

Washtenaw ISD
A REGIONAL EDUCATIONAL SERVICE AGENCY

HIGH-FIDELITY WRAPAROUND TRAINING

**Presented by The National Wraparound
Implementation Center (NWIC)**

**In partnership with WISD Bridge Team &
Washtenaw Community Mental Health**

WHO SHOULD ATTEND

**This foundational 3-day training is designed for all
school-based mental health professionals, including;**

- **Social Workers**
- **Behavioral Interventionalists**
- **Paraeducators**
- **Climate and Culture Coaches**
- **Special Education Case Managers**
- **Student Support Team Members**
- **Anyone partnering with families of
students with complex needs**

WHAT YOU WILL GAIN

**Wraparound helps ensure students with the
most complex needs remain connected to
caring adults, personalized supports, and
meaningful school experiences.**

- **A deep dive into the principles and phases of Wraparound**
- **Skills in family engagement, strength-based planning, and
team facilitation**
- **Tools to create integrated plans of care across systems**
- **Strategies to promote student well-being, academic progress,
and equitable access to services**
