

When You Can See the Bigger Picture – Video Transcript

Grace Colone, Washtenaw CTE student:

My name is Grace. My hope for our future is better access to construction trades programs for high school students. I found my passion and a great platform for becoming a construction manager through my construction trades program.

Mark Valchine, Washtenaw CTE instructor:

Our program, the second day of school, the excavator shows up, then the real world takes over.

Grace Colone, Washtenaw CTE student:

I believe that every student deserves to have an opportunity like that. My hope for our future is CTE.

Breaking isn't failure, it's how we understand. Every piece you take apart teaches you how it fits, how it works, and how to make it better. When you can see the bigger picture, nothing is too big to solve.

Mark Valchine, Washtenaw CTE instructor:

On the final day of school, they walk away with a completed house and a for sale sign on the front lawn. My name is Coach V. My hope for the future is CTE.

Grace Colone, Washtenaw CTE student:

The future moves with us.
