outside time. If the temperature including wind chill is at or above the guidelines set by the program the class must have outside time unless:
 - other weather conditions prevent safe outdoor play (heavy rain, thunderstorms, dangerous heat/humidity levels, etc.)
 - playground conditions are unsafe (for example: flooding)
4. If weather/temperatures are safe but the playground is unsafe to use, plans for other outside activities must be made (for example: a walk).
5. If it is determined that outside play is absolutely not an option, teaching staff must provide alternate gross motor activities in a gym, multipurpose room, classroom, or other appropriate indoor space.
6. Gym/indoor gross motor time may not be used in lieu of outside time when weather permits.

7. On hot days, **(82 degrees Fahrenheit or higher)** children must be provided with water and shade during outdoor play.
8. Directors and teaching staff will remind parents to dress children appropriately for outside weather conditions.
9. Teaching teams will plan and implement activities for outside play that support gross motor skills (for example: throwing, catching, kicking, running, pushing, pulling, etc.). Suggested materials for outside play include:
 - Wheeled toys (for example: wagons, tricycles, trucks, etc.)
 - Materials for jumping and bouncing on or over (for example: inner tubes, hooping balls, leaf piles, jump ropes, etc.)
 - Equipment for throwing, kicking, and aiming (for example: balls, bats, velcro balls and mitts, basketball hoop/net, beanbags, bails, boxes, bowling pins, etc.)
 - Materials for building (for example: boards, wood scraps, cardboard boxes, twine, rope, pulleys, blankets, old sheets, tires, workbench and tools, etc.)
 - Materials for sand and water play (for example: buckets, pots, pans, wheelbarrows, gardening tools, shallow wading pool for dry materials, plastic cars/trucks, boats, plastic/silk flowers)

 - Musical instruments and materials for creative dance or movement (wind chimes, sleigh bells, trash-can drums, etc.)
 - Art materials (for example: old sheets, outdoor easels, paint rollers, paintbrushes, bubbles/wands, sidewalk chalk, clay, spray bottles, materials for snow sculptures)
10. All teaching staff will be dispersed throughout the playground and shall engage with children.
11. Staff interactions with children on the playground should be positive and enjoyable.
12. Staff conduct regular head counts to ensure that all children are accounted for prior to and after transitions onto and off of the playground using the Active Supervision protocol.

OPERATIONAL PROCEDURE (procedure is subject to change):

Parent, Family, and Community Engagement staff must distribute a Family Interest Survey during the enrollment process. Family Interest Surveys will also be distributed at Parent/Family Orientation by October 30th. SUBJECT: Recruitment and Service Area

OPERATIONAL POLICY:

The goal of any recruitment process is to increase the community's awareness of WISD Early Childhood Programs and ensure full enrollment of all eligible children. Head Start Program Performance Standards require specific efforts to actively locate and recruit children with disabilities and other vulnerable children, including homeless children and children in foster care. Special attention should be directed at recruitment of children with disabilities to meet Head Start's requirement that 10% of all enrollees be children eligible for services of the Individuals with Disabilities Education Act (IDEA). The recipient and all partners and sub-recipients must conduct and document recruitment efforts to ensure full enrollment.

The complete service and recruitment area includes all of Washtenaw County and the portions of Jackson, Livingston, Wayne and Monroe Counties within the boundaries of the Washtenaw Intermediate School district and its local school districts including Ann Arbor Public Schools, Chelsea School District, Dexter Community Schools, Lincoln Consolidated Schools, Manchester Community School District, Milan Area Schools, Saline Area Schools, Whitmore Lake Public Schools and Ypsilanti Community Schools.

OPERATIONAL PROCEDURE (Subject to Change):

Programs will develop a recruitment plan each year to systematically identify families of those children eligible for services, inform them of services, and encourage them to apply for enrollment into the program.

- Each program must create a recruitment plan annually to be implemented in January. Each plan must outline various recruitment activities, the role and responsibilities of the person implementing the recruitment activity, and the promotional/marketing materials used.
- The recruitment plan is uploaded as an attachment in Child Plus under the management tab for the correct school year.
- All efforts must be recorded monthly on the recruitment tracking form to collect quality data to create more effective recruitment processes.

- The ERSEA Specialist will monitor recruitment plans and tracking forms monthly and may request additional recruitment plans if programs are under enrolled and or do not have a waiting list.
- Center Directors are responsible for the development and oversight of the recruitment plan.

The following can be used to help develop recruitment plans:

- Funded enrollment number
- Community Needs Assessment
- The utilization of community networks

The following practices/activities must be considered as part of each program recruitment plan:

1. Increase the program's public visibility by posting signs at all centers and in the community.
2. Monitor recruitment progress monthly.
3. Promote the program through contacts with local agencies. This will include participation in community fairs and forums, hosting local open houses at sites and by serving on local community boards.
4. Distribution of promotional material throughout the service delivery area.
5. Use of media including print, television, social media, and radio advertising.
6. Working with the Department of Health and Human Services (DHHS) and other community agencies to enhance current referral practices.
7. Identify effective means for parents/guardians to assist with the recruitment efforts.
8. Evaluation of Community Needs Assessment data, which assess client needs and resources they utilize in the effort to recruit where it counts.
9. Work closely with agencies that aid and serve families of children with disabilities and severely impaired children with special needs to assist in the identification and enrollment of these children.
10. Collaborate with Early Head Start and Early On to recruit children.
11. Host annual recruitment events.

