

## The Success You See – Video Transcript

**Jayden Canter, Washtenaw CTE student:**

Success isn't just what you see in the photo.

It is putting in the work, even when you know the road ahead is tough.

Believing you've got what it takes to get through tough days.

To starting over. Again.

And again.

Because the success you see is built on the effort you don't.

The future moves with us.
