Hello everyone!

If you are new to us, I wanted to give you a little information about Camp Fish Tales. CFT is an outdoor, barrier free camp nestled on 67 acres in northern Bay County. We serve kids and adults of all ages and all disabilities. In 2027 we will have 10 weeklong sessions beginning on June 6th, seven of them will be adult sessions and three for youth.

Last summer we had a record number of campers come through our doors that attended both respite weekends and our weeklong camping sessions. We were full! We are so thankful to have had the opportunity to serve so many individuals and help create amazing memories for them.

Registration for 2027 camp (Jan-Dec) will open November 1st. Register early to get your preferred week. If you have an existing camper please DO NOT create another profile for them, use their old one and update it. If you need help registering, email support@docnetwork.org or call 734-619-8300.

Costs for respite weekends are as follows:
Level 1: $250.00
Level 2: $350.00
Level 3: $450.00

Cost for weeklong sessions are as follows:
Level 1: $812.00
Level 2: $1166.00
Level 3: $1574.00

Campers come in based on levels which allows us to personalize their care and needs. I've also attached a Level Determination sheet for your reference.
Feel free to pass along this information to anyone that might be able to spread the word about this amazing resource in our region!

Every day is a GREAT day at camp,