Service Area: The complete service and recruitment area for the **WISD Head Start, EHS and GSRP programs** includes all of Washtenaw County and the portions of Jackson, Livingston, Wayne and Monroe Counties within the boundaries of the Washtenaw Intermediate School district and its local school districts including Ann Arbor Public Schools, Chelsea School District, Dexter Community Schools, Lincoln Consolidated Schools, Manchester Community School District, Milan Area Schools, Saline Area Schools, Whitmore Lake Public Schools and Ypsilanti Community Schools.

Commented [1]: I told all of you that I was going to change the serve area to include the exact language from the Head Start grant. This is what I changed it to.

1. There will be an atmosphere of trust and open communication between sub-recipients and partners to assure that eligible families get enrolled in a structured way.
2. Potential applicants not residing in the service area will be referred to their service area for assistance in enrolling.
3. If a child resides outside of Washtenaw County but the family wishes to enroll their child in a GSRP Washtenaw County program, the enrolling program must complete the form requesting approval to enroll the child (CROSS- ISD form).
4. Out of county enrollments will not be considered for approval until September 2nd with WISD approval.
5. Once approval has been obtained the child may be enrolled.

Providing transportation services. If a program **does not** provide transportation services, either for all or a portion of the children, it must provide reasonable assistance, such as information about public transit availability, to the families of such children to arrange transportation to and from its activities and provide information about these transportation options in recruitment announcements.

The ERSEA Specialist will annually review the selection criteria using the community needs assessment as guidance. This includes children living in poverty, children experiencing homelessness, foster children, and children with disabilities.

The Universal Selection Criteria set by the WISD must be reviewed and approved by the Policy Council and the WISD Board of Education prior to implementation. All partner and sub-recipient programs must utilize the Universal Selection Criteria set by the WISD. Children must be selected in order, beginning with those with the highest number of points as assigned by the Universal Selection Criteria.

OPERATIONAL PROCEDURES (Subject to Change):

The approved Selection Criteria will be uploaded as an attachment in ChildPlus with the definitions available.

A Selection Criteria/ risk factors will be completed in ChildPlus for each applicant during the application process. Documentation of why points are awarded to the family must be entered into ChildPlus under eligibility notes. Two staff signatures are required for EHS/HS/GSRP programs.

SUBJECT: Services to Early Head Start Enrolled Pregnant Women

OPERATIONAL POLICY: The Home-based Early Head Start (EHS) program must assist prenatal parents in obtaining prenatal medical care, and provide enrolled pregnant women, mothers, fathers, and partners, or other family members prenatal and postpartum information, education, and services that address, as appropriate, fetal development, the importance of nutrition in the prenatal and postpartum stage including breastfeeding, the risks of alcohol, drugs, and smoking, and the benefits of substance use treatment, labor and delivery, postpartum recovery, and infant care and safe sleep practices.

Home-based EHS must support pregnant women, mothers, fathers, partners, or other family members to access mental health services, including referrals, as appropriate, to address concerns including prenatal and postpartum mental health concerns, including but not limited to anxiety, depression, grief or loss, birth trauma, and substance use.

Home-based EHS must also address pregnant women's needs for appropriate support related to social and emotional well-being, nurturing and responsive caregiving, and father, partner, or other family member engagement during pregnancy and early childhood.

OPERATIONAL PROCEDURE (procedures subject to change):

Effective planning requires ongoing discussions with parents and other participating family members to best understand and serve their needs. It also requires an understanding of the requirements of the Head Start Program Performance Standards, as well as planning for appropriate program services based on the Community Assessment and guidance from the Health Services Advisory Committee and Policy Council.

Enrolled pregnant women are served via weekly 90 minute home visits using an evidence-based curriculum, Parents as Teachers, which includes comprehensive prenatal parent education materials. The program will assist pregnant women in accessing comprehensive prenatal and postpartum care, through referrals, immediately after enrollment in the program, in the following ways:

1. Provide prenatal and postpartum information, education and services that address, as appropriate, fetal development, the importance of nutrition, the risks of alcohol, drugs, and smoking, labor and delivery, postpartum recovery, parental depression, infant care and safe sleep practices, and the benefits of breastfeeding. The program must also address needs for

appropriate support for emotional well-being, nurturing and responsive caregiving, and father engagement during pregnancy and early childhood.

2. Provide that the family partnership services, outlined in the Family Partnership Services policy, will be followed with all enrolled pregnant mothers and their families.
3. Provide that, within 30 days of enrollment, if an enrolled pregnant woman does not have a source of ongoing health and dental care, or health insurance coverage, a program must, as quickly as possible, facilitate her access to such a source of care that will meet her needs.
4. Provide that all enrolled pregnant women have access to comprehensive services through referrals that, at a minimum, include nutritional counseling, food assistance, oral health care, mental health services, substance abuse prevention and treatment, and emergency shelter or transitional housing in cases of domestic violence.
5. Provide that health promotion and treatment, including medical and dental examinations on a schedule deemed appropriate by the attending health care providers, occurs as early in the pregnancy as possible.
6. Provide that mental health interventions and follow-up, including substance abuse prevention and treatment services, occurs as needed.
7. Provide a newborn visit with each mother and baby to offer support and identify family needs. A program must schedule the newborn visit within two weeks after the infant's birth.

The following information must be documented in ChildPlus for enrolled pregnant women:

1. add a Pregnancy Record in ChildPlus (under Pregnancy Module);
2. answer all PIR questions in the Pregnancy Record as related to the pregnancy;
3. complete a Prenatal History Form;
4. complete a Prenatal Needs Assessment;
5. complete a Prenatal Nutrition Assessment;
6. request most recent Prenatal Physical Exam and Dental Exam;
7. complete Edinburgh Postnatal Depression Scale (after child is born);
8. complete Two-Week Postnatal Visit Form (within two weeks of birth).

All prenatal forms can be found in ChildPlus → Management → EHS Forms. Forms have also been added within each health event.

Discussions with enrolled pregnant women should also be documented about program options, plan for the infant's transition to program enrollment, and support the family during the transition process, where appropriate.

SUBJECT: Transition into and out of Early Head Start, Head Start, and Great Start Readiness Program

OPERATIONAL POLICY: Programs must ensure the implementation of strategies and practices that support the successful integration and participation of families in Early Head Start (EHS), Head Start, and Great Start Readiness Program (GSRP), as well as, the successful transition out of EHS into a program or service that both the parents and EHS staff find appropriate, or out of Head Start and GSRP into kindergarten.

OPERATIONAL PROCEDURE (procedures are subject to change):

1. Transition into Early Head Start:

- a) EHS staff will make every effort to contact family via phone, email and/or text to schedule the first home visit. Once a child is selected, if staff are unable to contact the family after 5 business days of daily attempts using the strategies listed above, staff will talk to the ERSEA Specialist about returning the child to the EHS waitlist.
- b) During the first home visit EHS staff will discuss the full range of services EHS delivers, consistent with performance standard 1302.20(b) and complete the Parent/Staff Understanding form and the Attendance Policy.

2. Transition out of Early Head Start:

- a) EHS staff will initiate transition planning when the child is between 27 – 30 months, using the Transition Partnership Plan.
- b) The child will transition into a Head Start classroom as soon as possible following their third birthday. Programs will prioritize EHS Transition over waitlist. If the child is unable to transition due to lack of space or time of year, the child will continue to receive EHS services during this time.
- c) Between 27-30 Months or by February for any child turning three prior to December 1st of the following program year - EHS staff will complete step one of the Transition Partnership Plan.

- d) By 31 months of age or by February for any child turning three prior to December 1st of the following program year - EHS staff will complete step two of the Transition Partnership Plan.
- e) By 32 months of age or by February for any child turning three prior to December 1st of the following program year - EHS staff will complete step three of the Transition Partnership Plan. All relevant team members should participate in step three of the Transition Partnership Plan (team members could include other family members, Delegate FSS, IEP team, IFSP team, and any other person the parent would like to participate). This section of the plan should be in alignment with the IFSP transition plan for any children eligible for Part C of IDEA.
- f) By 33 months of age or by March for any child turning three prior to December 1st of the following program year - EHS staff will complete step four of the Transition Partnership Plan.
- g) By 36 months of age or by March for any child turning three prior to December 1st of the following program year - EHS staff will complete section 5 of the Transition Partnership Plan
- h) Children whose families decline to transition into a Head Start classroom should follow a-g and must be exited on their third birthday.
- i) A child who transitions into an Early Childhood Special Education program prior to their third birthday the child will remain eligible and stay enrolled and follow a-h. Children will continue services until the child transitions.

3. Transition into Head Start or GSRP:

- a) All children and parents will have home visits prior to classes beginning. The child, parent, and teacher can visit and get to know one another before his/her first day of class. Teaching staff will share curriculum and daily routine information with parents. Teaching staff will also complete developmental screenings with parents and children, so they have a better understanding of the child's needs before entering the classroom.
- b) Centers will host an open house/orientation event prior to the first day of class. The event should allow parents and children time to visit the classroom and experience some of the daily routine and provide parents with specific center and parent handbook information.

4. Transition out of Head Start or GSRP:

- a) Teaching staff will initiate transition planning at the second parent teacher conference.
- b) Teaching staff will ensure that a transition plan is completed with each family by the end of the year.
- c) Transition plans will be documented in Child Plus by uploading the transition plan form under the Education tab attachments.
- d) Programs will assist children and families with transitioning to kindergarten by:
 - i. Hosting a parent/guardian kindergarten information meeting
 - ii. Providing families with kindergarten round-up information
 - iii. Visits by kindergarten teachers to the preschool classrooms
 - iv. Visits for children to the kindergarten classroom
 - v. Adding kindergarten transition activities to lesson plans beginning in March

- vi. When possible, providing assessment data to the child's kindergarten teacher
- e) Parent/guardian permission/release of information will be required to provide information to kindergarten teachers. As an alternative to providing kindergarten teachers with the assessment data, teaching staff could during the last home visit provide parents/guardians with two copies of assessment reports and ask parents/guardians to share one copy with their child's new kindergarten teacher.

Title: Revised EVALUATION OF THE SUPERINTENDENT
Code: po1240
Status: Active

Revised Policy - Vol. 38, No. 2

1240 - EVALUATION OF THE SUPERINTENDENT

The Board of Education believes it is essential that it evaluate the Superintendent's performance periodically in order to assist both the Board and the Superintendent in the proper discharge of their responsibilities and to enable the Board to provide the District with the best possible leadership. To carry out this responsibility, the Board will evaluate the Superintendent utilizing a rigorous, transparent, and fair performance evaluation system that does all of the following:

- A. Evaluates the Superintendent's job performance at least annually in a year-end evaluation, while providing timely and constructive feedback.

A Superintendent rated highly effective prior to July 1, 2024, and/or effective after July 1, 2024 on three (3) consecutive year-end evaluations may be evaluated every other year, at the District's discretion.

- B. Establishes clear approaches to measuring student growth and provides the Superintendent with relevant data on student growth.
- C. Evaluates the Superintendent's job performance prior to July 1, 2024 as highly effective, effective, minimally effective, or ineffective, and after July 1, 2024 as effective, developing, or needing support- Before the 2024-2025 school year, forty percent (40%) of the year-end evaluation shall be based on student growth and assessment data. Beginning with the 2024-2025 school year, twenty percent (20%) of the year-end evaluation shall be based on student growth or student learning objectives.

For the Superintendent, the pertinent data is that of the entire School District.

- D. Uses the evaluations, at a minimum, to inform decisions regarding all of the following:
 - 1. The effectiveness of the Superintendent so that the Superintendent is given ample opportunities for improvement.

2. Retention and development of the Superintendent including providing relevant coaching, instruction support, or professional development.
 3. Removing an ineffective Superintendent after the Superintendent has had ample opportunities to improve and providing that these decisions are made using rigorous standards and streamlined, transparent, and fair procedures.
 - 4.
- E. Prior to July 1, 2024, the portion of the annual year-end evaluation that is not based on student growth and assessment data shall be based on at least the following for the entire District:
1. The Superintendent's training and proficiency in conducting teacher performance evaluations, if the Superintendent does so or the designee's proficiency and training if the Superintendent designates such duties.
 2. The progress made by the school or District in meeting the goals established in the school/District improvement plan.
 3. Student attendance.
 4. Student, parent, and teacher feedback and other information considered pertinent by the Board.
 5. Beginning July 1, 2024, the portion of the evaluation that is not based on student growth or student learning objectives must be based on objective criteria.
- F. For the purposes of conducting annual year-end evaluations under the performance evaluation system, the District shall adopt and implement one (1) or more of the evaluation tools for teachers, or administrators, if available, that are included on the list established and maintained by the Michigan Department of Education ("MDE"). However, if the District has one (1) or more local evaluation tools for administrators or modifications of an evaluation tool on the list, and the District complies with G. below, the District may conduct annual year-end evaluations for administrators using one (1) or more local evaluation tools or modifications.
- G. The District shall post on its public website all of the following information about the measures it uses for its performance evaluation system for school administrators:
1. The research base for the evaluation framework, instrument, and process or, if the District adapts or modifies an evaluation tool from the MDE list, the research

base for the listed evaluation tool and an assurance that the adaptations or modifications do not compromise the validity of that research base.

2. The identity and qualifications of the author or authors or, if the District adapts or modifies an evaluation tool from the MDE list, the identity and qualifications of a person with expertise in teacher evaluations who has reviewed the adapted or modified evaluation tool.
3. Either evidence of reliability, validity, and efficacy or a plan for developing that evidence or, if the District adapts or modifies an evaluation tool from the MDE list, an assurance that the adaptations or modifications do not compromise the reliability, validity, or efficacy of the evaluation tool or the evaluation process.
4. The evaluation frameworks and rubrics with detailed descriptors for each performance level on key summative indicators.
5. A description of the processes for conducting classroom observations, collecting evidence, conducting evaluation conferences, developing performance ratings, and developing performance improvement plans.
6. A description of the plan for providing evaluators and observers with training.

H. The District shall:

1. provide training to the Superintendent on the measures used by the District in its performance evaluation system and on how each of the measures is used. This training may be provided by a district or consortium consisting of two (2) or more districts, the intermediate school district, or a public school academy;
2. ensure that training is provided to all evaluators and observers. The training shall be provided by an individual who has expertise in the evaluation tool or tools used by the District, which may include either a consultant on that evaluation tool or framework or an individual who has been trained to train others in the use of the evaluation tool or tools. The District may provide training in the use of the evaluation tool or tools, if the trainer has expertise in the evaluation tool or tools.

The Board's evaluation shall also include an assessment of the:

- A. progress toward the educational goals of the District;

- B. working relationship between the Board and the Superintendent;
- C. Board's own effectiveness in providing direction to the Superintendent.

Such assessments will be based on defined quality expectations developed by the Board for each criteria being assessed.

Beginning July 1, 2024, the evaluation system must include a mid-year progress report for the Superintendent in each year that they are evaluated. This mid-year progress report shall comply with M.C.L. 380.1249b and may not replace the annual evaluation.

The evaluation system shall ensure that if the Superintendent is rated as minimally effective or ineffective prior to July 1, 2024 or needing support or developing after July 1, 2024, the person(s) conducting the evaluation shall develop and require the Superintendent to implement an improvement plan to correct the deficiencies. The improvement plan shall recommend professional development opportunities and other measures designed to improve the rating of the Superintendent on the Superintendent's next annual year-end evaluation. A Superintendent rated as ineffective prior to July 1, 2024 and/or needing support after July 1, 2024 on three (3) consecutive year-end evaluations must be dismissed from employment with the District.

The evaluation program shall aim at the early identification of specific areas in which the Superintendent needs help so that appropriate assistance may be provided or arranged for. The Board shall not release the Superintendent from the responsibility to improve. If the Superintendent, after receiving a reasonable degree of assistance, fails to perform assigned responsibilities in a satisfactory manner, dismissal or non-renewal procedures may be invoked. In such an instance, all relevant evaluation documents may be used in the proceedings.

Evaluations shall be conducted of each administrator as stipulated in the revised School Code, the employment contract, the Superintendent's administrative guidelines, and as directed by the Michigan Department of Education. An administrator shall be given a copy of any documents relating to the administrator's performance which are to be placed in the personnel file.

This policy shall not deprive an administrator of any rights provided by State law or any contractual rights consistent with State law.

The Contractor shall not be considered as having an employee status or as being entitled to participate in any plans, arrangements, or distributions by WISD pertaining to or in the connection with any fringe, pension, bonus or similar benefits for the WISD's regular employees. WISD will not withhold or pay any sums, state, federal or local taxes, FICA, Michigan School Employees Retirement, MESC insurance, or worker's compensation insurance, unless required by law. The Contractor agrees to hold WISD harmless for the payment of such sum, interest, penalties or costs in the collection of same. Nothing in this agreement shall be construed to interfere with or otherwise affect rendering of services by the Contractor in accordance with its professional judgment.
5. The contractor has not been debarred, excluded or disqualified¹ under the non-procurement common rule, or otherwise declared ineligible from receiving Federal funds, contracts, certain subcontracts, and certain Federal assistance/benefits.
6. WISD acknowledges that the Contractor has no responsibility for the supervision of any WISD personnel in carrying out his/her contractual functions, and any recommendations made by the Contractor (other than in treating patients whom s/he has examined,) will require independent judgment of WISD prior to being effectuated.
7. WISD agrees that the Contractor shall have access to WISD premises at such time as is necessary for the Contractor to perform the above described tasks. However, WISD may require at least a one week's prior notice relating to the use of certain facilities.
8. In compliance with federal requirements, payments shall be made to a vendor on a reimbursement basis for services delivered; not as a prepayment.
9. WISD agrees to promptly pay the invoices submitted by the Contractor upon verification of the rendering of the services and within 30 calendar days from receipt in the WISD's Business Office.
10. WISD agrees to report to the Internal Revenue Service all amounts paid or reimbursed for services of the Agreement in conjunction with the legal requirements.

SECTION III – OTHER CONSIDERATIONS

1. All expenses for travel and mileage as a result of rendering the services identified in Section I are the responsibility of the Contractor. However, WISD may ask the Contractor to incur travel expenses not foreseen prior to the execution of this contract. If this occurs, WISD pre-approved travel costs associated with this Contract will be paid by WISD at a rate to be determined by WISD. Such travel expenses must be submitted under the guidelines established by WISD, including expense submission dates and inclusion of detailed receipts.
2. Nothing in this Agreement shall be considered to create the relationship of employer and employee between the parties at any time during the life of this Agreement.
3. The WISD shall retain ownership interest in any of the following three (3) circumstances:
 - i. The WISD expressly directs the Contractor to create a specified work (electronic or otherwise) or the work is a specific requirement of the contract;
 - ii. Any documents (electronic or otherwise) created and or developed by the Contractor while under contract with the WISD; or
 - iii. The Contractor voluntarily transfers the copyright, in whole or in part to the WISD in the form of a written document signed by said Contractor.
4. The work done by the Contractor shall be to the entire satisfaction of WISD. Should the Contractor unsatisfactorily perform the duties, WISD may cancel the Agreement and the Contractor shall have no claim for any of the balance of the contract price remaining to be paid at date of termination other than amounts related to services provided prior to termination.
5. Either party may terminate this Agreement by giving the other 30 days advance written notice.
6. WISD may change the duties of the Contractor as above described, but such change shall not be a substantial alternation of the Contractor's duties, nor can such change be made without the input of the Contractor.

SECTION IV – INSURANCE COVERAGE

The Contractor understands that WISD's liability insurance policies may not afford any coverage for any work associated with this contract. Therefore, the Contractor agrees to hold WISD harmless 1) for any sum related to the cost of liability insurance, 2) from any and all liabilities, claims, liens, demands and costs, of whatsoever kind and nature, and 3) from any associated attorney fees, arising out of the performance of the work described in Section I. The Contractor shall obtain and provide proof of public liability insurance in such sums as shall be deemed appropriate by WISD unless specific written exemption is provided by the Assistant Superintendent, Business Services. Neither party shall be responsible for any action or inaction of the other party or its officers, agents, or employees, nor for insurance costs or legal fees, related thereto.

RE: Kriseles Contract

The administration is seeking Board approval to contract with Kriseles, Inc. to provide advisory and consulting services related to organizational management, leadership development, and culture supports for a total cost not to exceed \$200,000.00.

Kriseles will provide a second year of service to support our efforts to utilize our new organizational values to guide our work as leaders and create a more engaged and inclusive culture. They will be providing a significant amount of coaching support to leaders, on-site and remote training, and professional development for staff.

This contract extends from July 1, 2025, to June 30, 2026, with funding sourced from EISJ Professional & Technical accounts.

The work with Kriseles has been transformational for the leadership team over the last year and I am confident our work with them will continue to help us grow and develop our organizational culture.

Engagement Agreement

This Engagement Agreement (th is “**Agreement**”), dated as of July 1, 2025 (the “**Effective Date**”), is by and between Kriseles Inc., a Delaware corporation (“**Kriseles**”), and **Washtenaw ISD** a Michigan school district with offices located at 1819 South Wagner Road, PO Box 1406 Ann Arbor, MI 48106-1406. **Washtenaw ISD** together with Kriseles, the “**Parties**” and each a “**Party**”).

Background

Client desires to engage Kriseles to provide to Client certain advisory and consulting services related to Organizational Management, Leadership Development, Diversity, Equity, and Inclusion (DEI) and such other services as set forth in **Exhibit A** (the “**Services**”), and Kriseles has agreed to perform the Services, in accordance with the terms and subject to the conditions set forth in this Agreement.

NOW, THEREFORE, Kriseles and Client agree as follows:

1. Services. Kriseles shall provide to Client the Services during the Term (as defined below), in accordance with the terms and subject to the conditions set forth in this Agreement. Any services in addition to the Services listed on **Exhibit A** will be performed only if the Parties agree in writing on terms and compensation mutually acceptable to each in its sole discretion.

2. Fees and Expenses.

a. For the Services to be performed under this Agreement, Client shall pay to Kriseles those fees described in **Exhibit A**, with fifty percent (50%) of the total fee amount payable as a nonrefundable engagement fee by July 18, 2025, and the remaining fifty percent (50%) payable in (3) installments.

b. Client shall reimburse Kriseles for, or pay on Kriseles’s behalf, all reasonable travel and out-of-pocket expenses incurred by Kriseles in connection with the performance of the Services, within 30 days of receipt by Client of an invoice from Kriseles accompanied by receipts and reasonable supporting documentation.

c. Except for invoiced payments that Client has successfully disputed, all late payments shall bear interest at the lesser of (a) an 8% annualized interest rate and (b) the highest rate permissible under applicable law, in either case calculated daily and compounded monthly. Client shall also reimburse Kriseles for all costs incurred in collecting any late payments, including, without limitation, attorneys’ fees. In addition to all other remedies available under this Agreement or at law (which Kriseles does not waive by the exercise of any rights hereunder), Kriseles shall be entitled to suspend the provision of any Services if Client fails to pay any amounts when due hereunder.

3. Term. This Agreement shall commence as of the Effective Date and shall continue thereafter for a period of {12 months} unless sooner terminated in accordance with Section 4 (the “**Term**”).

4. Termination, and Survival.

a. Either Party may terminate this Agreement, effective upon written notice to the other Party (the “**Defaulting Party**”) if the Defaulting Party (a) materially breaches this Agreement, and the Defaulting Party does not cure such breach within thirty (30) days after receipt of written notice of

such breach, or such material breach is incapable of cure; (b) becomes insolvent or admits its inability to pay its debts generally as they become due; (c) becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law, which is not fully stayed within seven (7) business days or is not dismissed or vacated within forty-five (45) business days after filing; (d) is dissolved or liquidated or takes any corporate action for such purpose; (e) makes a general assignment for the benefit of creditors; or (f) has a receiver, trustee, custodian, or similar agent appointed by order of any court of competent jurisdiction to take charge of or sell any material portion of its property or business. Washtenaw ISD shall be refunded any portion of the fees and expenses that are unearned by Kriseles based on the scope of work identified in exhibit A.

b. Notwithstanding anything to the contrary in Section 4(a), Kriseles may terminate this Agreement before the expiration date of the Term on written notice if Client fails to pay any amount when due hereunder. Any right or obligation of the Parties which, by its nature, should survive the expiration or termination of this Agreement, will survive any such termination or expiration of this Agreement.

5. Intellectual Property. All intellectual property rights in and to the work product and deliverables that are specifically created for and delivered to Client under this Agreement by Kriseles in the course of performing the Services, including any items identified as such in Exhibit A are hereby assigned to Client and shall constitute "works made for hire." For purposes of clarity, nothing in this Agreement shall be deemed to assign to client any rights in any pre-existing intellectual property of Kriseles (including Kriseles's trademarks, copyrights and other know-how).

6. Confidentiality. From time to time during the Term of this Agreement, either Party (as the "**Disclosing Party**") may disclose or make available to the other Party (as the "**Receiving Party**"), non-public, proprietary, and confidential information of Disclosing Party that, if disclosed in writing or other tangible form is clearly labeled as "confidential," or if disclosed orally, is identified as confidential when disclosed and within seven (7) days thereafter, is summarized in writing and confirmed as confidential ("**Confidential Information**"); provided, however, that Confidential Information does not include any information that: (a) is or becomes generally available to the public other than as a result of Receiving Party's breach of this Section; (b) is or becomes available to the Receiving Party on a non-confidential basis from a third-party source, provided that such third party is not and was not prohibited from disclosing such Confidential Information; (c) was in Receiving Party's possession prior to Disclosing Party's disclosure hereunder; or (d) was or is independently developed by Receiving Party without using any Confidential Information. The Receiving Party shall: (x) protect and safeguard the confidentiality of the Disclosing Party's Confidential Information with at least the same degree of care as the Receiving Party would protect its own Confidential Information, but in no event with less than a commercially reasonable degree of care; (y) not use the Disclosing Party's Confidential Information, or permit it to be accessed or used, for any purpose other than to exercise its rights or perform its obligations under this Agreement; and (z) not disclose any such Confidential Information to any person or entity, except to the Receiving Party's Group who need to know the Confidential Information to assist the Receiving Party, or act on its behalf, to exercise its rights or perform its obligations under this Agreement. If the Receiving Party is required by applicable law or legal process to disclose any Confidential Information, it shall, prior to making such disclosure, use commercially reasonable efforts to notify Disclosing Party of such requirements to afford Disclosing Party the opportunity to seek, at Disclosing Party's sole cost and expense, a protective order or other remedy. For purposes of this Section only, Receiving Party's Group shall mean the Receiving Party's affiliates and its or their employees,

officers, directors, shareholders, partners, members, managers, attorneys, accountants, and financial advisors.

7. Independent Contractor. The relationship between the Parties is that of independent contractors. The details of the method and manner for performance of the Services by Kriseles shall be under its own control, Client being interested only in the results thereof. Kriseles shall be solely responsible for supervising, controlling and directing the details and manner of the completion of the Services. Nothing in this Agreement shall give the Client the right to instruct, supervise, control, or direct the details and manner of the completion of the Services. Nothing contained in this Agreement shall be construed as creating any agency, partnership, joint venture or other form of joint enterprise, employment or fiduciary relationship between the parties, and neither party shall have authority to contract for or bind the other party in any manner whatsoever.

8. Limited Warranty. Kriseles warrants that it shall perform the Services (a) using personnel of commercially reasonable skill, experience and qualifications; and (b) in a timely, workmanlike, and professional manner in accordance with generally recognized industry standards for similar services. KRISELES (a) MAKES NO WARRANTIES EXCEPT FOR THAT PROVIDED ABOVE; AND (b) DISCLAIMS ALL OTHER WARRANTIES, WHETHER EXPRESS or IMPLIED, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Kriseles's sole and exclusive liability and Client's sole and exclusive remedy for breach of the limited warranty set out in this Section shall be reperformance of the affected Service. If Kriseles cannot reperform the Service in compliance with the warranty set forth above within a reasonable time (but no more than thirty (30) days) after Client's written notice of such breach, Client may, at its option, terminate the Agreement by serving written notice of termination in accordance with Section 4.2. Kriseles shall within thirty (30) days after the effective date of such termination, refund to Client a portion of the fees previously paid by Client as of the date of termination corresponding to the defective Service as determined by Kriseles in its sole and absolute discretion.

9. Limitation of Liability. IN NO EVENT SHALL KRISELES BE LIABLE TO CUSTOMER OR TO ANY THIRD PARTY FOR ANY LOSS OF USE, REVENUE, OR PROFIT OR LOSS OF DATA OR DIMINUTION IN VALUE, OR FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES WHETHER ARISING OUT OF BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGE WAS FORESEEABLE AND WHETHER OR NOT KRISELES HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE. IN NO EVENT SHALL KRISELES'S AGGREGATE LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT, WHETHER ARISING OUT OF OR RELATED TO BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EXCEED THE AGGREGATE AMOUNTS PAID OR PAYABLE TO KRISELES IN THE IMMEDIATELY PRECEDING TWELVE (12) MONTHS PURSUANT TO THIS AGREEMENT.

10. Entire Agreement. This Agreement, including and together with any related exhibits, schedules, attachments and appendices, constitutes the sole and entire agreement of the Parties with respect to the subject matter contained herein, and supersedes all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, regarding such subject matter.

11. Notices. All notices, requests, consents, claims, demands, waivers and other communications under this Agreement (each, a "**Notice**") must be in writing and addressed to the other

Party at its address listed on the signature page (or to such other address that the receiving Party may designate from time to time in accordance with this Section). Unless otherwise agreed herein, all Notices must be delivered by personal delivery, nationally recognized overnight courier or certified or registered mail (in each case, return receipt requested, postage prepaid). Except as otherwise provided in this Agreement, a Notice is effective only (a) on refusal of delivery or receipt by the receiving Party; and (b) if the Party giving the Notice has complied with the requirements of this Section.

12. Severability. If any term or provision of this Agreement is found by a court of competent jurisdiction to be invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction. Upon a determination that any term or provision is invalid, illegal, or unenforceable, the court may modify this Agreement to effect the original intent of the Parties as closely as possible in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

13. Amendments. No amendment to or modification of this Agreement is effective unless it is in writing and signed by an authorized representative of each Party.

14. Waiver. No waiver by any Party of any of the provisions of this Agreement shall be effective unless explicitly set forth in writing and signed by the Party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any right, remedy, power or privilege arising from this Agreement shall operate or be construed as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

15. Assignment; Successors and Assigns. Client shall not assign, transfer, delegate or subcontract any of its rights or delegate any of its obligations under this Agreement without the prior written consent of Kriseles. Any purported assignment or delegation in violation of this Section shall be null and void. No assignment or delegation shall relieve the Client of any of its obligations under this Agreement. Kriseles may assign any of its rights or delegate any of its obligations to any affiliate or to any person acquiring all or substantially all of Kriseles's assets without Client's consent. This Agreement is binding on and inures to the benefit of the Parties to this Agreement and their respective permitted successors and permitted assigns.

16. No Third-Party Beneficiaries. This Agreement benefits solely the Parties to this Agreement and their respective permitted successors and assigns and nothing in this Agreement, express or implied, confers on any other person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

17. Governing Law; Venue. This Agreement and all related documents including all exhibits attached hereto, and all matters arising out of or relating to this Agreement are governed by, and construed in accordance with, the laws of the State of Delaware. Any claim asserted by any party under this Agreement must be brought in state or federal courts located in Washtenaw, County Michigan.

18. WAIVER OF JURY TRIAL. EACH PARTY ACKNOWLEDGES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT, INCLUDING EXHIBITS, SCHEDULES, ATTACHMENTS, AND APPENDICES ATTACHED TO THIS AGREEMENT, IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO

THIS AGREEMENT, INCLUDING ANY EXHIBITS, SCHEDULES, ATTACHMENTS OR APPENDICES ATTACHED TO THIS AGREEMENT, OR THE TRANSACTIONS CONTEMPLATED HEREBY.

19. Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same agreement. A signed copy of this Agreement delivered by facsimile, email, DocuSign or other means of electronic transmission is deemed to have the same legal effect as delivery of an original signed copy of this Agreement.

20. Force Majeure. No Party shall be liable or responsible to the other Party, or be deemed to have defaulted under or breached this Agreement, for any failure or delay in fulfilling or performing any term of this Agreement (except for any obligations of the Client to make payments to Kriseles hereunder), when and to the extent such failure or delay is caused by or results from acts beyond the impacted party's ("**Impacted Party**") reasonable control, including, without limitation, the following force majeure events ("**Force Majeure Event(s)**") : (acts of God; (flood, fire, earthquake, or explosion; (war, invasion, hostilities (whether war is declared or not), terrorist threats or acts, riot or other civil unrest; (government order, law, or actions; (embargoes or blockades in effect on or after the date of this Agreement; (national or regional emergency; (strikes, labor stoppages or slowdowns, or other industrial disturbances; (telecommunication breakdowns or power outages or shortages; and (i) other similar events beyond the reasonable control of the Impacted Party. The Impacted Party shall use diligent efforts to end the failure or delay and ensure the effects of such Force Majeure Event are minimized. The Impacted Party shall resume the performance of its obligations as soon as reasonably practicable after the removal of the cause. In the event that the Impacted Party's failure or delay remains uncured for a period of ten (10) days following written notice given by it under this Section, the other Party may thereafter terminate this Agreement upon ten (10) days' written notice.

RE: Career and Technical Education Millage Resolution

I am recommending that we place a career and technical education millage of 1.0 mil on the ballot for the November 2025 election. I am recommending that it be for a 10-year term. This millage is expected to generate \$25,020,000.00 per year.

Seven of the nine local school boards have passed a resolution supporting the placement on the ballot for the November election and the remaining two districts have planned to have their Boards vote on the resolution on June 23, 2025.

A career and technical education millage will help us focus on building access to career and technical education for all students in Washtenaw County, regardless of where they live or attend school. It will facilitate the development of several countywide and regional CTE programs while maintaining the current existing quality programming. It will also support efforts in career development and experiential and applied learning for students PreK-12th grade. This is an important step in ensuring the Washtenaw County education system is truly supporting all students.

We have worked with Thrun Law to draft the ballot language and board resolution which are included in this memo.
